CLUB MARKING OF REFEREE

NAME OF REFEREE: _____

COMPETITION: _____ **DATE:** _____

FIXTURE: _____ **v** _____

Both teams are required to award the referee a mark in all matches on a scale of 1-100 based on the following guide on Overall Control and Decision Making.

The mark must reflect the referee's overall level of control, accuracy of decision making and management of and communication with players. When deciding on a mark consideration should be given to such aspects of the referee's performance as: impartiality, confidence, fitness, positioning, signalling, use of advantage and handling of major incidents. Please see the Guide on Referee Marks for full detail of the marking criteria (available on www.cornwallfa.com/cups).

A mark between 91-100 would be regarded as "excellent"
A mark between 71 and 80 would represent the standard expected

Our club awards an overall mark of out of 100: ☐

When awarding a mark of 60 or less, an explanation must be provided in the box below with comments which could help the referee improve future performances. Please continue on a separate page if necessary.
