WELCOME

WE ARE DELIGHTED TO WELCOME YOU TO TODAY'S COUNTY CUP FINAL

A warm welcome to all the players, coaches, volunteers and supporters of both competing teams and also the match officials for this prestigious County Cup Final.

With 1,200 clubs with a combined 5,200 teams and 77,000 players playing all formats of the game within our boundary, every team that makes it to one of our 14 County Cup Finals should be rightly proud of their achievements.

The previous two years have been difficult with limited amounts of football played due to Covid but we have again received over 500 Cup entries across all of our competitions so the winners can proudly carry the mantle of County 'Champions' which also brings with it the kudos but added responsibility of playing and behaving in the manner that befits the title.

It is also a big day for our match officials who have also dedicated hours and in some cases many years in the middle and on the side-lines at all levels of the game in order to have been selected to represent our 1,200 Birmingham County FA officials at today's final.

I'd also like to take the opportunity of thanking the thousands of volunteers for all the work they do throughout the season to simply help and administer and improve their clubs and teams – more often than not unpaid. Without the range of volunteers at every level of the game and at every club and league, then the game as we know it would not exist, especially grassroots and as part of the celebrations, we will be presenting a volunteer award which each finalist has nominated as a thank you.

I'd also like to thank my colleagues at Birmingham County FA for all the work they do and the support they offer in order to promote, govern and develop the game.

Enjoy the game and celebrate your achievements before, during and after the game and whilst recognising and respecting the opposition and their efforts along with those of the match officials.

Play well and enjoy the memories and friendships that the fixture brings.

MEET THE OFFICIALS

REFEREE

DAVID PATRICK

I am currently in my 8th season of refereeing and am a second year level 4 referee. I currently referee on the Midland's Football League Premier and Division 1, I also act as assistant referee on the Northern and Southern Premier League. My refereeing highlight so far was when I refereed England U16 vs Denmark U16 at St George's Park in a UEFA Tournament. I look forward to refereeing the Birmingham County Cup Saturday Vase and am honoured to have been chosen from large pool of referees to officiate this match.

ASSISTANT REFEREE

LUKE UNDERHILL

I started refereeing in 2015 whilst at university in South Wales. I moved to Birmingham in 2017 and continued my refereeing journey. Since 2017, I have gained promotion to Level 5 and been involved in the BCFA development group. I am honoured and excited to be part of my first county cup final to complete an enjoyable and successful season.

ASSISTANT REFEREE

CRAIG PATRICK

Now in my sixth season of refereeing, I am looking forward to being promoted to level four. The highlight of my career so far is having the opportunity to referee a cup final at Sincil Bank (Lincoln City FC) whilst at university. I am also a part of the Birmingham County FA development group, where I have enjoyed working alongside high level officials to improve my performance on the field.

FOURTH OFFICIAL

PHILLIP LLOYD

I started refereeing in 2000 as I was coming to the end of my playing career. I remained as a Class 3 referee for a few years and then decided to become a coach for my sons team so I stopped refereeing. When my son, stopped playing Youth football, I took up refereeing again as a Level 7 and proceeded on getting promoted to a Level 5, which is where I am now. Highly honoured to get a County Cup appointment.

SAVE TODAY, PLAY TOMORROW

Birmingham County Football Association is committed to pioneering the way in which football minimises the impact of its activities on the environment.

More information on our commitment to creating a sustainable game is available below, along with helpful resources and documents that clubs, leagues and participants can use to help make a significant, positive contribution to the environment. Find out more by clicking [here](#).

Environmental Policy. We are now taking steps to measure our impact on the environment and set ambitious targets for ongoing improvement, and will comply with all relevant environmental legislation. View our policy [here](#).

WM Net Zero Business Pledge. We are proud to have joined over 50 organisations across the region in committing to the WM Net Zero Business Pledge. [Find out more](#).

Green Innovation Fund. As part of Birmingham County FA's commitment to creating a low carbon, greener game, we are giving clubs the opportunity to apply for grant funding up to the value of £750 to help support innovative, environmentally positive sustainability projects at a grassroots level. Keep an eye on the portal opening [here](#).

British Association for Sustainable Sport (BASIS). They are the sustainability hub for the UK sports industry with a fierce belief in sustainable sport: not-for-profit committed to delivering a positive impact for sport at every level, and harnessing the power of sport to make a difference for all. Click [here](#) for more information.

Be A Super Supporter and Liftshare. We have partnered with Liftshare to launch the first-ever car sharing scheme in grassroots football. Liftshare are the UK's largest car sharing organisation & this partnership provides you the opportunity to join the 750,000 likeminded people across the country to reduce their emissions footprint and save money. Planet Mark Certified. We're proud to announce that we've achieved the Planet Mark Year 2021 Business Certification. This is an incredible achievement involving the entire business. In this crucial

#DecadeofAction, measuring our own carbon footprint has been a critical step in reducing our impact on the planet and society and through the findings and recommendations from the report we are on the right track to meet our Net Zero ambitions by 2030. View our full Planet Mark Report [here](#).

Football Rebooted. We are kicking off 2022 by partnering with Football Rebooted to help them achieve their ambitious target of saving one million pairs of football boots from landfill, and redistributing them across the West Midlands region through a network of boot collection points located at grassroots football clubs. You can view the collection points [here](#).

Corporate Travel Management. CTM is a Global Travel Management company with offices all over the globe. Our Sports Travel Management division leverages the team travel, VIP, and event management CTM expertise of the global CTM group to provide winning travel solutions to the sports industry.
