Confirmation of Fixtures with Match Official(s)

Saturday / Sunday Challenge Cups

Please could I draw your attention to Competition Rule 10 – the notification of Opponents and Match Officials, at least 5 days before the game, with details of the fixture, ground and playing colours.

The District FA will endeavour to ensure Clubs are advised of their Match Official appointment(s) at least 5 days prior to the date of the fixture to enable Clubs to comply with the above Rule. Where this is not possible, or Clubs are notified of a change of Match Official at short notice, Clubs must communicate with Match Officials **as soon as possible after receipt of the Match Official appointment(s)**.
