# WELCOME

## WE ARE DELIGHTED TO WELCOME YOU TO TODAY'S COUNTY CUP FINAL

A warm welcome to all the players, coaches, volunteers and supporters of both competing teams and also the match officials for this prestigious County Cup Final.

With 1,100 clubs with a combined total of 5,200 teams and nearly 79,000 players playing all formats of the game within our County boundary, every team that makes it to one of our 14 Cup Finals should be rightly proud of their achievements.

We have again received over 500 Cup entries across all of our competitions so the winners of this and each Final can proudly carry the mantle of County 'Champions' which also brings with it the kudos but added responsibility of playing and behaving in the manner that befits the title of Champions at their respective levels of the game for the next 12 months.

It is also a big day for our match officials who have dedicated hours and in some cases many years 'in the middle' and on the side-lines at all levels of the game to have been selected to represent our 1,300 Birmingham County FA officials at their chosen Final which is part of their own development and reward for their own performances during the current and previous seasons.

I'd also like to take the opportunity of thanking the thousands of volunteers for all the work they do throughout the season to simply help and administer and improve their clubs and teams – more often than not unpaid and into the early hours across many evenings. Without the range of volunteers at every level of the game and at every club and league, then the game as we know it would not exist, especially at grassroots level. As part of the post-match celebrations, we will be presenting a volunteer award which each finalist has nominated as a thank you from those at each club.

I'd also like to thank my colleagues at Birmingham County FA for all the work they do and the support they offer participants in order to promote, govern and develop the game and deliver 14 fantastic Finals and create memories for those who play, coach, officiate and watch their friends, family and loved ones compete.

Enjoy the game and celebrate your achievements before and after the game whilst, at the same time, recognising and respecting the achievements of the opposition and their efforts in making the Final along with those of the match officials on their special day as well.

Play well and play fair and enjoy the memories and friendships that the fixture brings.

# MEET THE OFFICIALS

## REFEREE

### MARK BILLINGHAM

I qualified as a referee in 2003 and am currently a Level 3 referee, officiating on the Northern Premier League and Southern League. I have been fortunate to have refereed at a number of professional team's stadiums, with the highlight being Goodison Park.

## ASSISTANT REFEREE

### CAMERON DANKS

I started refereeing just over 4 years ago and have loved it so far. Particular highlights in my refereeing career have all happened in the last 12 months, officiating at an U14 Premier League tournament in the summer with the elite academies was a particular highlight, as well as being introduced into the national FA CORE program which has helped massively to improve me as a person and a referee. Also officiating on the early stages of the FA Cup and later stages of the Birmingham Senior County Cup are also big highlights that I have really enjoyed being a part of and hope they continue next season! I am currently a Level 5 referee with the hope of being promoted to Level 4 this summer. I'm looking forward to the final between Rubery Athletic and Dell Park Rangers and feel privileged to be a part of the occasion.

## ASSISTANT REFEREE

### DAVID PATRICK

## FOURTH OFFICIAL

### MARK PEARSON

I passed my referee course in 1997 at the age of 14 and started refereeing in the Stourbridge Youth League in 1998. The following season I joined the West Midlands Regional League as an assistant referee and gained valuable experience working alongside colleagues who had been officiating for a much longer time. I was successful in gaining promotions up the refereeing ladder from level 7 to level 4 in 2005 which meant I was now a supply league referee operating on Midland Pool and the contributory league assistant referee list too. I operated at this level until 2014 when I was fortunate enough to be promoted to the Contributory League Referees list and assistant referee on the National League North & South divisions. I continued until 2022 at this level. I am also a Contributory League & Supply League observer and am involved in coaching in the BCFA development group.

**Birmingham &  
Black Country**  
Wildlife Trust

**CHARITY PARTNER  
2022/23**

Birmingham County Football Association and their Save Today, Play Tomorrow programme is pleased to share that they have partnered with Birmingham and Black County Wildlife Trust as their Charity of the Year for the 22/23 season.

The vision for the Trust is for A Wilder Birmingham and Black Country with more green and wild spaces where nature thrives, and where everyone has an equal opportunity to access nature in their daily lives.

The Trust are working towards three goals that they aim to reach by 2030 which are;

1. To see 30% of Birmingham & Black Country's landscape managed for the benefit of wildlife
2. To have at least 1 in 4 people in Birmingham & Black Country taking action for nature
3. To aim for 500 hectares (or the equivalent of 700 football pitches) to be improved to provide nature-based solutions to the ecological & climate crisis

It is hoped through this brand-new partnership BCFA member clubs and their supporters can play a part helping to raise the Trust's profile and encourage and adopt regular fundraising through a series of planned activities from wildlife gardening, citizen science, volunteering, campaigning, events, and training courses at one of the Trust's six nature reserves or two environmental education centres.

Football can play a vital part in protecting our planet by reconnecting and helping the recovery of nature. Grassroots football is predominantly an outdoor sport played on green spaces and it has a unique opportunity to support the Trust's on-going work.

By connecting our clubs & their members to nearby nature over the coming months, we hope will also bring about long-term health & wellbeing benefits reducing anxiety, stress and improving heart health for individuals coupled with the opportunity to raise money for a worthy cause. BCFA have agreed to donate some of the proceeds from ticket sales from all 14 of this seasons County Cup Finals to the Birmingham & Black Country Wildlife Trust

You can text your support with a donation using the below method:

BCFA Text Giving:  
Text STPT + donation amount to 70085  
e.g. STPT 5 to 70085 to donate £5

MEMBER TODAY**

# SAVE TODAY, PLAY TOMORROW

Birmingham County Football Association is committed to pioneering the way in which football minimises the impact of its activities on the environment.

More information on our commitment to creating a sustainable game is available below, along with helpful resources and documents that clubs, leagues and participants can use to help make a significant, positive contribution to the environment. Find out more by clicking [here](#).

**Carbon Neutral County Cup Finals.** We are working with our carbon reporting & accounting partners Planet Mark, and the venue owners to ensure all 14 of this season's County Cup Finals will be carbon neutral events. Data will be collected on travel, food & beverage, energy & water consumption, and waste to plan and measure the overall emissions generated. These will be independently assessed and verified to meet robust PAS2060 standards and gold standard or VCS offsets will be procured for the finals to be Carbon Neutral events, as we look at more long-term solutions to reduce the impacts.

**100% Renewable Energy Tariff.** Birmingham County FA was proud to announce a new partnership with energy and sustainability consultant, Utility-Works. The partnership signals a commitment to helping football clubs of all shapes and sizes at the heart of their local communities, during the energy crisis and in the long-term transition to cheaper cleaner renewable energy. Find out more [here](#).

**Carbon Literacy for Grassroots Football Training Course.** This one-day course gives attendees a month's worth of knowledge and awareness of the carbon costs and impacts of everyday activities and the ability and motivation to reduce emissions, on an individual, community, and organisational basis. Furthermore, learners will gain an understanding of the interdependencies between football and climate change, to allow them to take the necessary steps to reduce the impact the game is having on the environment. [Click here](#) for more.

**Be A Super Supporter and Liftshare.** Our first of its kind lift sharing scheme in grassroots football is going from strength to strength. To date users have saved over 27,000 miles in football journeys, that equates to 6.1 tonnes of harmful emissions not entering the atmosphere and £7829 not spent on fuel! Liftshare are the UK's largest car sharing organisation & this partnership provides you the opportunity to join the 750,000 likeminded people across the country to reduce their emissions footprint and save money. You can register to join our community [here](#).

**Stack-Cup.** Birmingham County FA are pleased to announce a partnership with Stack-Cup to offer clubs the opportunity to introduce reusable, washable cups as part of their Save Today, Play Tomorrow programme. To find out more, contact James Roles at Stack-Cup on [james.roles@stack-cup.com](mailto:james.roles@stack-cup.com) or visit our website [here](#).

**Planet Mark Certified.** Planet Mark Certified. We're proud to announce that for the second year we've achieved the Planet Mark Business Certification. This is an incredible achievement involving the entire business which has seen a 30% reduction in CO2 emissions in the last 12 months. In this crucial #DecadeofAction, measuring our own carbon footprint has been a critical step in reducing our impact on the planet and society and through the findings and recommendations from the report we are on the right track to meet our Net Zero ambitions by 2030. View our full Planet Mark Year 2 Report [here](#).

**Football Rebooted.** We are proud to say that within network we now have over 50 grassroots clubs of all sizes acting as Football Rebooted collection & distribution centres for their community. Through this partnership we are seeing literally hundreds of pre-worn boots being donated each season for use back on the pitch and out of landfill. Many of the clubs have linked with schools or local charities to provide footwear to those most in need, making this as much a social project as much as an environmental one.

On behalf of Birmingham County FA and our partners at Football Rebooted, many thanks to all those clubs involved that offer their continued support. If you would like your club to be part of the Football Rebooted scheme, then please get in contact.

**Pledgeball**

**Pledge of Sustainability.** This season over 130 clubs with almost 1000 teams, and 12000 registered players have signed up to the Birmingham County FA Sustainability Pledge in partnership with [Pledgeball](#) engaging their members to pledge to select alternative lifestyle choices across 6 key areas, Travel, Food, Waste, Water, Energy & Community Engagement. By recording their behaviour changes throughout the season via the digital Pledgeball app the clubs have been competing each month to finish top of the league to receive £500 towards their running costs for this season.

To date 3,105,039kg CO2e has been pledged to be saved this year which is the equivalent to taking 675 cars of the road.

To help support your club for FREE become more sustainable both environmentally & financially just follow these 3 easy steps:

1. Go to <https://www.pledgeball.org/events/> and scroll down to "Up Coming Events" and select Birmingham County FA
2. Find & select your club
3. Register as a supporter, select your simple pledges and see the carbon savings for the year

To find out more about Pledgeball, head to [Instagram](#), [Twitter](#) or [Pledgeball.org](#)
