

JOEL RICHARDS
FOUNDATION LEGACY FUND

JOEL RICHARDS FOUNDATION LEGACY FUND

The Joel Richards Foundation Legacy Fund is a bursary fund which was set up last year in the memory of Joel. It provides young coaches, referees and volunteers with funds that aid in their development and career progression.

By applying through the bursary, individuals have the opportunity to access funds that will help to support their progression through their footballing journey, something that was taken away from Joel all too soon.
