- The FA Safeguarding 'For All'**: SAFEGUARDING. This course examines what we mean by best practice, poor practice and abuse. Plus, you'll explore how you can help to create a safe environment and what to do if you have a concern.
- The FA Safeguarding for Committee Members**: SAFEGUARDING. This course will support you, as a committee member, to identify your individual and collective responsibility in safeguarding, so as a team you create an environment where the wellbeing of children and young people (under 18s) is central to all that you do. Greg Clarke, FA Chairman.
- The FA Safeguarding Adults**: SAFEGUARDING. This module explores the meaning of 'safeguarding adults' and 'adult at risk'. It looks at:

 - how to report any concerns
 - how to use safeguards to reduce the risk of harm.
