# WELCOME

## WE ARE DELIGHTED TO WELCOME YOU TO TODAY'S COUNTY CUP FINAL

A warm welcome to all the players, coaches, volunteers and supporters of both competing teams and also the match officials for this prestigious County Cup Final.

With 1,100 clubs with a combined total of 5,200 teams and nearly 79,000 players playing all formats of the game within our County boundary, every team that makes it to one of our 14 Cup Finals should be rightly proud of their achievements.

We have again received over 500 Cup entries across all of our competitions so the winners of this and each Final can proudly carry the mantle of County 'Champions' which also brings with it the kudos but added responsibility of playing and behaving in the manner that befits the title of Champions at their respective levels of the game for the next 12 months.

It is also a big day for our match officials who have dedicated hours and in some cases many years 'in the middle' and on the side-lines at all levels of the game to have been selected to represent our 1,300 Birmingham County FA officials at their chosen Final which is part of their own development and reward for their own performances during the current and previous seasons.

I'd also like to take the opportunity of thanking the thousands of volunteers for all the work they do throughout the season to simply help and administer and improve their clubs and teams – more often than not unpaid and into the early hours across many evenings. Without the range of volunteers at every level of the game and at every club and league, then the game as we know it would not exist, especially at grassroots level. As part of the post-match celebrations, we will be presenting a volunteer award which each finalist has nominated as a thank you from those at each club.

I'd also like to thank my colleagues at Birmingham County FA for all the work they do and the support they offer participants in order to promote, govern and develop the game and deliver 14 fantastic Finals and create memories for those who play, coach, officiate and watch their friends, family and loved ones compete.

Enjoy the game and celebrate your achievements before and after the game whilst, at the same time, recognising and respecting the achievements of the opposition and their efforts in making the Final along with those of the match officials on their special day as well.

Play well and play fair and enjoy the memories and friendships that the fixture brings.

Kevin Shoemake

# MEET THE OFFICIALS

## REFEREE ROB SHARP

## ASSISTANT REFEREE SEAN NOONE

I am a referee who happens to be Deaf and a British Sign Language user. I have been refereeing for Birmingham County FA since 2021. I have officiated many games at various levels. The furthest matches that I have officiated are Glasgow, Scotland as part of Glasgow Deaf Athletic Football Club's 150th anniversary tournament. I am now looking to referee at a higher level, and to be recognised as a referee who is Deaf without any barriers in football. As always, I am honoured to be here today to join all of you for the Birmingham County Cup final! May the best team win.

## ASSISTANT REFEREE FARIS JAN

At 19 years of age, I am a student of Chiropractic at the Mctimoney College of Chiropractic. With a passion for football, I played the sport for about 9 years, representing Worcester City and a Sunday league team as a goalkeeper. Unfortunately, a back injury forced me to stop playing. However, my love for the sport continued, and in September 2022, I took up refereeing. Since then, I have officiated over 60 matches, sometimes even managing to squeeze in four games on a single weekend. I find refereeing to be an enjoyable and fulfilling experience as it keeps me connected to the sport I love, even though I'm no longer playing. I have found that refereeing has also helped me to develop my communication, decision-making, and leadership skills. It requires quick thinking, the ability to remain impartial, and the confidence to make tough calls in high-pressure situations. Through my experiences as a referee, I have learned to communicate effectively with players, coaches, and fans, and to make decisions that are in the best interest of the game. I am grateful for the opportunity to continue contributing to the sport and look forward to further developing my abilities in the future.

## FOURTH OFFICIAL MAX COURT

I have been a referee since the age of 14 and have never looked back. Having also played the beautiful game from the age of 4, refereeing has now helped me to see it from a different perspective. I play in the Midland Football League Division Two and officiated in the Redditch and South Warwickshire Combination League (Adults Sunday). I am going for promotion and will aim to get to level 5 by the end of next season. Refereeing has made me mature and if you ask anyone of my team mates, it has made me become a better leader too.

SHOW  
SUPPORT  
AND NOTHING ELSE.

**Birmingham &  
Black Country**  
Wildlife Trust

**CHARITY PARTNER  
2022/23**

Birmingham County Football Association and their Save Today, Play Tomorrow programme is pleased to share that they have partnered with Birmingham and Black Country Wildlife Trust as their Charity of the Year for the 22/23 season.

The vision for the Trust is for A Wilder Birmingham and Black Country with more green and wild spaces where nature thrives, and where everyone has an equal opportunity to access nature in their daily lives.

The Trust are working towards three goals that they aim to reach by 2030 which are;

1. To see 30% of Birmingham & Black Country's landscape managed for the benefit of wildlife
2. To have at least 1 in 4 people in Birmingham & Black Country taking action for nature
3. To aim for 500 hectares (or the equivalent of 700 football pitches) to be improved to provide nature-based solutions to the ecological & climate crisis

It is hoped through this brand-new partnership BCFA member clubs and their supporters can play a part helping to raise the Trust's profile and encourage and adopt regular fundraising through a series of planned activities from wildlife gardening, citizen science, volunteering, campaigning, events, and training courses at one of the Trust's six nature reserves or two environmental education centres.

Football can play a vital part in protecting our planet by reconnecting and helping the recovery of nature. Grassroots football is predominantly an outdoor sport played on green spaces and it has a unique opportunity to support the Trust's on-going work.

By connecting our clubs & their members to nearby nature over the coming months, we hope will also bring about long-term health & wellbeing benefits reducing anxiety, stress and improving heart health for individuals coupled with the opportunity to raise money for a worthy cause. BCFA have agreed to donate some of the proceeds from ticket sales from all 14 of this seasons County Cup Finals to the Birmingham & Black Country Wildlife Trust

You can text your support with a donation using the below method:

BCFA Text Giving:

Text STPT + donation amount to 70085

e.g. STPT 5 to 70085 to donate £5

MEMBER TODAY**

# SAVE TODAY, PLAY TOMORROW

Birmingham County Football Association is committed to pioneering the way in which football minimises the impact of its activities on the environment.

More information on our commitment to creating a sustainable game is available below, along with helpful resources and documents that clubs, leagues and participants can use to help make a significant, positive contribution to the environment. Find out more by clicking [here](#).

**Carbon Neutral County Cup Finals.** We are working with our carbon reporting & accounting partners Planet Mark, and the venue owners to ensure all 14 of this season's County Cup Finals will be carbon neutral events. Data will be collected on travel, food & beverage, energy & water consumption, and waste to plan and measure the overall emissions generated. These will be independently assessed and verified to meet robust PAS2060 standards and gold standard or VCS offsets will be procured for the finals to be Carbon Neutral events, as we look at more long-term solutions to reduce the impacts.

**100% Renewable Energy Tariff.** Birmingham County FA was proud to announce a new partnership with energy and sustainability consultant, Utility-Works. The partnership signals a commitment to helping football clubs of all shapes and sizes at the heart of their local communities, during the energy crisis and in the long-term transition to cheaper cleaner renewable energy. Find out more [here](#).

**Carbon Literacy for Grassroots Football Training Course.** This one-day course gives attendees a months' worth of knowledge and awareness of the carbon costs and impacts of everyday activities and the ability and motivation to reduce emissions, on an individual, community, and organisational basis. Furthermore, learners will gain an understanding of the interdependencies between football and climate change, to allow them to take the necessary steps to reduce the impact the game is having on the environment. [Click here](#) for more.

**Be A Super Supporter and Liftshare.** Our first of its kind lift sharing scheme in grassroots football is going from strength to strength. To date users have saved over 27,000 miles in football journeys, that equates to 6.1 tonnes of harmful emissions not entering the atmosphere and £7829 not spent on fuel! Liftshare are the UK's largest car sharing organisation & this partnership provides you the opportunity to join the 750,000 likeminded people across the country to reduce their emissions footprint and save money. You can register to join our community [here](#).

**Stack-Cup.** Birmingham County FA are pleased to announce a partnership with Stack-Cup to offer clubs the opportunity to introduce reusable, washable cups as part of their Save Today, Play Tomorrow programme. To find out more, contact James Roles at Stack-Cup on [james.roles@stack-cup.com](mailto:james.roles@stack-cup.com) or visit our website [here](#).

**Planet Mark Certified.** Planet Mark Certified. We're proud to announce that for the second year we've achieved the Planet Mark Business Certification. This is an incredible achievement involving the entire business which has seen a 30% reduction in CO2 emissions in the last 12 months. In this crucial #DecadeofAction, measuring our own carbon footprint has been a critical step in reducing our impact on the planet and society and through the findings and recommendations from the report we are on the right track to meet our Net Zero ambitions by 2030. View our full Planet Mark Year 2 Report [here](#).

**Football Rebooted.** We are proud to say that within network we now have over 50 grassroots clubs of all sizes acting as Football Rebooted collection & distribution centres for their community. Through this partnership we are seeing literally hundreds of pre-worn boots being donated each season for use back on the pitch and out of landfill. Many of the clubs have linked with schools or local charities to provide footwear to those most in need, making this as much a social project as much as an environmental one.

On behalf of Birmingham County FA and our partners at Football Rebooted, many thanks to all those clubs involved that offer their continued support. If you would like your club to be part of the Football Rebooted scheme, then please get in contact.

**Pledgeball**

**Pledge of Sustainability.** This season over 130 clubs with almost 1000 teams, and 12000 registered players have signed up to the Birmingham County FA Sustainability Pledge in partnership with [Pledgeball](#) engaging their members to pledge to select alternative lifestyle choices across 6 key areas, Travel, Food, Waste, Water, Energy & Community Engagement. By recording their behaviour changes throughout the season via the digital Pledgeball app the clubs have been competing each month to finish top of the league to receive £500 towards their running costs for this season.

To date 3,105,039kgsCO2e has been pledged to be saved this year which is the equivalent to taking 675 cars off the road.

To help support your club for FREE become more sustainable both environmentally & financially just follow these 3 easy steps:

1. Go to <https://www.pledgeball.org/events/> and scroll down to "Up Coming Events" and select Birmingham County FA
2. Find & select your club
3. Register as a supporter, select your simple pledges and see the carbon savings for the year

To find out more about Pledgeball, head to [Instagram](#), [Twitter](#) or [Pledgeball.org](#)

### **TROPHY PRESENTED BY SHAMEEM KAZMI**

Shameem Kazmi has been a director for BCFA for the last few years. An instrumental figure in how the CFA has responded to its commitment to sustainability, Sham has been a driving force behind how BCFA have responded to the ever changing landscape of small businesses. Sham has a strategic background through his work with Britvic Pepsi Cola and has guided the County through various strategic changes over the last few years. Sham is also a coach and going through his UEFA B License and continues to support the grassroots game.
