

Steps to Success with easyfundraising!

1. Register your club with easyfundraising:

<http://birminghamfa.easyfundraising.org.uk/>

It takes a matter of minutes and you will be all set. It could take up to 2 days for your club to be validated with easyfundraising.

2. Have a go yourself

It's useful to understand how easyfundraising works, even if you don't have anything to buy. This will help you explain how it works to others. And the good news is, it's really easy!

3. Your cause page

You have your own easyfundraising page link to share with your supporters (members, coaches, colleagues). This will show them how to sign up in support and will show how much the club has raised so far.

Once registered, complete your cause page by adding your logo and a good description of what your club does and is raising for.

4. Talk to a fundraising coach

Talk to one of our friendly fundraising coaches who can guide you around the website and advise on how to make easyfundraising work for your club. The call will only take 10 minutes and we've found that causes who talk to our fundraising coaches raise over twice as much!
