General Guidance for Club Secretaries

There are comprehensive guides for club officials on www.cornwallfa.com but here are a few general points to remember:

- 1. Please ensure that as a Club Secretary you notify Cornwall FA and your league of any changes to your contact details, as you will be the main point of contact for the club. It is worth checking the Whole Game System to make sure your details are correct. If for any reason you no longer will be the Club Secretary, please notify Cornwall FA and your league in writing (email is acceptable) of the changes.
- 2. Club Secretaries are required to use the Whole Game System to manage all their club discipline online. You can accept cautions, make payments add suspension matches, amend club officials, register players and affiliate your club all via the Whole Game.
- 3. Please make sure you are familiar with the current season's rules within this handbook. For the County Cup competitions all club secretaries will receive an email at the start of each season with the rules and guidance on how to submit the results via SMS (text) and with regard to submitting Match Report Forms. Please pay special attention to player eligibility and submitting your results by SMS (text) to avoid receiving any unnecessary fine.
- 4. Referee appointments will be sent out by email to club secretaries via the Full Time System. Monthly referee appointments will also be sent direct via Paul Murphy.
- 5. Each Thursday afternoon on our website http://www.cornwallfa.com/suspensions and via our Twitter and Facebook pages the suspension list is updated and this will indicate those players who are suspended, please ensure that your players do not play whilst suspended and if you are unsure please contact the office. It is the Secretaries responsibility to inform Cornwall FA or update the Whole Game System the matches a player will miss.

We are happy to help you with any query you may have so please contact the office if you have any questions about your role, rules, general administration etc. 01208 269010

Club Development

Cornwall FA development team are here to support clubs in facility development, recruitment of new players and offer guidance and advice on club organisation. We will work with clubs to create development plans to support a future for the club, this will also link into creating a club vision for further seasons. Clubs who wish to gain funding for their club should speak to us before contacting grant funding bodies such as the Football Foundation so we can advise on an appropriate way forward.

The FA Charter Standard is a national quality benchmark for clubs based on its policies, procedures and standard of its volunteer workforce. Charter Standard Clubs benefit from funding opportunities, free Nike footballs upon achieving/ renewing the award, free Charter Standard In-Service Events, discounts for courses, as well as help and support by our County FA staff. If your club is interested in becoming Charter Standard, please see www.cornwallfa.com or phone 01208 269010 for further details.

Cornwall FA offer a wide range of courses throughout the year, including the FA Level 1 and 2 Coaching qualifications, FA UEFA B Course, Goalkeeping Level 1, Coaching Disabled Footballers, Futsal Level 1, Safeguarding Children and Emergency First Aid, Welfare Officer Workshops, In-Service events, as well as club administration and referee training and development. It is strongly recommended that ALL coaches undertake the FA Level 1 Course, in particular if working with players under the age of 18. The knowledge gained through practices and theory will enable candidates to develop a basic understanding of safe, ethical and effective football coaching. Please see www.cornwallfa.com or phone 01208 269010 for more details on our courses.

Tickets for The FA Cup Final and England Matches

Applications by leagues and clubs for FA Cup Final tickets must be sent to the Chief Executive by 31st December in the current season. Separate applications must be made in respect of England international matches. No money must be sent with the application and no allotment of tickets is guaranteed. Successful applicants must not allow tickets to be supplied to any person for resale, or used as prizes in lotteries and competitions.

GOALPOST AND PITCH SIZES

The FA receives many enquiries around pitch and goal sizes suitable for all age groups and therefore recommends the following should be applied where possible:-

Ago grouping	Туре	Recomm size o		Max recommendation without run off		Recommended size including runoff	
Age grouping		(Height x width) ft		(Length x width) yds		(Length x width) yds	
Mini-Soccer U7/U8	5 v 5	6	12	40	30	46	36
Mini Soccer U9/U10	7 v 7	6	12	60	40	66	46
Youth U11/U12	9 v 9	7	16	80	50	86	56
Youth U13/U14	11 v	7*	21*	90	55	96	61
Youth U15/U16	11 v	8	24	100	60	106	66
Youth U17/U18	11 v	8	24	110	70	116	76
Over 18 Senior Ages	11 v	8	24	110	70	116	76

Note: County FAs and Leagues may have defined rules for their own competitions and reference should always be made to their handbooks for additional guidance and compliance.

The FA recommends that run-off's for natural grass pitches should be a minimum of 3 yards (or 3 metres) all around the pitch. For those clubs playing in the football pyramid the minimum safety run off is 1.83 metres (6 feet) but ideally at least 2 metres. If a new ground is to be constructed at least 3m should be provided.

The run-off must be of natural grass and must not be of tarmac or concrete construction, with no barriers or obstructions evident within the run-off area. If Football Turf (3G) is to be used as a run-off, this should be constructed to meet the performance standards of full size pitches and be green in colour.

Where pitches neighbour others within a confined area, the minimum run-off between both pitches should ideally be 6 yards to allow for spectators watching either match.

The Laws of the Game may be modified in their application for matches for players of under 16 years of age, for women footballers, for veteran footballers (over 35 years) and for players with disabilities.

Any or all of the following modifications are permissible:-

- (a) the size of the field of play
- (b) the size, weight and material of the ball
- (c) the width between the goalposts and the height of the crossbar from the ground
- (d) the duration of the periods of play
- (e) substitutions
- * If a pitch is to be provided for U13/14 it is recommended that 7 x 21 goalposts are provided. However, it should be noted that 8 x 24 would also be acceptable as not all sites will be able to provide specifically for this age group

GOALPOST SAFETY

Updated June 2018

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institution, would like to draw your attention to the following guidelines for the safe use of goalposts.

Several serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future:

To minimise the risk of poorly designed, badly installed or inadequately maintained goals being used the BSI have a standard for football goals, nets, maintenance and management which has been agreed across Europe. Only goals and nets that are certified as complying with the relevant British Standard should be purchased or used for all forms of football.

Traditionally larger sized/weighted goals have been designed to withstand the types of misuse that can occur on unsupervised sites (people swinging on the cross bar, etc.); making the goals strong enough to withstand abuse does result in them being quite heavy and concerns have been expressed that there is the possibly of a greater risk of injury occurring through a heavy goal tipping or when a free-standing type, as often used on 3G pitches, is being moved around a field. Lighter goals have been developed for these pitches and a new standard established.BS EN 16579

When selecting goals and other sports equipment, consideration must be given to the precise uses of the pitch, so that changes in activity can take place with the minimum of effort and inconvenience. Goals can be freestanding, and therefore easily moved, although it is important to make proper provision for their storage when not in use (the run-offs of the pitch must not be used for this purpose) or they can be socketed when semi-permanent installation is required.

For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground or have a weighted back bar.

Portable goalposts must be secured as per the manufacturer's instructions; this is also a requirement for the Laws of the Game.

Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;

Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and

2018-2019

Regular inspections of goalposts must be carried out to check that they are properly maintained.

Portable goalposts should not be left in place after use. They should either be dismantled or removed to a place of secure storage, or placed together and suitable fixings applied to prevent unauthorised use at any time.

Goalposts which are "homemade" or which have been altered from their original size or construction should not be used under any circumstances as they potentially pose a serious safety risk

There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden goals should be replaced with British Standard compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

The FA and BSI, recognise the previous industry, standards for goalposts – BSEN 748 (2013) BS 8461:2005 +A1: 2009 and BS 8462: 2005 +A2: 2012 along with the new BS EN standard 16579. It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 is also available and copies of all of these standards are available from the BSI. Funding for the replacement of unsafe goals is available via the Football Foundation and eligibility criteria and further details can be obtained from their website.

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

THIRD GENERATION (3G) FOOTBALL TURF PITCHES

There continues to be significant interest in the use of Third Generation Football Turf Pitches (3G) for clubs in the National League System and below.

Much of this interest, both from leagues and clubs within the non-League pyramid, seeks to understand The FA's position regarding the sanction of these pitches, particularly in FA Competitions.

The FA Board and Council have now approved the use of such pitches in all FA competitions.

- FA Cup
- FA Trophy
- FA Vase
- FA Youth Cup
- FA Women's Super League, FA Women's Premier League, FA Women's Cup and FA WSL Continental Cup
- FA Sunday Cup
- FA County Youth Cup

The use of such pitches is however dependent on compliance with conditions of use – a copy of these is available for download and should be read in association with these notes.

It has been agreed that matches for steps 3 - 6 of the National League System, Womens Super League and FA competitions may be played on 3G Football Turf Pitches that conform to the FIFA 1 star/Quality performance standard, or the equivalent International Artificial Turf Standard (IATS)/ International match standard (IMS). (see specific notes in the league rules relating to steps 1 and 2 and the FA Cup competition rules relating to first round 'proper' fixtures involving professional clubs)

To qualify for use, the pitch must be certified annually as meeting the FIFA 1 Star/Quality or IATS/IMS Standard and listed on the FA's Register of 3G Football Turf pitches. The relevant certificate or report must be supplied to The FA and relevant competition for approval before play is allowed.

3G Football Turf pitches are also allowed to be used for matches for Step 7 and below (including youth competitions) subject to the pitch meeting the correct performance criteria (relaxed from the FIFA 1 star /Quality standard) and appearing on the FA 3G register. A pitch must be tested (by an accredited test institute) every three years and the certificate or report passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

Clubs should make their own risk assessment of whether such an installation is plausible or not given their individual circumstances and depending on the volume

2018-2019

of use. There is a risk that pitches may deteriorate over time and may not achieve the required standards at each period of retesting especially if the pitch has significant use and is not maintained appropriately.

It is suggested that clubs negotiate suitable longevity warranties from the pitch manufacturers to ensure that the pitch will last in line with the club's business plan and intended usage levels. A sinking fund should be established to ensure sufficient funds are available when the surface needs replacing.

Clubs are encouraged to understand the full maintenance required, which may be necessary to validate any warranty. The FA have found that most pitches that fail the performance test have insufficient maintenance. These pitches are not maintenance free and it is recommended that 1 hours maintenance is provided for every 10 hours use. This should increase for high activity use such as youth competitions or school use.

The FA together with representatives from the industry have prepared information regarding the design, installation, construction, maintenance and testing of Football Turf Pitches and The FA Facilities team can also offer advice to clubs considering installation. This information can be accessed within the facilities section of The FA's website www.TheFA.com.

GUIDANCE NOTES ON LINE MARKING OF FOOTBALL PITCHES

Various practices have been used in the past for the application of white, or other coloured, lines to football pitches. The objectives of such practices has been to both reduce labour and materials costs whilst endeavouring to keep the lines visible for a greater length of time. Some of these practices have led to injury and subsequent court action being taken against managers and clubs. You are therefore advised to study the following notes carefully.

A. LEGISLATION

The main governing factors for marking out white lines are the same as that for other routine tasks in the workplace.

Duty of Care

Under the Health & Safety at Work Act 1974 every employer has a duty of care to ensure the workplace is safe for their employees, contractors, visitors, players, and spectators.

- 2. The Control of Substances Hazardous to Health Regulations 2002 (COSHH) Regulations to prevent ill health from exposure to any hazardous substances present in the workplace.
- 3. Risk Assessment

2018-2019

You are required to carry out assessments on all tasks carried out in the workplace in relation to the nature of hazard, worst outcome, person(s) at risk, current precautions, estimated risk and further precautions.

If a risk assessment is correctly carried out this will ensure an appropriate line marking material is applied, ensuring best practice and, above all, safety of the groundsperson and players.

It is the duty of all Managers to ensure that all the regulations are adhered to as they are ultimately responsible in the eyes of the law. If line marking is carried out by contractors then a specification should be drawn up to include all the safeguards outlined in these guidance notes. This might also extend to include specifying a particular product however, the contractor should also provide a written risk assessment on the day of the line marking activity.

B. SUITABLE LINE MARKING COMPOUNDS

1. Permanent paints

Based on pigmented viscous liquid. These "paints" can be applied either in a diluted form or neat.

2. Powders

There are various non-toxic whiting powders available which are based on ground natural calcium carbonate and can be used wet or dry. They are safe to use provided COSHH regulations are adhered to. Under COSHH the user would eliminate the risk as much as possible, although in practice this might require the user to wear gloves and eye protection and to wash off any contact with the skin as a precautionary measure. Most powders are supplied in a fine form.

Only materials approved for use as a line marking material on a grass surfaces can be used on football pitches. An example of an illegal material is hydrated Lime (Calcium hydroxide). This should never be used for line marking. It is toxic and can give rise to chemical skin burns and irritations. It can cause serious damage to the eyes and skin on contact in both its dry or wet form. Its use is not approved or recommended under any circumstances.

C. USE OF HERBICIDES TO REINFORCE LINE MARKINGS

Until The Food and Environment Protection Act, 1985 (FEPA) was introduced many groundsmen and club members used various herbicides mixed in with whitening compounds to keep the lines in longer and more visible during the winter playing season.

It is, however, only permissible to use a herbicide which is approved for use on sports turf, and this is likely to be a total herbicide. COSHH and a suitable Risk Assessment must be carried out prior to any application. A further legal

2018-2019

consideration is that the user must have successfully obtained his/her Certificate of Competence in the Safe Use of Pesticides (PA1, PA2A or PA6A).

Any herbicide product for line marking must be used within the conditions of approval granted under The Control of Pesticide Regulations, 1986 (COPR), and subsequent amendments, and as outlined on the product label. There should be no risk to players by contact or transfer of the active herbicide to any part of the body. A Risk Assessment must always be carried out prior to any use of these materials to a grass surface.

The addition of herbicides to whitening materials is not a recommended practice however, there may be approved products available which might be considered in some circumstances.

Play safe – use only safe and approved materials. Do not use old materials as they may no longer be approved for use.

D. MACHINES AVAILABLE TO MARK LINES

Marking machines fall into the following categories.

1. Dry Line Markers

As the name implies, these are for applying dry powder compounds.

2. Pressure Pump Markers

A wheel driven pump forces marking fluid through a jet or spout directly onto the turf surface.

3. Electric Pump Markers

These are battery driven to constantly maintain the required pressure and direct the liquid onto the turf surface.

4. Belt Feed Markers

These have a moving belt system which conveys a continual supply of liquid onto the turf surface by contact

5. Wheel Transfer Markers

These Regulations are made pursuant to FA Rule J2 and The Association's Regulation's for the Registration and Control of Referees. Clubs are also referred to the Laws of the Game.

All references to a club or clubs in these Regulations include any team, whether or not part of a club.

Clubs participating in International competitions must also comply with all relevant regulations of FIFA, UEFA and other Confederations.

It is recommended that clubs and football boot and clothing manufacturers seeking clarification of any of the regulations do so by referring to the specific competition rules and The Association.

We would encourage clubs and football boot and clothing manufacturers to seek feedback at the earliest possible time, in relation to designs and advertising from The Association and their specific competition. Clubs and manufacturers are reminded to obtain the necessary permissions before manufacture.

A. GENERAL

- 1. Save as set out in these Regulations, Advertising on Clothing and Football Boots is prohibited during the period of a Match. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the Advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of Clothing during any pre-match warm-up, ceremony or player line up that bear any slogan or message not otherwise covered by these Regulations (for example but not limited to a message of support regarding an ill team-mate).
- 2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the Advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
- 3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.
- 4. The appearance on, or incorporation in, any item of Clothing (including Football Boots) of any distasteful, threatening, abusive, indecent, insulting, discriminatory or otherwise ethically or morally offensive message, or any political message, is prohibited. The Advertising of tobacco products is prohibited.
- 5. A Club shall observe all recognised Advertising standards and in particular those of the Advertising Standards Authority.
- 6. Advertising entailing the use of numerals is permitted only if such numerals clearly form part of the Advertising and cannot in any way be confused with Players' shirt numbers.

2018-2019

- 7. No colour or design may be used in Advertising that might create problems of identification for Match Officials and/or opponents. The colour and design of the Clothing of opponents, goalkeepers and match officials must be taken into account.
- 8. Without limiting the effect of the above, in the case of a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of Clothing of any reference whatsoever to a product, service or other activity which is considered by The Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players, is prohibited.

It is the view of The Association that examples of such products, services or related activities would include, but are not limited to, age restricted products, services and related activities such as alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, clubs should contact The Association to seek approval.

- 9. Any issues arising in relation to the interpretation or effect of these Regulations shall be referred to The Association for its determination, which shall be final and binding (subject to provisions relating to Match Officials).
- 10. A Club shall supply on demand to The Association any item of Clothing for consideration as to whether it complies with these Regulations.

MEASUREMENT PROCEDURES

In order to help clubs maximise the space for their sponsors within the regulations, we have provided some practical examples of how The FA would measure sponsor advertising on football club shirts.

If you would like assistance or require clarification of measurement and sizing relevant to your club sponsor, please email sanctioning@TheFA.com

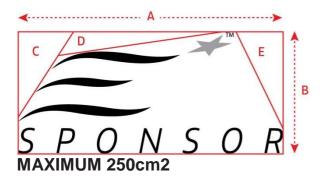

(A multiplied by B)

(A multiplied by B less C + D)

Items on kit will be measured according to their smallest geometric form (square, rectangle, triangle, circle etc), and the dimensions calculated using the usual mathematical formula.

To calculate the surface area, the widest part of the items will be measured from edge to edge. Exceptionally, items may be divided into several individual geometric forms for the purpose of calculating the surface area.

(A multiplied by B less C + D + E)

MEASUREMENT PROCEDURES OF NEUTRAL COLOURED PATCHES/SHIRT COLOURS

A. Sponsor advertising on a neutral coloured patch – i.e. white sponsor logo on a black patch on a predominantly white/green shirt.

In this scenario the area measured would be the total area covered by the black patch on which the logo sits.

B. Sponsor advertising on a patch which is based on one of the main colours of the shirt – i.e. white sponsor logo on a red and white striped shirt.

In this scenario the area measured would only be that around the sponsor's logo even if this logo may stand out more prominently because of the white stripes in the shirt.

C. Measuring of a 'chest ring' – e.g. the white band around a club's shirt

If a club's traditional shirt contains a chest ring and that is one of the official colours of the playing kit, the area that is measured will only be around the sponsor's logo and not the whole of the chest ring.

D. MATCH OFFICIALS

No Advertising of any nature, save as set out below, is permitted on Match Officials' Clothing or Football Boots without the consent of The Association.

The following Advertising is permitted:

- The mark, logo or name of a Clothing manufacturer or a combination of the same, may appear:
 - (a) once only on the shirt provided it is an area no greater than 20 square centimetres.
 - (b) once only on the shorts provided it is an area no greater than 12 square centimetres.
 - (c) incorporated into the design of the socks, but must be limited to an area no greater than 12 square centimetres.

2018-2019

Jacquard Weave

A jacquard weave or similar technique such as embossing shall be allowed providing each is limited to 20 square centimetres, with unlimited repeats being acceptable. The design of such jacquard weave may be the manufacturer's mark, logo or name. The jacquard weave shading shall be restricted to two shades differing from the base colour, using a standard Pantone reference manual.

Sponsor Advertising

Sponsor Advertising is permitted only on shirt sleeves and the total surface area of the Advertising shall not exceed 200 square centimetres. Any sponsorship contract must be made between the sponsor and The Association or Professional Game Match Officials Limited. Individual Affiliated Associations or Leagues are not permitted to enter into sponsorship contracts.

Badges

Match kit shirts may carry the recognised badge of the appropriate Competition once only, which must be on either site of the breast pocket. This badge must not exceed an area of 20 square centimetres and, where it contains the established trademark, trade name or logo of a sponsor of the Competition, must be approved by The Association in advance.

In addition to the recognised competition badge the match kit shirt may carry once only on either site of the breast pocket an officially designated badge of FIFA, The Association, the relevant Affiliated Association or the Referees' Association (where relevant).

Sock Tie-Up

Each sock tie-up may show the name and/or badge of appropriate Affiliated Association or the Referees' Association providing it does not exceed an area of 100 square centimetres.

No Advertising is allowed.

Guidance for Club Welfare Officers

All clubs and Leagues with youth (under 18) teams are required to have in place a qualified Club Welfare Officer (CWO).

Whole Game System

One of the key roles of the CWO is to ensure that all coaches and assistants who are working with young children in their club have all the relevant safeguarding qualifications including an in date DBS (CRC) check. The Whole Game Portal can be accessed by all CWOs allowing them to view their club officials and coaches safeguarding qualifications and CRC status. To log on to the Whole Game Portal please go to: https://wholegame.thefa.com.

CWO's are supported in their role by the following resources:

- The Safeguarding section of the Cornwall FA website:
 http://www.cornwallfa.com/about/rules-and-regulations/safeguarding-and-welfare
- The Safeguarding section of the FA website: http://www.thefa.com/football-rules-governance/safeguarding CWO's are encouraged to make use of the 'Best Practice Guidance' on the downloads page, it provides advice on many aspects of youth football from using a club Facebook page, to taking players on tour, gaining consent from parents/carers regarding taking photographs etc

Clubs with Multiple Youth Teams:

The FA recommend that large and expanding clubs consider recruiting additional CWOs to share the workload and increase the visibility and awareness of safeguarding at their club. As an example clubs might want to have a separate CWO responsible for the boys and girls teams; or CWO's for different age groups.

2018-2019

ABOUT

Whistle-blowing can be used as an early warning system or when it's recognised that appropriate actions have not been taken. This approach or policy is adopted in many different walks of life. It is about revealing and raising concerns over misconduct or malpractice within an organisation or within an independent structure associated with it.

WHAT TO DO?

Any adult or young person with concerns about a colleague can also use whistle-blowing by calling 0800 169 1863 and asking for The FA's safeguarding team, or via email on safeguarding@TheFA.com. Alternatively you can go direct the Police or Children's Social Care and report your concerns there, or to the Child Protection in Sport Unit via cpsu@nspcc.org.uk

Appointing a Club Welfare Officer (CWO)

Safeguarding children is everyone's responsibility – including The FA's, as the game's governing body in this country.

It is FA policy that, to be able to affiliate every club which runs an under-18 team that club must have a Club Welfare Officer who has:

- An 'accepted' CRB check via The FA CRB Unit
- Completed The FA Safeguarding Children Workshop
- Completed The FAWelfare Officer Workshop

Key Roles and Responsibilities

The Club Welfare Officer has two key responsibilities these are:

- To be clear about the clubs responsibilities when running activities for children and young people.
 - This involves:
- Ensuring these responsibilities are well understood by others
- Working with the Youth League Welfare Officer
- Working with the County FA (CFA) Welfare Officer and other CFA staff as appropriate, (e.g. CFA Disciplinary staff)
- Helping to develop best-practice processes and promoting The FA's Respect Programme
- To help club personnel understand what their 'duty of care' towards children and young people actually means and entails on a day-to-day basis

It is essential that the Club Welfare Officer is perceived as being approachable, having a child centred approach and the ability to maintain this perspective when carrying out their role.

The type of person that would make a good Club Welfare Officer is someone who:

- Always puts children's welfare first
- Is a good communicator
- Has a common sense approach
- Is willing to learn and seek advice
- Is over the age of 18
- Is committed to working collaboratively within footballs designated persons network

Where to start

- Make it known amongst your club's members including parents/carers that you need to appoint a Welfare Officer onto the committee.
- Provide all members including parents/carers with the relevant information about this role
- Find out if anyone involved with the club or who is known by someone in the club has any professional child protection expertise, you may have someone with a family member who is or was a police officer, teacher or social worker that might be willing to take on the role.
- Ensure you have a fair and open recruitment process in line with your club constitution, you may wish to advertise the role on your club website, through quarterly/monthly communications you already have in place.
- Before appointing your Welfare Officer ensure that you have considered their appropriateness for this role by checking them against The FA's Safeguarding Children Person Specification and Suitability Checklist.

Club Welfare Officer Roles and Responsibilities

As a Club Welfare Officer you have two key responsibilities these are:

- To be clear about the clubs responsibilities when running activities for children and young people. This involves:
- ensuring these responsibilities are well understood by others
- working with the Youth League Welfare Officer (YLWO)
- · working with your County FA Welfare Officer
- promoting The FA's Respect Programme and helping to develop best practice processes
- To help club personnel understand what their 'duty of care' towards children and young people actually means and entails on a day-to-day basis.

In order to carry out your responsibilities you need to follow these five simple steps:

a) Put in place:

- a safeguarding children policy, anti-bullying policy and equality policy
- responsible recruitment processes including the taking up of references and submitting FA CRB checks (getting the right people into the game)
- The FA Respect Programme codes of conduct

b) Understand:

- what the Respect Programme aims to do
- the benefits of implementing the Respect codes
- the quick wins to be gained by using The FA's safeguarding children best practice guidance (e.g. Travel, Trips and Tournaments, Photography guidelines, Anti-builying Policy and Safeguarding Children Policy Tempiate)
- why certain roles require an FA CRB check and how The FA CRB process works
- · how to refer a concern about the welfare of a child

c) Communicate with:

- club officials about the Respect Programme and its aims
- parents/spectators and get them to sign up to the Respect codes
- parents and new players by getting involved with running 'start of season' welcome sessions for members
- coaches and managers about the importance of being consistent role models for their players
- your Youth League Welfare Officer Introduce yourself, find out how they can support you and let them know what you are doing to safeguard children in your club
- your County FA Welfare Officer if you need help or advice
- The FA by taking part in surveys, questionnaires, focus groups as and when asked

d) Encourage:

- parents to complete the Respect education programme
- coaches, team managers, first aiders/medics to complete The FA's Safeguarding Children Workshop
- coaches and team managers to listen to their players thoughts, ideas and views
- the committee to make use of the Respect Programmes designated spectator area at all games

e) Monitor:

- repeated incidents of poor behaviour and liaise with your committee (and where necessary Youth League Welfare Officer or County FA Welfare Officer)
- compliance with FA CRB checks through The FA CRB Unit for those who require one using The FA Safeguarding Online System

GUIDANCE FOR ADULT CLUBS WITH U18's PLAYERS

Cornwall FA is aware that there are many 16 and 17 year old players looking to play in Open Aged Football. This is a fantastic opportunity for these young players to progress and be challenged both technically and physically, however officials, managers and players must also recognise that these young players are still minors.

There are many ways that a club can ensure these young players are enjoying their football in a safe environment:

- Manager/Coach should speak with the U18's player about their expectations of joining the team, including playing time and their role within the team.
- Manager/Coach to discuss with the U18's player and his/her parents about the changing room environment and what can be expected; i.e. swearing, banter and alcohol being consumed.
- Ensure that the U18's player feels comfortable should he/she not wish to change in the changing room, but arrives and departs wearing his/her kit.
- Encourage your team captain to mentor the young player throughout the season and ensure the other players on the team are mindful of the player's age.
- Safeguard the U18's player at all times, but particularly during matches to ensure that he/she is not subjected to verbal or physical abuse by opposing players trying to intimidate them.
- Manager/Coach should make the match official aware that you have an U18's player on your team.
- Discourage demeaning initiation (hazing) rituals.
- Think about the travel arrangements for both home and away matches for U18' players.

THE ASSOCIATION'S SAFEGUARDING CHILDREN POLICY

Every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football, thus every club is required to endorse and adhere to The Association's Safeguarding Children Policy.

The Association recognises its responsibility to safeguard the welfare of children and young people who play or participate in football by protecting them from abuse and harm. The Association is committed to working to provide a safe environment for all children and young people to participate in the sport to the best of their abilities for as long as they choose to do so.

The Association recognises that the terms 'child or young person', 'abuse' and 'harm' are open to interpretation and challenge but for the purpose of this Safeguarding Children policy they are defined as follows:

A child or young person shall be defined as:

'anyone who has not yet reached their 18th birthday.'

Abuse shall be defined as:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Independent Safeguarding Authority (ISA) or the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to children;

 - 3.2 Notification that an individual is the subject of an investigation by the Police, Children's Services or any other authority relating to an Offence; or
 - 3.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children,

The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 6.

- 4.1 In determining whether an order under Regulation 3 should be made, the Case Manager shall give consideration, inter alia, to the following factors:
 - 4.1.1 Whether a child is or children are or may be at risk of harm;
 - 4.1.2 Whether the matters are of a serious nature; and/or
 - 4.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 3 should be made and/or to properly assess the factors in Regulation 4.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.

- 4.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order, such notification to be sent by registered post to the individual's usual or last known address.
- 5. An individual who is subject to an interim order under Regulation 3 or under Regulation 2.6 shall have the immediate right to appeal the interim order.

2018-2019

- 6. Appeals under Regulation 5 shall be considered by the Safeguarding Review Panel.
- 7. To bring an appeal under Regulation 5, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager.

Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel.

- 8. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):
 - 8.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
 - 8.2 Whether exceptional material is put before the Safeguarding Review Panel.
- 9. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including ratifying, modifying or removing it.

2018-2019

- 10. Any appeal under Regulation 5 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
- All interim orders will be reviewed at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 5, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 11 shall be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 5. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate.
- 12. The total period of an interim order under Regulation 3 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH CHILDREN

 - 13.1.1 Barred from regulated activity relating to children in accordance with section 3 of the Safeguarding Vulnerable Groups Act 2006 (as may be amended);

- 17. The Case Manager shall reach this decision on the basis of a risk assessment of that individual's suitability for such participation. This risk assessment may be in such form and prepared by any person, as the Case Manager, at his/her discretion, considers appropriate.
- 18. Before a referral is made under Regulation 16, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.
- 19. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose any order under Regulation 15.

If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
- 22. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case referred to it under Regulation 16. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:
 - 22.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 22.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 22.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 22.4 Any response from the individual to such further written material and all other written material submitted with that response.

THE FOOTBALL ASSOCIATION'S SAFEGUARDING ADULTS AT RISK POLICY

DEFINITIONS

For the purpose of this Policy the following definitions apply:

Adult at Risk

A person aged 18 or over who has needs for care and support (whether or not a local authority is meeting any of those needs); and

- is experiencing, or at risk of, abuse or neglect; and
- as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

2. Abuse

Abuse is defined as a violation of an individual's human and civil rights by any other person or persons. It includes acts of commission (such as an assault) and acts of omission (situations where the environment fails to prevent harm). Abuse may be single act or omission or series of acts or omissions.

Capacity*

Capacity refers to an individual adult's ability to take a specific decision or take a particular action at a particular time even if they are able or not able to make other decisions at other times. The starting point should be that the person has capacity to make a decision unless it can be established that they cannot.

POLICY

The Association is committed to football being inclusive and providing a safe and positive experience for every adult participant involved in the game regardless of age, gender, gender reassignment, disability, culture, language, race, faith, belief or sexual orientation.

The Association recognises that some adult participants some may need additional safeguards and/ or protection. These adults are referred to as Adults at Risk.

2018-2019

The Association recognises its responsibility to safeguard and protect Adults at Risk, and to respond appropriately to any allegations or suspicions

Adults at Risk has a responsibility to commit to this.

If abuse is suspected, or reported, The Association will work in partnership with the Adult at Risk wherever possible, depending on their capacity and the risk to them and others. The Association will also work in partnership with the police, the Disclosure and Barring Service, Safeguarding Adults Boards and local authorities so these organisations can carry out their statutory duties to safeguard and protect Adults at Risk. When responding to abuse or allegations of abuse and considering the sharing of information, The Association will put the needs of the adult first, work in their best interests and take into account the six principles of safeguarding adults detailed in the Care Act 2014: empowerment; protection; prevention; proportionality; partnership; and accountability. These principles will underpin all work with Adults at Risk.

In assessing that suitability, the welfare of Adults at Risk is the paramount consideration. Towards this, The Association has the power under the Safeguarding Adults at Risk Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;

- 1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.

Any person, regardless of their age, applying for or currently in such positions that The Association in its discretion considers relevant whose duties include regularly caring for, training, supervising, administering treatment and/or therapy or medical treatment to an Adult at Risk may be required by The Association to comply with the requirements of The Association's Safeguarding Adults at Risk process. These requirements are:
- 3.1 To obtain and provide to The Association a DBS Enhanced Criminal Records Check (to include the Adults Barred List check where the duties fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012) or to obtain and provide to The Association a DBS Enhanced Criminal Records Check without a check of the adults barred list where the duties do not fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012 or other DBS check according to role.

Any person who fails to comply with any of the requirements set out in Regulation 3 shall be subject to an immediate suspension from football activity, on such terms and/or for such period as The Association may stipulate.

Where an individual is subject to a suspension under Regulation 3.6, that suspension will remain effective (and not subject to any review by The Association) until such time as:

(i) The individual successfully appeals against their suspension pursuant to Regulation 6; or

2018-2019

(ii) The individual complies with the requirements set out in Regulation 3 that resulted in his or her suspension.

Any requirement under this Regulation 3, or any suspension arising from any failure to comply with any requirement of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

INTERIM ORDERS

- 4. Upon receipt by The Association of:
 - 4.1 Notification that an individual has been charged with an Offence;
- 4.2 Notification that an individual is the subject of an investigation by the Police

or any other authority relating to an Offence; or

- 4.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to an Adult at Risk, The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 7.
- 5.1 In determining whether an order under Regulation 4 should be made, the Case Manager shall give consideration, inter alia, to the following factors
 - 5.1.1 Whether Adults at Risk may be at risk of harm from the individual
 - 5.1.2 Whether the matters are of a serious nature; and/or
- 5.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 4 should be made and/or to properly

2018-2019

assess the factors in Regulation 5.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.

- 5.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order, such notification to be sent by registered post to the individual's usual or last known address.
- 6. An individual who is subject to an interim order under Regulation 4 or under Regulation 3.6 shall have the immediate right to appeal the interim order.
- 7. Appeals under Regulation 6 shall be considered by the Safeguarding Review Panel.
- 8. To bring an appeal under Regulation 6, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager. The notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel.
- 9. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):
- 9.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
- 9.2 Whether exceptional material is put before the Safeguarding Review Panel.

2018-2019

- 10. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including ratifying, modifying or removing it.
- 11. Any appeal under Regulation 6 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
- 12. All interim orders will be reviewed at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 6, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 12 shall be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 6. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate.
- 13. The total period of an interim order under Regulation 4 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 4 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH ADULTS AT RISK

14.1 Where any individual is:

2018-2019

- 14.1.1 Barred from regulated activity relating to Adults at Risk;
- 14.1.2Included in the list of individuals considered unsuitable to work with Adults at Risk, as kept by the Disclosure and Barring Service (DBS); and/or
- 14.1.3 Subject to any other order, not within Regulation 14.1.1 or 14.1.2, issued pursuant to statute restricting their involvement with Adults at Risk,

The Association shall have the power to make any order, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate. Any such order shall be issued by the Case Manager.

- 14.2 The Case Manager shall notify the individual in writing of the order and shall invite the individual to make any written representations within 14 days as to why the order should not be ratified by the Safeguarding Review Panel.
- 14.3 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. In reviewing the order the Safeguarding Review Panel shall consider any written material submitted by the individual in accordance with Regulation 14.2, together with all written material submitted by the Case Manager. The Safeguarding Review Panel may ratify, modify or remove any such order, or make any other order as it considers appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

- 15.1 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.
- 15.2 Where a case is to be considered by the Safeguarding Review Panel under Regulation 15.1, the Case Manager shall notify the individual in writing and shall invite the individual to make any written representations within 14 days.
- 15.3 Before making any order under Regulation 15.1, the Panel shall consider all information gathered in respect of an individual including, where applicable, information gathered pursuant to The Association's CRC process under Regulation

3, any written representations made by the individual under Regulation 15.2, together with all written material submitted by the Case Manager.

ORDER FOLLOWING RISK ASSESSMENT

- 16. In addition to The Association's powers under Regulations 3.6, 4, 14 and 15 the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to Adults at Risk and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.
- 17. Cases may be referred to the Safeguarding Review Panel in order to seek an order under Regulation 16 by the Case Manager where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving Adults at Risk.
- 18. The Case Manager shall reach this decision on the basis of a risk assessment of that individual's suitability for such participation. This risk assessment may be in such form and prepared by any person, as the Case Manager at his/her discretion, considers appropriate.
- 19. Before a referral is made under Regulation 17, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 25.
- 20. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose any order under Regulation 16.
- 21. Following the receipt of the reply and/or written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
- 21.1 Decide that no further action is currently required as there are no longer grounds for a referral under Regulation 17;
- 21.2 Make any such further inquiries as he or she considers appropriate in light of any matters raised by the individual in response to the written notification; or

2018-2019

- 21.3 Refer the case to the Safeguarding Review Panel under Regulation 17.
- 22. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may only be relied on by the Case Manager in applying for any order under Regulation 16 if that written material has been sent to the individual and he or she has had 14 days to reply to it, save for any exceptional material dealt with under Regulation 25. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
- 23. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case referred to it under Regulation 17. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:
- 23.1 The written notification and all written material provided with it by the Case Manager to the individual;
- 23.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
- 23.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
- 23.4 Any response from the individual to such further written material and all other written material submitted with that response.
- 24. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:
- 24.1 Whether the terms of any order under consideration would affect the individual's paid employment within football in which case the individual shall be entitled to address the Safeguarding Review Panel in person;
- 24.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
- 24.3 Whether an oral hearing has previously been conducted pursuant to Regulation 10 in relation to the same matter.

EXCEPTIONAL MATERIAL

- 25.1 In considering an interim order under Regulation 6, a review of any interim order under Regulation 12, or whether or not to make any order under Regulation 16, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 25.2 Exceptionally, in respect of any of the matters set out at Regulation 24.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:
- 25.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
- 25.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 25.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 25.2, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
 - 25.3.1 Create a risk of harm to any person or persons; and/or
 - 25.3.2 Amount to a criminal offence or otherwise be unlawful.
- 25.4 Any reply by an individual to a notice referred to in Regulation 25.3 must be passed to the Exceptional Material Panel for consideration.
- 25.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 25.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
 - 25.6.1 A redacted version of the exceptional material; and/or,
 - 25.6.2 A summary of the exceptional material.

25.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 25.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 17 in relation to that individual.

OTHER ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

26. Following a referral under Regulation 16, in addition to its ability to make an order under Regulation 17, the Safeguarding Review Panel may make any other order consistent with the aims of the Adults at Risk Policy that it considers appropriate in the circumstances.

SUPERVISION ORDERS

27. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order.

DISCRETION TO REFER TO THE SAFEGUARDING REVIEW PANEL

- 28. Any of the powers and/or case management functions exercised by a Case Manager under these Regulations may instead be exercised by the Safeguarding Review Panel if the Case Manager, in his or her sole discretion, determines that the matter should be referred to the Safeguarding Review Panel ("a general referral"). The Case Manager shall make a general referral to the Safeguarding Review Panel where the facts and circumstances of a case are exceptional and/or of significant public interest, though the Case Manager's discretion to make a general referral will not be limited to such cases.
- 29. Where the Case Manager makes a general referral to the Safeguarding Review Panel, the same rights of review and appeal arise as if the decision of the Safeguarding Review Panel had been made by the Case Manager. Any review or appeal of the decisions of the latter will be heard by a Safeguarding Review Panel, none of the members of which shall have been a member of the Safeguarding Review Panel which was involved in any earlier decision on that case.

Subject to Regulation 30.2, such appeals shall be conducted in accordance with the Appeal Regulations. Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.

30.2 Notwithstanding any provision to the contrary in the Appeal Regulations, an Appeal Board convened to hear an appeal pursuant to Regulation 30.1 shall take place as a full rehearing of the case.

30.3 Any decision of the Appeal Board shall be final and binding with no further right of appeal.

SECTION ONE: PROVISIONS APPLICABLE TO CATEGORIES 1, 2 AND 3 TOGGLE SECTION AS FAVOURITE

CHARGES

- The Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section One. In deciding whether or not to issue a Charge, The Association will have particular (but not exclusive) regard to the following:
 - 5.1 any applicable Law(s) of the Game or Rules and Regulations or FIFA instructions and/or guidelines;
 - 5.2 the nature of the incident, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - 5.3 where applicable, the level of force used;
 - 5.4 any injury to any Participant caused by the incident;
 - 5.5 any other impact on the Match in which the incident occurred;
 - 5.6 the prevalence of the type of incident in question in football generally;
 - 5.7 the wider interests of football in applying consistent sanctions.
- A Regulatory Commission considering a Charge pursuant to paragraph 5 above shall have regard to any standard punishment imposed pursuant to paragraphs 23 to 32 below for the same incident when considering any penalty in accordance with paragraph 40 of Part A: General Provisions Section Two.
- 7 The Association may issue a Charge against a Club at any time during the playing season in relation to cautionable or sending-off offences committed by Players of the Club.

MATCH OFFICIALS' REPORTING OF OFFENCES TO THE ASSOCIATION

- Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 9 Referees must submit a report to The Association following a Match stating the cautionable and/or sending-off offences. In the case of sending-off offences, the Assistant Referees must also submit a report.
- 10 The deadline for the submission of report(s) to The Association under paragraph 9 is:

2018-2019

- 10.1 for Matches falling within Category 1, 12 noon the day following the Match; or
- 10.2 for Matches falling within Categories 2 and 3, within two days of the Match (excluding Sundays).

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 11 A Player who has been cautioned or sent off in a Match will be notified by The Association, through their Club, of:
- 11.1 the cautionable and/or sending-off offence reported by the Referee to The Association;
 - 11.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section One during the current playing season; and
 - 11.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions or the sending-off offence pursuant to paragraphs 23 to 32 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section One.
- An administration fee of £10.00 will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 11. It is the responsibility of the Club to collect the administration fee from the Player and forward it to The Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE AND SENDING-OFF OFFENCES)

- 13 Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out in Fast Track 3 of the Fast Track Regulations.
- 14 Where, despite there being clear evidence that there is a case of mistaken identity, a Player or their Club does not submit a claim within the specified time limits, The Association may within seven days of the incident request a Regulatory Commission to review the matter. A Club failing to submit a claim for mistaken

identity may be charged with Misconduct by The Association if there is evidence that the Club sought to gain an advantage by remaining silent on the matter.

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

- 15 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in Fast Track 4 of the Fast Track Regulations. In order to demonstrate that the decision was wrongful, the Player / their Club must establish that the Referee made an obvious error in sending off the Player.
- A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a receiving a second caution in the same Match.
- 17 Notwithstanding the outcome of the claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.
- 18 Where a Player or their Club:
 - 18.1 submits a notification of their intention to claim wrongful dismissal in accordance with the provisions of Fast Track 4 of the Fast Track Regulations but fails to complete the claim; or
- 18.2 withdraws a complete claim prior to it being considered by a Regulatory Commission,
 - 18.3 withdraws a complete claim prior to it being considered by a Regulatory Commission, and, in either case, The Association believes that the notification or claim of wrongful dismissal had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.

CLEARLY EXCESSIVE OR CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

- 19 In truly exceptional circumstances:
 - 19.1 a Player and their Club may seek to limit the disciplinary consequences of a sending-off offence by making a claim that the standard punishment would be clearly excessive in accordance with the procedure set out in Fast Track 5 of the Fast Track Regulations. In bringing such a claim, the Player / their Club must establish that the circumstances of the particular sending-off

2018-2019

offence were truly exceptional, such that the standard punishment otherwise applicable to that sending-off offence would be clearly excessive. Such claims may only be made by a Player and their Club for the following sending-off offences: (a) using offensive, insulting or abusive language and/or gestures; (b) serious foul play; (c) violent conduct; or (d) spitting at an opponent or any other person.

- 19.2 The Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient in accordance with the procedure set out in Fast Track 6 of the Fast Track Regulations. The Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to that sending-off offence would be clearly insufficient. Such claims may only be made by The Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.
- The ability to claim under paragraphs 19.1 and 19.2 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 27 below will be appropriate and will be applied.
- 21 Notwithstanding the outcome of a claim made pursuant to paragraph 19.1 or paragraph 19.2 above:
 - 21.1 The Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 15 above; and
 - 21.2 the sending-off offence:
 - 21.2.1 will remain on the record of the Club and the Player;
- 21.2.2 will remain the subject of the administration fee set out in paragraph 12 above; and
- 21.2.3 will still accrue the applicable number of penalty points as set out in paragraph 62 below.
- 22 Where a Participant:

2018-2019

- 22.1 submits a notification of their intention to make a claim that the standard punishment is clearly excessive in accordance with the provisions of Fast Track 5 of the Fast Track Regulations but fails to complete the claim; or
- 22.2 withdraws a complete claim prior to it being considered by a Regulatory Commission, and, in either case, The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.

- 26 Where a Player accumulates 20 cautions in certain Competitions (as set out in Tables 1, 3 and 5) during a playing season, that Player shall be required to attend a Regulatory Commission within seven days of the date of the last caution. The Regulatory Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player.

- 27 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.
- 28 The relevant automatic suspensions and/or fines arising from a sending-off offence by a Player and the Competition(s) in which the automatic suspensions are to be served are as set out in:

2018-2019

- 30 EFL Trophy only: a Player who, in the same playing season, has previously been sent off in an EFL Trophy Match (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to an EFL Trophy Match) will be automatically suspended for one extra EFL Trophy Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.
- 31 Category 2: a Player who, in the same playing season, has previously been sent off in a Match falling within Categories 1 or 2 will be automatically suspended for one extra Match falling within Category 2 for each such previous sending-off offence, in addition to the automatic suspension applicable to the latest sending-off offence.

Commencement of Suspension

- 33 Categories 1 and 2: a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player associated with a Club in Categories 1 and 2 will commence forthwith, save for where a Player / their Club have brought a claim under paragraphs 13 in relation to a cautionable or sending-off offence or paragraph 15 above in relation to a sending-off offence.
- 34 Category 3: a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player of a team in Category 3 will commence on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence (in relation to sending-off offences), save for where a Player / their Club have brought a claim under paragraph 13 in relation to a cautionable or sending-off offence or paragraph 15 in relation to a sending-off offence.

- 36 Category 2: a period of suspension applicable to a Player associated with a Club in Category 2 will, where the period of suspension arises from either an accumulation of cautions or a sending-off offence, apply to the relevant number of Non-First Team Competitive Matches (as set out in Tables 3 and 4) played during the period between the opening date in the League in which their Club's first team participates to the final Match of any Competition in which their Club is participating during that playing season.

Any dispute in relation to this paragraph 36 above shall only be dealt with by a Regulatory Commission on written submissions. Such written submissions must be received by The Association within three days of the suspension notice being received by the Player's Club.

37 Category 3: a period of suspension applicable to a Player associated with a team in Category 3 will:

2018-2019

- 37.1 only constitute a suspension from playing Saturday Football for teams competing at Steps 2-4 of the National League System, save for a period of suspension arising from sending-off offences for serious foul play, violent conduct or spitting which will constitute a suspension from Saturday Football of any kind during the relevant period;
- 37.2 where the period of suspension arises from a sending-off offence, encompass a suspension from Friendly Matches during the relevant period (Friendly Matches will not however count towards the service of such a suspension); and
- 37.3 where a suspension is as a result of a Charge, also constitute a suspension from playing any Match falling within Category 5.

38 In exceptional cases, a Player may make a claim to The Association that a suspension is disproportionately harsh, due to the period of time required to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension to a Football Category-specific suspension.

Re-arranged Matches

39 A Regulatory Commission may determine that a Match shall not count towards the service of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension so that the Player may be eligible to play in a particular Match.

Collection of Fines

40 The Player's Club is responsible for collecting from the Player any fine payable pursuant to paragraph 23 and/or 27 above and forwarding the amount to The Association upon request.

 - 47.1 Until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which that Player moves;

- 13 An Affiliated Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 14 A Player who has been cautioned or sent off in a Match will be notified by the relevant Affiliated Association, through their Club, of:
- 14.1 the cautionable and/or sending-off offence reported by the Referee to the Affiliated Association;

2018-2019

- 14.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section Three during the current playing season; and
- 14.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions or a sending-off offence pursuant to paragraphs 48 and 51 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section Three.
- 15 An administration fee of £10.00 will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 14 above. It is the responsibility of the Club to collect the administration fee from the Player and forward it to the Affiliated Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE OR SENDING-OFF OFFENCES)

Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out at paragraphs 17 to 18 below.

Making a Claim of Mistaken Identity

- 17 To make a claim of mistaken identity, the Players concerned and their Club must submit to the Affiliated Association:
- 17.1 written particulars upon which the claim is founded (which must include identifying specifically the name of the Player responsible for the relevant offence):
 - 17.2 any evidence in support of the claim; and
 - 17.3the relevant fee as set out in paragraph 34.
- The relevant timings for a Player or their Club to make a claim of mistaken identity are as follows;

	TIMINGS	GENERAL GUIDE*

* based on a Match taking place on Saturda	y or Sunday	

2018-2019

Disciplinary Commission Procedure

19 If the Affiliated Association is satisfied that the claim of mistaken identity warrants further investigation, a Disciplinary Commission shall be convened and will meet before any automatic suspension is due to take effect.

20 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.

21 If the appointed Disciplinary Commission is satisfied that the claim of mistaken identity has been proven, the record of the offence will be transferred to the appropriate offender, who will be subject to any applicable disciplinary consequences in accordance with this Section Three.

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

General

22 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in paragraphs 24 to 26 below. In order to demonstrate that the decision was wrongful, the Player and/or their Club must establish that the Referee made an obvious error in dismissing the Player.

23 A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a) receiving a second caution in the same Match or b) using offensive, insulting or abusive language and/or gestures.

Making a Claim of Wrongful Dismissal

24 Where a Player and their Club intend to make a claim of wrongful dismissal, they must notify the Affiliated Association that they intend to make such a claim. Notification can be provided to the Affiliated Association by fax or email. If confirmation is provided via email it should be sent to discipline@[insert name of county]fa.com – for example discipline@kentfa.com

2018-2019

- 25 To make a claim of wrongful dismissal, the Player and their Club must submit to the Affiliated Association:
- 25.1 Written particulars upon which the claim is founded;
- 25.2 Any evidence in support of the claim (this must include video footage showing the incident if available); and
 - 25.3 The relevant fee as set out in paragraph 34.
- 26 The relevant timings for a Player and their Club to make a claim of wrongful dismissal are as follows:

	TIMINGS	GENERAL GUIDE*
Notification of Intention to Submit a Claim	5pm on the second Business Day following the incident	Tuesday
Claim / Evidence	5pm on the fourth Business Day following the incident	Thursday
Disciplinary Commission	To be determined prior to the suspension being served.	Friday
* based on a Match taking place on Saturday	or Sunday	

- 27 Upon receipt of a claim of wrongful dismissal by the Affiliated Association, it will determine whether the claim is capable of acceptance by determining whether the claim complies with the requirements set out at paragraph 25 above and the timings set out at paragraph 26 above.
- 28 Claims of wrongful dismissal accepted by the Affiliated Association will be placed before a Disciplinary Commission for consideration as soon as possible but no later than the date upon which an automatic suspension is due to take effect.

<u>Disciplinary Commission Procedure</u>

29 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.

2018-2019

- 30 After considering the evidence, the Disciplinary Commission will decide whether the claim of wrongful dismissal is rejected or is successful. A claim will only be successful where the Disciplinary Commission is satisfied that the Referee made an obvious error in dismissing the Player.
- 31 If the claim of wrongful dismissal is successful, the automatic suspension will be withdrawn the fee is returned to the Player and their Club. If the claim is unsuccessful, the fee is not returned to the Player and their Club.
- 32 Where the standard punishment is withdrawn, the sending-off offence shall not be counted for the purposes of paragraph 53 below.
- 33 Notwithstanding the outcome of a claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.

FEE FOR CLAIMS OF MISTAKEN IDENTITY OR WRONGFUL DISMISSAL

34 The following fees apply in respect of claims of mistaken identity or wrongful dismissal proceeding under this Section Three:

LEVEL OF CLUB	FEE
Steps 5-7 of the National League System	£50
Outside of the National League System	£30

CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

General

35 In truly exceptional circumstances, an Affiliated Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient. An Affiliated Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to the sending-off offence would be clearly insufficient. Such claims may only be made by an Affiliated Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.

2018-2019

36 The ability for an Affiliated Association to bring a claim under paragraph 35 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Disciplinary Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 52 below will be appropriate and will be applied.

- 37 Where an Affiliated Association brings such a claim:
- 37.1 a Referee's report showing that a Player was sent off for a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person shall be conclusive evidence that the Player committed the relevant sending-off offence under Law 12 of the Laws of the Game and shall not be subject to challenge, save for where a sending-off is subject to a claim for wrongful dismissal pursuant to paragraph 22 above; and
- 37.2 the Player will be provided notice of the claim together with any evidence in support of the claim and will be invited to submit a written reply to the claim together with any evidence and submissions in support of that reply.
- 38 A Disciplinary Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee.
- 39 Notwithstanding the outcome of a claim made by an Affiliated Association pursuant to paragraph 35 above:
 - 39.1 the Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 22 above; and
 - 39.2 the sending-off offence:
 - 39.2.1 will remain on the record of the Club and the Player;
- 39.2.2 will remain the subject of the administration fee set out in paragraph 15 above; and
 - 39.2.3 will still accrue the applicable number of penalty points as set out in paragraph 85 below.

2018-2019

Disciplinary Commission

- 40 A claim made by an Affiliated Association pursuant to paragraph 35 above will be determined by a Disciplinary Commission on the basis of video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.
- 41 Claims pursuant to paragraph 35 above will be placed before a Disciplinary Commission for consideration prior to the commencement of the automatic suspension (if possible) but in any event no later than the date upon which an automatic suspension is completed.
- 42 A Disciplinary Commission will be convened to decide the matter on any relevant video and written evidence submitted.
- 43 The following procedures will be used at a Disciplinary Commission unless the Disciplinary Commission thinks it appropriate to amend them:
 - 43.1 the Disciplinary Commission Secretary will produce:
 - 43.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action;
- 43.1.2 any video and written evidence provided in support of the claim.
 - 43.1.3 the written reply and all evidence and submissions provided by the Player in response to the claim.
 - 43.2 after considering the evidence, the Disciplinary Commission will decide whether the claim should be successful or rejected.
 - 43.3 The claim will only be successful where the Affiliated Association satisfies the Disciplinary Commission so that it is sure that:
 - 43.3.1 the circumstances of the sending-off offence under review are truly exceptional, such that the standard punishment should not be applied; and
 - 43.3.2 the standard punishment would be clearly insufficient.

2018-2019

- 43.4 in considering the matters at paragraph 43.3, the Disciplinary Commission shall have regard to those factors set out at paragraphs 8.1 to 8.7 above.
- 43.5 in the event the claim is rejected, the Player shall serve the standard punishment.
 - 43.6 in the event the claim is successful, the Disciplinary Commission will then decide on the additional punishment to be applied to the Player in respect of the sending-off offence. In deciding on such punishment, the Disciplinary Commission shall have regard to the matters at paragraphs 8.1 to 8.7 above.
- 44 The decision will be subject to appeal only:
 - 44.1 in the event that the additional suspension imposed (over and above the automatic suspension) is in excess of three Matches; and
 - 44.2 on the single ground that the additional suspension is excessive; and
 - 44.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.

For example, where a Player is suspended for 8 Matches following a sending-off for violent conduct, they may appeal only in respect of the two Matches in excess of the three automatic and three additional Match suspension.

45 Appeals shall proceed in accordance with Part C: Appeals - Non-Fast Track.

STANDARD PUNISHMENTS

Friendly Matches

Cautionable Offences

46 An Affiliated Association shall only impose standard punishments in respect of cautionable offences committed by Players during Friendly Matches where Participants have agreed, for example as part of tournament rules, that such punishments apply. Any such punishment may only apply to Friendly Matches.

2018-2019

Sending-Off Offences

47 The commission of a sending-off offence by a Player in a Friendly Match will result in that Player receiving an automatic suspension from Friendly Matches until such time as their Club has completed its next Friendly Match, as decided by the relevant Affiliated Association.

Competitive Matches

Accumulation of Cautions

48 The accumulation of a set number of cautions by a Player in the same Football Category or Competition during a playing season will, subject to any applicable cut-off points, result in that Player receiving an automatic suspension and/or fine.

49 The relevant automatic suspensions and/or fines, the applicable cut-off points and the Football Categories or Competition in which the automatic suspensions are to be served are as set out in Table 7. Unless otherwise stated, such automatic suspensions shall only be served in the Football Category or Competition in which the cautions were accumulated.

50 Where a Player accumulates 20 cautions in the same Football Category (as set out in Table 7) during a playing season, that Player shall be required to attend a Disciplinary Commission within seven days of the date of the last caution. The Disciplinary Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player during the same playing season.

Sending-Off Offences

- 51 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.
- 52 The relevant automatic suspensions and/or fines arising from a sending-off offence by a Player and the Football Category and Competition(s) in which the automatic suspensions are to be served are as set out in Table 8.

2018-2019

Additional Sending-Off Offences

53 A Player who, in the same playing season, has previously been sent off in a Match, will be automatically suspended for one extra Match for each such previous sending-off offence in addition to the automatic suspension applicable to the latest sending-off offence as set out in Table 8.

Commencement of Suspension

54 Any period of suspension arising from an accumulation of cautions or a sending-off offence will commence on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence (in relation to sending-off offences), irrespective of whether paperwork has been received from the relevant Affiliated Association.

Period of Suspension

55 During a period of suspension, a Player will

55.1 be suspended from operating as a Match Official:

55.2 will remain eligible to play in Matches in a Football Category (or Competition) other than that to which the suspension applies.

56 If the suspension is as a result of a Charge, during the whole period of suspension the Player is suspended from playing all football (including Friendly Matches). The Football Categories affected by this paragraph are Saturday, Sunday, Midweek, Veterans and Representative Football. This will be deemed to be a suspension from playing only, unless specified otherwise by a Disciplinary Commission.

57 A period of suspension will be complete once the Player's team has completed the appropriate number of Matches in the Football Category or Competition in which the suspension must be served as set out in Tables 7 and 8. In respect of suspensions arising from County Association and League Representative Football, any such suspension will be from Representative Football only and not any other Football Category unless a Disciplinary Commission has specified that the suspension is to be from all football.

2018-2019

58 In exceptional cases, the Player may make a claim to the Affiliated Association that a suspension from all football is disproportionately harsh due to the period taken to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension so that it applies only to a single Football Category.

- 59 Where a Player has to serve more than one suspension at the same time the following criteria will apply:
- 59.1 any suspensions arising from this Section Three and due to commence on the same date will result in the total number of Matches involved running consecutively.
- 59.2 any suspensions that overlap (i.e. where a suspension starts before the previous suspension ends) will also run consecutively.
- 59.3 Matches cannot be used more than once to cover two or more suspensions.

Payment to Players Under Suspension

60 During a Player's applicable period of suspension, Clubs must not pay a Player more than the basic wage payable under the Player's contract (where applicable).

Outstanding Suspensions

- 61 Subject to paragraph 62 below, any period of suspension or part thereof arising from this Section Three or as a result of a Charge which remains outstanding at the end of playing season must be served at the commencement of the following playing season.
- 62 Any period of suspension or part thereof arising from an accumulation of cautions in relation to the FA Cup or FA Vase which remains outstanding at the end of the playing season will be repealed and need not be served at the commencement of the following playing season.
- 63 Affiliated Associations will impose split suspension periods where suspensions have to be carried over to the following playing season. The last day of the first suspension period shall be the Player's team's last competitive Match of the playing season. The suspension will recommence upon that team's start of the following playing season.

2018-2019

Players Moving Between Clubs

- 64 Where a Player moves between Clubs at a time when that Player is subject to a suspension, the following shall apply:
 - 64.1 until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which the Player moves;
 - 64.2 where the Club that the Player moves to is within the same level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall be served by reference to Matches completed by the Club to which the Player moves;
 - 64.3 where the Club that the Player moves to is within a different level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to Matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to Matches completed by the Club to which the Player moves.
- For the purposes of paragraph 64, Clubs compete at three different levels. Each level is comprised as follows:
 - 65.1 Premier League, EFL Leagues and the National League;
- 65.2 The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;
- 65.3 Steps 5 to 7 of the National League System, or any other League outside the National League System which operates a match-based disciplinary system.
- Paragraph 64 applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of The Association, however they occur. This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club that the Player moves to.
- Players who are otherwise eligible (i.e. but for any suspension) to play for two or more Clubs competing at the level referred to at paragraph 65.3 above will not be taken to have moved between those Clubs for the purposes of this paragraph by virtue only of the fact that they are so eligible to play for them.

Re-arranged Matches

2018-2019

68 A Disciplinary Commission may determine that a Match shall not count towards the completion of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension and thus enable the Player to play in a specific Match.

RESPECT SANCTION SYSTEM

Respect Offences

- 69 A Respect Offence for the purposes of Respect Sanctions comprises any of the following:
- 69.1 a caution received by a Player for dissent;
- 69.2 a sending-off of a Player for using offensive, insulting or abusive language and/or gestures;
- 69.3 or any proven Charge issued to a Player or an occupant of the technical area for Misconduct on a Match day.
- 70 Where any team accumulates a set number of Respect Offences during a playing season, a Respect Sanction shall be imposed on that team's Club in accordance with the table at paragraph 72 below.
 - 71 Where any team accumulates 20 Respect Offences during a playing season, that team's Club shall be issued a Charge for a breach of Rule E20. Further Charges for a breach of Rule E20 shall be issued against the team's Club for every five Respect Offences accumulated after the twentieth.

Respect Sanctions

- 72 The Respect Sanctions referred to in paragraph 70 above are as follows:
- 73 An administration fee of £10.00 will be charged to the team's Club for the cost of processing each Respect Sanction.

Responding to the imposition of a Respect Sanction

74 A Club may submit a written plea in mitigation in respect of the Respect Sanctions imposed at Stages 2 and 3 only and this mitigation may be considered by a Disciplinary Commission at a non-personal hearing.

75 There is no right of appeal in relation to the Respect Sanctions imposed up to and including Stage 3.

DISCIPLINARY ACTION AGAINST CLUBS - MULTIPLE OFFENCES IN A SINGLE MATCH

76 An Affiliated Association will take disciplinary action against a Club if six or more Players in one of a Club's teams are either cautioned or sent off in a single Match.

77

Clubs at Steps 5 to 7 of the National League System

77 On the first occasion that this happens in a playing season, the Affiliated Association will impose an automatic fine on the Club in accordance with the following table:

STEP OF THE NATIONAL LEAGUE SYSTEM	FINE
Step 5	£150
Step 6	£150
Step 7	£75

78 For each successive occasion that this happens in the same playing season, the automatic fine imposed by the Affiliated Association will be a fine that is double and then treble (and so on) the amount set out in the table at paragraph 77 above.

2018-2019

Clubs Outside the National League System

79 On the first occasion that this happens in a playing season, the Affiliated Association will issue a Charge against the Club and warn the Club as to the future conduct.

80 On the second occasion that this happens in the same playing season, the Affiliated Association will impose an automatic fine on the Club of £25. For each successive occasion that this happens in the same playing season, the automatic fine imposed by the Affiliated Association will increase by £25.

Plea in Mitigation

In truly exceptional circumstances, a Club may submit a written plea in mitigation against the imposition of a fine under paragraphs 77, 78 or 80 above.

DISCIPLINARY ACTION AGAINST CLUBS – ACCUMULATION OF PENALTY POINTS BY A CLUB'S PLAYERS

General

82 The purpose of the penalty points system is to assess the disciplinary record of Players of each of a Club's teams across a playing season.

83 The number of penalty points accumulated by a one of a Club's teams is calculated in accordance with paragraphs 84 to 85 below.

Calculating Penalty Points Totals

84 Each cautionable offence and sending-off offence committed by a team's Players in each Match during a playing season (together with each Charge issued to a team's Players in that playing season) will incur that team a set number of penalty points.

85 The number of penalty points incurred for a cautionable offence, each sending-off offence and Charge are as follows;

2018-2019

TYPE OF OFFENCE/CHARGE	PENALTY POINTS INCURRED
Cautionable Offences	1 penalty point (with the exception of a caution for dissent, which will incur 2 penalty points)
Denying the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball	3 penalty points
Denying a goal or an obvious goal-scoring opportunity to an opponent whose overall movement is towards the offender's goal by an offence punishable by a free kick	3 penalty points
Serious foul play	5 penalty points
Spitting at an opponent or any other person	7 penalty points
Violent conduct	6 penalty points
Using offensive, insulting, or abusive language and/or gestures	4 penalty points
Receiving a second caution in the same Match	3 penalty points
Charge	5 penalty points (subject to any increase by the Disciplinary Commission)

Accumulation of Penalty Points

86 Where a team accumulates 75 penalty points during a playing season, that team's Club shall be issued a Charge for a breach of Rule E20.

DISCIPLINARY ACTION AGAINST CLUBS - MISCELLANEOUS

- 87 A Club may be the subject of a Charge for a breach of Rule E20 where that Club:
 - 87.1 has been the subject of two or more proven Charges where the Matches to which the Charges relate were abandoned as a result of the Misconduct;
 - 87.2 has four or more incidents of violent conduct across any of its teams. Violent conduct includes all sending-off offences for violent conduct and any proven Charge relating to an assault on a Match Official, physical contact on a Match Official or assault on a Participant; or
 - 87.3 has two or more Charges for an Aggravated Breach issued against any of the Club's Players in a 12-month period which are found proven.

ABANDONED MATCHES

- 88 If a Referee's report indicates that a Match has been abandoned due to alleged acts of Misconduct of either team, the Affiliated Association shall without delay conduct an investigation in to the matter.
- 89 Following the investigation, the Affiliated Association, may issue a Charge against the Club or the relevant Participants.
- 90 A Disciplinary Commission shall meet to consider the Charge within 28 days of (the date of) the Charge letter.

OFFENCES AGAINST MATCH OFFICIALS

Categories of Offence

- 91 The three categories of offence against Match Officials are as follows:
 - 91.1 *Threatening behaviour:* words of action that cause the Match Official to believe that they are being threatened;
 - 91.2 Physical contact or attempted physical contact: examples include but are not limited to: pushing the Match Official, pulling the Match Official (or their clothing or equipment), barging or kicking the ball at a Match Official (causing no injury) and/or attempting to make physical contact with the Match Official (for example, attempting to strike, kick, butt, barge or kick the ball at the Match Official); and
 - 91.3 Assault: acting in a manner which results in an injury to the Match Official. This includes spitting at the Match Official (whether it connects or not).

Investigation and Process

- 92 If a Match Official's report indicates that an offence has been committed against a Match Official (as categorised in paragraph 91 above), the Affiliated Association will without delay investigate the Match Official's report.
- 93 Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:

2018-2019

- 93.1 issue a Charge against the Participant; and
- 93.2 may issue an Interim Suspension Order in accordance with paragraph 108 below against the alleged offender from all football activity until a Disciplinary Commission has adjudicated on the matter.
- 94 The Affiliated Association will take all reasonable steps to notify the Participant (and their Club, where applicable) of the suspension order issued in accordance with paragraph 93.2 above.
- 95 A Disciplinary Commission shall meet to consider the Charge within 28 days of (the date of) the interim suspension.
- 96 The recommended (or mandatory, where stated) sanctions for each of the three categories of offence where a Charge issued in accordance with paragraph 93.1 above has been found proven against the Participant are as follows:

Threatening behaviour:

- 96.1 suspension from all football activity for a period of 112 days / 12 Matches, with a mandatory minimum suspension from all football activity for a period of 56 days / 6 Matches; and
- 96.2 a fine of up to £100, with a mandatory minimum fine of £50.

Physical contact or attempted physical contact:

- 96.3 suspension from all football activities for a period of 182 days, with a mandatory minimum of 112 days from all football and football activity.
- 96.4 a fine of up to £150.

Assault:

- 96.5 mandatory suspension from all football and football activity for 5 years from the date of the suspension. Where the assault causes serious injury the review period should be extended to 10 years. Such mandatory suspension shall be reduced to 2 years for a Participant aged 14 or under.
- 97 The recommend sanctions set out in paragraph 96 above should only be varied where appropriate aggravating or mitigating factors are present, save that they may not be varied to a level below the mandatory where stated.

2018-2019

98 A Match Official that has reported a Participant for an offence against them may make a written request for notification of the decision and punishment awarded, which must be made available to the Match Official at the earliest opportunity.

ASSAULTS BY PARTICIPANTS ON OTHER PARTICIPANTS

99 If a Match Official's report indicates that a Participant has perpetrated an assault on another Participant causing serious bodily harm before, during or after a Match, the Affiliated Association shall without delay investigate the Referee's report.

100 Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:

100.1 issue a Charge; and

100.2 may issue an Interim Suspension Order in accordance with paragraph 108 below against the alleged offender from all football activity until a Disciplinary Commission has adjudicated on the matter.

101 A Disciplinary Commission shall meet to consider the Charge within 28 days of (the date of) the Charge letter.

102 The recommended (or mandatory, where stated) sanctions where a Charge issued in accordance with paragraph 100.1 above has been found proven against the Participant are as follows:

Match Official	A recommendation to the relevant Referees' Committee that the Match Official's registration is removed and no request for reinstatement is to be allowed until the suspension has been completed or removed.

FAILURE TO COMPLY

103 Where a Participant fails to comply with any applicable deadlines or other procedural requirements set out in this Section Three, the Participant's right to a personal hearing or right to make a plea in mitigation is forfeited and the Disciplinary Commission may deal with the reported Misconduct on such evidence as is available.

104 Where a Player or their Club fails to respond to a request for information (to include, but not limited to, a request pursuant to paragraph 4 above):

- 104.1 a fine will be imposed and a further seven days given to respond;
- failure to respond within the further seven days will result in the Player and the Player's team being suspended from all football activities from the following Monday; and
- 104.3 may result in a Charge against the Player, their Club (or both).

105 The Club Secretary must make Players aware of the applicable punishment where an automatic suspension and/or sanction applies. The Club Secretary must sign and return the reply form to the Affiliated Association by the response date. By signing the form, the Club Secretary is confirming that they have made the Player so aware.

106 Where a Participant has been issued with a Charge both the Club Secretary and the Participant will be required to sign and return the form to the Affiliated Association.

107 When dealing with compliance issues the Affiliated Association must consider the following;

- 107.1 whether the Player has responded to their Club;
- 107.2 whether the Club has failed to pass on the Player's reply;
- 107.3 whether the Club has informed the Affiliated Association that the Player has failed to respond; and
- 107.4 whether the Player has left the Club.

SUSPENSION PENDING MISCONDUCT HEARING

108 An Affiliated Association shall have the power, in consultation with and upon the agreement of The Association, to issue an Interim Suspension Order in relation to a Club Official affiliated to, or a Player registered with, that Affiliated Association where the Club Official or Player has been:

108.1 issued with a Charge by the Affiliated Association in relation to an alleged act of serious Misconduct;

108.2 charged with a criminal offence; or

108.3 charged by a League in connection with disciplinary action pursuant to the relevant regulations of the League.

109 As soon as reasonably practicable, notification of an Interim Suspension Order shall be communicated to the Player and/or the Club.

110 The Interim Suspension will be lifted when either the Charge is dealt with by a Disciplinary Commission, the criminal charges are withdrawn or found not to have been proven or the charge has been dealt with by the League.

DISCIPLINARY PROCEEDINGS BEFORE DISCIPLINARY COMMISSIONS

General

111 These provisions should be read in conjunction with:

111.1Part A: General Provisions;

111.2 Part G: Appendix II: County and Other Affiliated Associations – Hearings before Disciplinary Commissions.

112 A Disciplinary Commission, which shall comprise members appointed by the Affiliated Association, shall be appointed by the Affiliated Association to consider a Charge. It shall comprise of not less than three nor more than five members. The appointed Disciplinary Commission shall have no previous personal knowledge of the events or any involvement with any of the Participants concerned.

113 Financial penalties for Misconduct must not be imposed on any Player in Youth Football. Where a punishment or Disciplinary Commission decision

2018-2019

applicable to a Player in Youth Football includes any financial sanction, the Player's Club shall pay the sum imposed.

Personal Hearings

Right to Request a Personal Hearing

114 A Participant issued with a Charge has the right to a personal hearing on request.

115 A Disciplinary Commission may, whether on the application of one of the parties or otherwise, require a Participant (whether before or during a hearing) to attend before it to provide information, in which case questions may be put to them by the Disciplinary Commission.

116 Where the Participant accepts the Charge, the appropriate Match Official(s) will not be required to attend a Disciplinary Commission. If the Participant denies the Charge, the appropriate Match Official(s) may be required to attend the Disciplinary Commission.

- 117 The Participant, through their Club Secretary, shall be notified of:
 - 117.1 the date, time and venue fixed for the hearing; and
 - 117.2 the attendance of any witnesses in support of the Charge, in particular the Match Official(s) on whose report the Charge has been issued.

118 Both the Participant issued with the Charge and the Match Official(s) concerned should be given a minimum 14 days' notice of details of the personal hearing. Any written request to the Disciplinary Commission for a postponement of the personal hearing should be given consideration. If the reason submitted is considered valid, then a postponement should be granted, and in such circumstances costs may be charged. A request for a second postponement by the same party should not ordinarily be granted.

Personal Hearing Procedures

119 In the case of a Participant under 18 years of age on the date fixed for the hearing, the hearing shall take place either in the presence of a parent or guardian of the Participant or another appropriate adult.

2018-2019

120 At a personal hearing a Disciplinary Commission may adopt such procedures as it considers appropriate and expedient for the just determination of the Charge.

121 Subject to paragraph 120 above, a Disciplinary Commission shall follow the procedure set out in "County and Other Affiliated Associations – Hearings before Disciplinary Commissions" (at Part G: Appendix II).

Disciplinary Commission Decisions and Costs

122 Save where otherwise provided, a Disciplinary Commission may impose such penalties as provided for in paragraph 40 of Part A: General Provisions Section Two.

123 Where the Charge is found not proven, any record of it will be expunged from the Player's record.

124 Where the Charge is found proven the Disciplinary Commission will decide what punishment, if any, is to be imposed. In so doing, the Disciplinary Commission must consider the overall nature and effect of the offence(s) and the Player's disciplinary record during the current playing season and the previous five playing seasons and any plea in mitigation. In cases where the Disciplinary Commission can order costs in accordance with paragraph 125 below, it shall take into account any deposit lodged by the Player.

125 Where a personal hearing is requested in accordance with paragraph 114, and the Charge is subsequently found proven at that hearing, the Disciplinary Commission may, in addition to any other penalty, order:

125.1 the Player to pay all or part of the costs of the personal hearing. Such costs may include some or all of the costs incurred in relation to the holding of the Disciplinary Commission.

125.2 any deposit lodged by the Player be forfeited.

126 Where:

126.1 a personal hearing is requested in accordance with paragraph 114, and the Charge is subsequently not found proven at that hearing;

2018-2019

126.2 a Player is instructed to attend a personal hearing by the Affiliated Association or the relevant Disciplinary Commission; or

126.3 a case is considered on written submissions only, there shall be no costs order made against the Player. In such cases, any deposit lodged by the Player shall be returned.

127 Save where an appeal has been submitted in accordance with paragraph 132 below, any fines or costs that are ordered must be paid before the expiry of 14 days from the date of the order. Failure to make payment shall constitute Misconduct.

128 The Player and their Club are jointly and severally responsible for payment of any fine and costs. The Club shall take such action as may be necessary to recover any sum paid on the Player's behalf.

Notification of Disciplinary Commission Decisions

129 Decisions of Disciplinary Commissions will be provided to the Player or (in the cases of Players) Club Secretaries of all Clubs for whom the Player is known to be currently playing and to the Player's home address if known. Each of these Club Secretaries is responsible for informing the Player of the decision.

130 The commencement date of any suspension imposed on a Player is at the discretion of the Disciplinary Commission, subject to the suspension starting on a Monday. Such date must allow for the time permitted for notification of an intention to appeal.

131 A Disciplinary Commission decision may be notified to the relevant Match Officials, subject to (a) the Player being aware of the decision, and (b) the Match Officials having requested to be so notified.

APPEALS FROM DISCIPLINARY COMMISSION DECISIONS

132 Participants shall have the right to appeal decisions of a Disciplinary Commission to an Appeal Board in accordance with Part C: Appeals – Non-Fast Track. A Participant wishing to appeal must:

2018-2019

- 132.1 lodge notification of an intention to appeal within seven days of notification of the decision being appeal against;
- 132.2 Submit their appeal within 14 days of notification of the decision being appeal against.
- 133 The Association shall also have the right to appeal decisions of a Disciplinary Commission to an Appeal Board. Where The Association wishes to appeal it must submit its appeal within 28 days following the receipt of the reasons of the Disciplinary Commission.
- 134 In respect of any appeal made by a Participant against a decision of a Disciplinary Commission, upon application and its absolute discretion, the Judicial Panel Chairman may stay the effect of, or compliance by the Participant Charged with, a penalty or order of a Disciplinary Commission.

FURTHER DISCIPLINARY ACTION

- 135 The rules or regulations of an Affiliated Association must provide for disciplinary action to be taken against a Player who fails to reimburse their Club where the Club has had a claim upheld in accordance with the Football Debt Recovery Regulations.
- 136 An Affiliated Association in formulating its rules and regulations for Misconduct may adopt and include the power to make an order that a Club whose Players are persistently the subject of proven Charges:
- 136.1 is censured and/or fined in accordance with the penalty point system in accordance with paragraphs 82 to 86 above;
- 136.2 may have its affiliation suspended or cancelled;
- 136.3 is subject to any other power approved in writing by The Association.
- 137 A power approved by The Association pursuant to paragraph 136.3 shall continue from year to year until such time as the approval is withdrawn. Such approval may be withdrawn by The Association giving notice in writing before 30 April in any year.

- 3 Referees must submit a report to The Association following a Match stating the Stage 1 Warning(s) and providing a description of the incident(s).

2018-2019

- 7 The relevant automatic touchline suspensions and the Competitions in which the automatic touchline suspensions are to be served are set out in Table 9.
- 8 Where a Technical Area Occupant accumulates 16 Stage 1 Warnings during a playing season, that Technical Area Occupant shall be required to attend a Regulatory Commission within seven days of the date of the last Stage 1 Warning. The Regulatory Commission shall have the power to deal with the Technical Area Occupant in such manner as it deems fit. SECTION TWO: REGULATORY COMMISSIONS

SCOPE

- This Section Two sets out provisions applicable to matters of Misconduct proceeding before Regulatory Commissions. Further detail, to include the timetable to be followed in respect of such matters, is found in:
 - 26.1 Part B: Non-Fast Track Regulations (where the matter proceeds according to the ordinary timetable);
 - 26.2 Part E: Fast Track Regulations (where the matter proceeds according to an expedited timetable).

As such, the procedures set out at Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations should be read in conjunction with these provisions.

In addition, the following paragraphs of this Section Two shall apply to matters of Misconduct proceeding before Disciplinary Commissions: paragraphs 28, 31, 38 to 43, 46 to 50 and 52 to 53. The content of those paragraphs shall be construed accordingly (e.g. references to The Association shall be taken to mean the relevant Affiliated Association).

THE COLLECTION OF EVIDENCE

2018-2019

- 28 In accordance with Rule F, all Participants must take all reasonable measures to assist The Association in the collection of evidence. Where The Association requests the production of evidence from any Participant, that Participant shall (subject to considerations of legal professional privilege) be under an obligation to provide it.
- Where on-field offences are concerned, The Association may request that a Club provides or procures the delivery of video evidence to assist it in investigating possible Misconduct. Clubs must provide such video evidence to The Association as soon as reasonably practicable and in any event no later than 12 noon on the next Business Day following The Association's request (or a later date if stipulated by The Association). Failure to provide such evidence within this deadline may result in The Association issuing a Charge against the Club.

CHARGE

- The decision that facts or matters may give rise to Misconduct and that a Charge be brought will be made by the Chief Regulatory Officer (or their nominee) on behalf of The Association.
- 31 Where any facts or matters give rise to alleged Misconduct by a Participant, The Association will serve on the Participant a Charge which shall:
 - 31.1 state briefly the nature of the alleged Misconduct;
 - 31.2 identify the provision(s) alleged to have been breached; and
 - 31.3 enclose copies of documents or other material referred to in the Charge.
- 32 The Charge may include a request for the provision of a summary of the current terms and conditions of employment of a Participant.
- A copy of the Charge shall be forwarded to the Judicial Panel Chairman who shall appoint a Regulatory Commission in accordance with, and subject to, the Terms of Reference for the Composition and Operation of the Judicial Panel.

TIME LIMITS AND DIRECTIONS

General

- 34 The standard directions for a Regulatory Commission processing a matter under these Regulations shall be as set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations.
- In complex cases the standard directions may, at the discretion of the Regulatory Commission, be the subject of a directions hearing which may be conducted in accordance with paragraph 26 of Part B: Non-Fast Track Regulations.

Exceptional Circumstances

- Where the circumstances of a case are such that the Chief Regulatory Officer (or their nominee) or a Participant considers that it would be impractical or unfair for a Charge to be processed in accordance with the directions or other time limits set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations, the Chief Regulatory Officer (or their nominee) or a Participant may apply to the Judicial Panel Chairman (or their nominee) for an order that the relevant time limits be amended, suspended, reduced or dispensed with.
- Examples of circumstances in which the processing of a Charge would be impractical or unfair within the time limits set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations are where:
 - 37.1 there is a pending police investigation; or
 - 37.2 the seriousness or complexity of the matter necessitates a longer period of investigation; or
 - 37.3 substantial evidence needs to be obtained from non-Participants.

REGULATORY COMMISSION DELIBERATIONS

- 38 Deliberations of a Regulatory Commission shall take place in private.
- 39 The decision of the Regulatory Commission shall be determined by majority. Each member of the Regulatory Commission shall have one vote, save that the Chairman of the Regulatory Commission shall have a second and casting vote in the event of a deadlock.

PENALTIES

General

- Save where expressly stated otherwise, a Regulatory Commission shall have the power to impose any one or more of the following penalties on the Participant Charged:
 - 40.1 a reprimand and/or warning as to future conduct;
 - 40.2 a fine:
 - 40.3 suspension from all or any specified football activity from a date that the Regulatory Commission shall order, permanently or for a stated period or number of Matches:
 - 40.4 the closure of a ground permanently or for a stated period;
 - 40.5 the playing of a Match or Matches without spectators being present, and/or at a specific ground;
 - 40.6 any order which may be made under the rules and regulations of a Competition in which the Participant Charged participates or is associated, which shall be deemed to include the deduction of points and removal from a Competition at any stage of any playing season;
 - 40.7 expulsion from a Competition;
 - 40.8 expulsion from membership of The Association or an Affiliated Association;
 - 40.9 such further or other penalty or order as it considers appropriate.
- 41 In imposing penalties, a Regulatory Commission shall consider any:
 - 41.1 applicable standard sanctions or sanction guidelines as may be communicated by The Association from time to time. A Regulatory Commission shall have the discretion, to depart from such sanction guidelines where it, in its absolute discretion, deems it appropriate having regard to the facts of an individual case (for example, where a particular act of Misconduct is sufficiently serious that the guideline sanction would not constitute a sufficient penalty for the Misconduct that has taken place);
 - 41.2 mitigating and/or aggravating factors, to include but not limited to those as may be communicated by The Association from time to time.

Suspended Penalty

- Save where any Rule or regulation expressly requires an immediate penalty to be imposed, and subject to paragraphs 43 to 45 below, the Regulatory Commission may order that a penalty imposed is suspended for a specified period or until a specified event and on such terms and conditions as it considers appropriate.
- Where the penalty to be imposed is to be suspended, no more than threequarters of any such penalty may be suspended. If the period of such a suspension is a lifetime, the non-suspended period must be no less than eight years.
- Where a Participant has committed a breach of Rules E5, E8 or E14, the Regulatory Commission must consider suspending a portion of the penalty to be imposed if:
 - 44.1 that Participant has provided assistance and / or information to any Competition, The Association, UEFA, FIFA, any other national football association, a law enforcement agency or professional disciplinary body; and
 - 44.2 the assistance and / or information provided results in the discovery or establishment of a criminal offence or the breach of disciplinary rules by another person relating to betting or integrity (not including anti-doping, in respect of which the Anti-Doping Regulations shall apply) in football or sport generally.
- Where the Regulatory Commission, in exercising its discretion under paragraph 44, considers it to be appropriate to suspend a portion of the penalty, the extent to which the penalty may be suspended will be based on the significance of the assistance provided by the Participant to the effort to eliminate corruption from sport.

Aggravated Breaches (Rule E3(2))

46 Whether or not a suspension has been imposed by the Regulatory Commission in accordance with paragraphs 47 to 50 below, in respect of an Aggravated Breach that Regulatory Commission:

2018-2019

- 46.1 must order that the Participant who commits an Aggravated Breach be subject to an education programme, the details of which will be provided to the Participant by The Association;
- 46.2 may impose a financial penalty or any other sanction that it considers appropriate.
- 47 Subject to paragraphs 48 and 49 below:
 - 47.1 where a Participant commits an Aggravated Breach for the first time, a Regulatory Commission shall impose an immediate suspension of at least five Matches on that Participant. The Regulatory Commission may increase the suspension where additional aggravating factors are present.
 - 47.2 where a Participant commits a second (or further) Aggravated Breach, a Regulatory Commission shall impose an immediate suspension of no fewer than six Matches. In determining the suspension to be imposed, the Regulatory Commission shall use as an entry point an immediate suspension of 10 Matches. The Regulatory Commission may depart from the entry point where aggravating or mitigating factors are present.
- 48 Where an Aggravated Breach is committed:
 - 48.1 by a Participant for whom a match-based suspension would be inappropriate due only to that Participant's particular role in football (for the avoidance of doubt, this sub-paragraph shall not apply to a Manager, coach or Player);
 - 48.2 in writing only;
 - 48.3 via the use of any communication device, public communication network (to include, but not limited to, social media) or broadcast media only; or
 - 48.4 by reference to nationality only, a Regulatory Commission will not be bound to impose an immediate suspension of at least five Matches for a first such breach, or of no fewer than six Matches for a second or further such breach. Instead the Regulatory Commission may impose any sanction that it considers appropriate, taking into account any aggravating or mitigating factors present.
- Where a Player in youth football aged 12 to 15 (inclusive) commits an Aggravated Breach for the first time, a Regulatory Commission shall impose a suspension of at least five Matches on that Player. The Regulatory Commission may increase the suspension where additional aggravating factors are present. A minimum of one Match shall come into effect immediately, however the Regulatory

2018-2019

Commission may suspend such number of the remaining Matches on such terms and for such period as it considers appropriate. For the avoidance of doubt, where such a Player commits a second (or further) aggravated breach, a Regulatory Commission shall apply the provisions of paragraph 47.2 above.

- Where a Regulatory Commission sanctions a Club in accordance with Rule E3(4), it may impose any sanction it considers appropriate, taking into account any aggravating or mitigating factors present.
- Where a Participant has breached the provisions of the Anti-Doping Regulations or the Social Drugs Policy Regulations, a Regulatory Commission may order a compulsory period of target testing, rehabilitation and counselling, and attach such conditions as it considers appropriate.

Compensation Orders

- The Regulatory Commission may, where it considers it appropriate, order the Participant Charged to pay compensation to another Participant (the "Compensation Claimant"), instead of or in addition to any penalty or other order. Such an order may be for such amount as the Regulatory Commission considers appropriate.
- 53 The Regulatory Commission may order compensation only where:
 - 53.1 it receives, in advance of its determination as to whether a Charge has been proven, a written claim by or on behalf of the Compensation Claimant which sets out the amount claimed and detailed reasons for the claim;
 - 53.2 it is satisfied that the Compensation Claimant has suffered loss as a consequence of the Misconduct of the Participant Charged; and
 - 53.3 the Participant Charged has had an opportunity both of seeing the claim in advance of an order being made and of making submissions to the Regulatory Commission in relation to it.

COSTS ORDERS

- 54 Save where otherwise provided, any costs incurred:
 - 54.1 in bringing or defending a Charge will be borne by the party incurring the costs; and
 - 54.2 by a Regulatory Commission, which are considered by the Chairman of the Regulatory Commission to be appropriate, may be ordered to be paid in full or in part by either party (such costs may include, but are not limited to, the costs of the Regulatory Commission and related expenses)

2018-2019

- Any appeal against only the quantum of costs awarded shall be heard and determined by a single person appointed by Sport Resolutions (UK) (or similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted.
- 56 A Notice of Appeal against a decision of a Regulatory Commission shall be deemed not to have been lodged unless either:
 - 56.1 all financial orders, including costs orders, relating to the Participant in question have been paid in full; or
 - 56.2 the Chairman of the Regulatory Commission has made an order to set aside the relevant financial orders pending the outcome of the Appeal.
- 57 In the event of an appeal being lodged, where applicable payments of costs made will be held in escrow by The Association.

COMPLIANCE WITH PENALTIES AND ORDERS

- 58 Unless the Regulatory Commission determines otherwise, a penalty or order shall come into effect immediately at the date of the notification of the decision.
- 59 A Regulatory Commission may issue such further order, requirement or instruction as it considers appropriate for the purpose of giving effect to its decision.
- Where a Regulatory Commission is satisfied that a Participant Charged has failed to observe or comply with a penalty or order imposed by the Regulatory Commission, it shall have the power to order that the Participant Charged be suspended immediately from all or any football activity for such period and on such conditions as it considers appropriate.
- In respect of any appeal made by a Participant Charged against a decision of a

Regulatory Commission, the Regulatory Commission shall have the power, upon application and its absolute discretion, to stay the effect of, or compliance by the Participant Charged with, a penalty or order of a Regulatory Commission.

PAYMENT OF FEES, FINES AND COMPENSATION ORDERS

- Payment of any administration fee, fine or compensation shall be made to The Association by such deadline and under such terms as ordered by The Association at the time of the written notification or decision.
- The failure to make payment within the deadline ordered may result in an automatic increase of 25% of the amount due. Failure to pay within a further 30 days from the deadline ordered may result in the automatic suspension of the Participant until such time as payment has been received. Where the Participant is a person, such suspension will be from all football and football activity. Where the Participant is a Club, such suspension will be from playing in any Match or Competition.

WRITTEN DECISION

- The Regulatory Commission shall as soon as practicable send to the Participant Charged and the Chief Regulatory Officer (or their nominee) a written statement of its decision, which shall state:
 - 64.1 the Charge(s) considered and whether admitted or denied;
 - 64.2 the decision as to whether Misconduct has been proven or not; and
 - 64.3 any penalty or other order imposed.
- The written decision shall be signed and dated by the Chairman of the Regulatory Commission and be the conclusive record of the Regulatory Commission's decision. A copy of the written decision shall be forwarded to The Association.

WRITTEN REASONS

- Where the relevant parts of Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations so provide, written reasons may be requested and provided.
- Where written reasons are provided they shall state in writing:
 - 67.1 the findings of fact made by the Regulatory Commission;

2018-2019

67.2 the reasons for the Regulatory Commission's decision finding the Charge(s) proven; and

67.3 the reasons for any penalty or order.

APPEALS

 - 8.3 the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.
- Where a Disciplinary Commission is considering matters in adult football involving a child between the ages of 16 and 18 (inclusive), best practice would be to follow the guidance established for adults, except in cases where the individual has learning development needs. If the suggestion is that the Participant has the cognitive reasoning of a child of a particular age, that age appropriate guidance should be followed.

- After evidence in support of the Charge has been received by the Disciplinary Commission, any written statement made by the Participant Charged shall be considered by the Disciplinary Commission. The Participant Charged may then give evidence on their own behalf and in such event they may have questions asked of them by the Disciplinary Commission. The Participant Charged or their representative may then submit evidence and call witnesses.
- At any time the Chairman and members of the Disciplinary Commission may ask questions of any witness or any representative. The Disciplinary Commission may draw such inferences as it considers appropriate from the failure of the Participant Charged to give evidence or answer a question put to them.
- In the event of the evidence submitted in answer to the Charge disclosing a point which the Disciplinary Commission considers was not covered in the evidence of, or not put to, any witness in support of the Charge, the Disciplinary Commission may recall any witness and ask questions of them. The Participant Charged or their representative may also ask questions as at paragraph 21 above.
- The evidence having been completed to the satisfaction of the Disciplinary Commission, the Participant Charged or their representative shall be entitled to make closing submissions based upon the evidence, but this may not include reference to facts not disclosed in the evidence presented to the Disciplinary Commission.
- At the conclusion of the closing submissions, all persons shall withdraw from the Disciplinary Commission room whilst the Disciplinary Commission considers the evidence and submissions presented to it and determines whether the Charge has been proven or not. The Disciplinary Commission Secretary shall announce whether the Charge has been found proven or not proven.
- 27 If the Charge is found not proven the hearing will be declared closed.

2018-2019

Where appropriate, the Response must include an application for leave to present new evidence under paragraph 10 below.

In which case: (i) questions may be put by the Appeal Board at a hearing to satisfy itself as to the reasons for the decision); (ii) cross-examination by the appellant or respondent shall not be permitted; (iii) representations may be made by the parties to the Appeal Board who may then put questions to the member of the body that made the decision.

New Evidence

The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Such application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. Save in exceptional circumstances, the Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final. Where leave to present new evidence has been granted, in all cases the other party will be given an opportunity to respond.

APPEAL BOARD DECISIONS

General

19 A decision, order, requirement or instruction of the Appeal Board shall (save where to be made under the Rules by the Chairman of the Appeal Board alone) be determined by a majority. Each member of the Appeal Board shall

2018-2019

have one vote, save that the Chairman shall have a second and casting vote in the event of deadlock.

- 20 The Appeal Board shall notify the parties of its decision to the parties as soon as practicable in such a manner as it considers appropriate; and unless it directs otherwise, its decision shall come into effect immediately.
- 21 The Appeal Board shall have power to:
 - 21.1 allow or dismiss the appeal;
 - 21.2 exercise any power which the body against whose decision the appeal was made could have exercised, whether the effect is to increase or decrease any penalty, award, order or sanction originally imposed;
 - 21.3 remit the matter for re-hearing;
 - 21.4 order that any appeal fee be forfeited or returned as it considers appropriate;
 - 21.5 make such further or other order as it considers appropriate, generally or for the purpose of giving effect to its decision.
 - 21.6 order that any costs, or part thereof, incurred by the Appeal Board be paid by either party or be shared by both parties in a manner determined by the Appeal Board.
- 22 Decisions of the Appeal Board shall be final and binding and there shall be no right of further challenge, except in relation to appeals:
 - 22.1 to CAS brought by FIFA or WADA pursuant to the Anti-Doping Regulations; or
 - 22.2 concerning the amount of costs any party is ordered to pay by the Appeal Board (which is considered in paragraph 24 below).

Other Costs

23 Any costs incurred in bringing, or responding to, an appeal shall normally be borne by the party incurring the costs. In exceptional circumstances the Appeal Board may order one party to pay some or all of the other party's costs. Such costs will not include any legal costs. Any applications for such costs must be made at the Appeal Board and must include details of the exceptional circumstances.

2018-2019

24 An appeal against only the quantum of costs ordered to be paid shall be heard and determined by a single person appointed by Sport Resolutions (UK) (or a similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted.

Written Decision and Written Reasons

- 25 As soon as practicable after the hearing, the Appeal Board shall publish a written statement of its decision, which shall state:
 - 25.1 the names of the parties, the decision(s) appealed against and the grounds of appeal;
 - 25.2 whether or not the appeal is allowed; and
 - 25.3 the order(s) of the Appeal Board.
- The Appeal Board shall, upon the request of the appellant or the respondent (such request to be received at The Association within three days of the date of the notification of the decision), give written reasons for the decision.

APPEALS FROM DECISIONS OF LEAGUES: BOND APPLICATIONS

- 27 The provisions relating to bond applications at paragraphs 28 to 37 shall only apply where an appellant is appealing a decision of a League (save for decisions of the Premier League or the EFL).
- Within seven days of lodging the Notice of Appeal, the League (as respondent) may make an application for the Appeal Board to require a bond to be lodged by the appellant before the appeal may progress.
- Whilst such a bond application is being processed, no Response to the Notice of Appeal will be due from the Respondent in accordance with paragraph 8 above.

2018-2019

- 30 Any bond application must be copied to the appellant, and must:
 - 30.1 state the grounds for the application; and
 - 30.2 state the amount applied for.
- 31 The appellant may provide a response to the bond application within seven days of its submission.
- 32 Whether or not the appellant has provided any response to it, the Appeal Board shall consider the bond application as soon as practicable after the seventh day following its submission. The Appeal Board may, in its discretion, consider the bond application on papers alone, or require the parties to attend a personal hearing. Any such personal hearing shall be conducted according to such timings and procedure as the Appeal Board may determine at its discretion.
- 33 The test to be applied by the Appeal Board is whether it is satisfied that there is a real risk that the appellant will not pursue the appeal to a final determination by the Appeal Board. Where it is so satisfied, the Appeal Board may order the appellant to lodge a bond with The Association on such date and in such amount as it considers appropriate. The Appeal Board's decision in this respect shall be final and binding with no further right of appeal. For the avoidance of doubt, consideration of a bond may only be given by an Appeal Board following submission of an application by a respondent in accordance with paragraph 28.
- 34 Where an Appeal Board orders a bond to be lodged with The Association, the Appeal may not proceed until the bond is duly lodged. In any such appeal, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date that the bond is lodged with The Association.
- 35 Where an Appeal Board decides not to order a bond to be lodged with The Association, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date of the Appeal Board's decision.
- 36 Any bond lodged with The Association pursuant to paragraph 33 above will be held by The Association until the final determination of the appeal by an Appeal Board. Following such final determination, the bond shall in all cases be returned to the appellant in full.

2018-2019

37 Notwithstanding the terms of paragraph 23 below, in any case where a bond has been lodged with The Association, and the appeal is not pursued by the appellant to a final determination by the Appeal Board, the Appeal Board shall have a discretion to order the forfeiture of any part or all of the bond, such amount to be paid in full to the respondent to cover any costs it has so far incurred in responding to the appeal.

GUIDANCE NOTE ON SAFEGUARDING CHILDREN IN THE DISCIPLINARY PROCESS

This guidance note has been approved by The Association's Football Regulatory Authority. Enquiries or clarification with regards to this guidance note should be directed to the Football Regulation Department in the first instance.

It forms part of a wider guidance note - Guidance Note on Managing Young People with Impairments such as ADHD and Tourette Syndrome in the Disciplinary System, amended January 2009.

The football authorities must seek to ensure that, consistent with their policy of Safeguarding Children, they do not put in place case management and disciplinary systems that of themselves cause harm to the very children that are intended to be safeguarded. The same principles apply to County and national associations, although it is obvious that the vast majority of Under 18s football will come under County jurisdiction. Remember they are children first, Participants second.

ISSUES

- Difficulties in children giving evidence, as recognised by the Criminal and Civil courts – the process is intrinsically upsetting for many adults and children will be less likely to be emotionally equipped to cope.
- Seldom in child's best interests to be directly involved in Disciplinary Commissions.
- Child's evidence can often be necessary for proper determination of proceedings.
- Cross examination can be damaging to child.

CHILDREN UNDER THE AGE OF 14

A child aged 13 or under should not appear at a Disciplinary Commission. An alternative method should be adopted which could include:

- A meeting bring the parties together to talk through the issues.
- County FA (CFA) Welfare Officer (CFA WO) to talk to the child to warn them about their
- behaviour. A parent/carer should be present at any meeting.
- CFA WO to obtain written statement from child and Disciplinary Commission to then proceed on paper basis only – the CFA WO may need to write the statement in conjunction with the child and parent/carer.

2018-2019

 Private meeting between child and CFA WO to establish child's version of events, CFA WO to report verbally to Disciplinary Commission. A parent/carer should be present throughout the meeting.

CHILDREN AGED 14 THROUGH 16 YEARS

A child between the ages of 14 and 16 years inclusive can attend a Disciplinary Commission provided that:

- he / she understands it is his / her duty to speak the truth.
- his / her evidence is sufficiently important to justify it being heard.
- the appropriate procedures relating to minors are adopted. The child must be accompanied by a parent/carer.

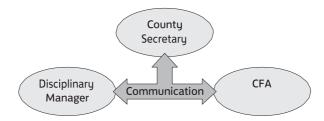

CHILDREN AGED 17 YEARS

Best practice when dealing with a Disciplinary Commission involving those aged 17 years would be to follow the guidance established for adults, except in cases where the individual has special needs. Special needs should be treated in a manner consistent with their mental capacity. If the suggestion is that the Participant has the cognitive reasoning of a child of a particular age, follow that guidance.

Where a child is aged 17, consent of the parent should be obtained for the child to attend the Disciplinary Commission where possible / appropriate.

 By law a 17 year old is still a child and if they choose to have adult representation this should be allowed.

COMMUNICATION GUIDANCE FOR CFAS

 The CFA Disciplinary/Governance staff and the CFA WO should always liaise with regards to cases involving minors. This should include meeting to agree procedures to be adopted on how the case should be heard. • County Secretary/Chief Executive Officer should be kept up to date.

GENERAL BEST PRACTICE PRINCIPLES AT DISCIPLINARY COMMISSION INVOLVING CHILDREN AGED 14 - 16 YEARS INCLUSIVE

Overriding principles are that the process of appearing in a Disciplinary Commission should not expose a child to intimidation, distress, a late disciplinary commission or long travelling times during the school week. All possible steps should be taken to assist the child to understand and participate in the proceedings.

PREPARATION FOR A DISCIPLINARY COMMISSION

- Consent of the parent/carer will always be required.
- He/she should be accompanied at the Disciplinary Commission by an appropriate adult who could be a parent, carer, grandparent, social /care worker or Club official properly in loco parentis. This could be a friend of the family, Club Welfare Officer etc.
- The Disciplinary Commission should be at a location and time that is convenient to the child.
- Restrict attendance at the Disciplinary Commission to as small a number of people as possible. This should be restricted to those who need to be present or have the right to be present only.
- Before the Disciplinary Commission, it may be appropriate to allow the child or young person to visit the room so that they can familiarise themselves with the layout.
- Make sure the young person is aware of the format and process they are about to be engaged in.
- CFA WO should be available at the Disciplinary Commission to advise/support the child or the Disciplinary Commission members. They cannot support both the child and the commission and their role must be limited to one of them. It must be clear which function they are fulfilling at the Disciplinary Commission.
- Physical layout of room can affect the proceedings and play a role in the effective engagement with the child – you could arrange chairs in two semi circles facing inward, avoid sitting behind tables.
- The members of the Disciplinary Commission should sit at the same level as other parties to encourage eye contact.
- Provision should be made for parents/carers to be able to sit next to their children.

2018-2019

• If the child is legally represented, they should be seated in a place that allows easy communication with their representative.

THE DISCIPLINARY COMMISSION

- At the beginning of the case, Disciplinary Commission members should introduce themselves and those present in the room.
- The Chairman of the Disciplinary Commission should briefly explain the role of each person.
- Address child by first name.
- Be aware of the impact body language can have e.g.
- folded arms and peering over spectacles = negative
- occasional nod / leaning forward = positive
- Remain seated throughout proceedings.
- If the Disciplinary Commission is lengthy, regular breaks should be taken.
- Proceedings should be inquisitorial rather than adversarial.
- Closed questions (those that allow a yes or no answer) and legal jargon should be avoided.
- Rephrase a question to simplify it, if the young person is finding it difficult to answer.
- Questions should be in plain English and at a level the child or young person can understand taking into account their age, maturity and intellectual and emotional development.
- Disciplinary Commission members should consider what information they are trying to obtain and how it is relevant to the case.
- The nature and extent of the questioning of any witness is under the control of the Chairman of the Disciplinary Commission.
- The Chairman of the Disciplinary Commission can and should intervene to prevent the child being questioned in a hostile way.
- The Chair should ensure that questions are short, simple and phrased in a language that the child can understand.
- The Chairman of the Disciplinary Commission should also ensure that anyone else present in the room conducts themselves appropriately.
- If a parent/carer has accompanied the child to the Disciplinary Commission, the Chairman of the Disciplinary Commission should make clear that the parent is there in a supporting role only and should not conduct the proceedings on behalf of the child.
- If the case is proven someone should talk directly to the child, encouraging him / her to confront their behaviour, taking responsibility for it and its consequences. As this is a sensitive area it is recommended that someone with the appropriate training should undertake this e.g. the CFA WO.

THE FOOTBALL ASSOCIATION DISCIPLINE PROCESS FOR SMALL-SIDED FOOTBALL

Introduction

Implementing an effective disciplinary process is an important factor for all formats of football, helping to establish a quality, organised, safe and enjoyable football experience for all players and officials. The issue of discipline is of equal importance in Small Sided Football as it is in the 11v11 football, and subsequently should be shown proper attention and regard by Small Sided Football providers when organising their competitions; particularly if the competitions wish to be appropriately sanctioned and affiliated to The Association.

The Association has developed this disciplinary process to accommodate the varied and different needs of Small Sided Football. The Association recognises that applying the same disciplinary processes to Small Sided Football as it does in 11v11 football does not satisfactorily meet the differing demands of this version of the game. However, this does not mean that The Association takes ill-discipline in Small Sided Football any less seriously.

It is important to note for all Small Sided Football providers, that failure or disregard in establishing and effectively implementing these disciplinary processes can and will lead to The Association removing affiliation and classifying providers competitions as being unsanctioned by The Association.

For all Small Sided Football providers that affiliate to The Association nationally it is a condition of affiliation to agree to abide by the 'Heads of Agreement' that clearly state that the provider will manage disciplinary issues in accordance with this disciplinary process.

It is recommended that County FAs that affiliate local Small Sided Football providers establish similar agreements.

The implementation of this disciplinary process will help create a safer and more enjoyable football environment for Small Sided Football players and officials, but also importantly for the providers it can assist in retaining Participants playing in their competitions.

1 Discipline Ownership & Control

All issues of discipline that occur at a Small Sided Football provider affiliated to The Association fall under the jurisdiction of the local County FA.

2018-2019

The ability for Small Sided Football providers to manage discipline in their competitions for incidents outlined in Table 1 below have been delegated to the provider by the local County FA.

It is at the discretion of The Association to remove this delegated responsibility from a Small Sided Football provider if the provider is unable to demonstrate competence in handling and managing disciplinary issues. In such cases the responsibility for all discipline in that competition will be returned to the local County FA.

2 Affiliation & Provision of Team Information

When affiliating competitions and slots to The Association or County FAs, all Small Sided Football providers must provide the following information for all teams playing in their competitions to ensure that disciplinary cases can be managed appropriately:

- Team Name
 - Team Captain/Manager contact details (name, address, email or telephone number

The Small Sided Football provider must also ensure that The Association or County FA is updated with accurate team information throughout the course of the affiliation period. Small Sided Football providers will not be affiliated unless this team information is provided accurately.

The only exceptions to this rule are outlined below:

2.1. Disciplinary Agreement:

On affiliation to The Association or County FA the Small Sided Football Provider signs the Disciplinary Agreement in Appendix B where the provider agrees to operate a comprehensive system of recording and maintaining accurate team and player details. This agreement also requires the Small Sided Football Provider to provide The Association/ County FA with team information (team name and team captain contact details) within 48 hours of receiving a request for this information. It also accepts that from time-to-time The Association or County FA may request to undertake a random spot-check of a Small Sided Football providers competition to ensure that the provider has accurate team information for all teams in that competition.

2018-2019

As well as signing this Disciplinary Agreement, at the point of affiliation the Small Sided Football provider must also provide written evidence to The Association or County FA to demonstrate the current systems that they operate and maintain to record accurate team information.

If the Small Sided Football provider is able to comply with these points, the organisation will not be required to provide all team information to The Association / County FAs upon affiliation. If however, the Small Sided Football provider consistently fails to provide accurate team information when requested this privilege can be revoked by The Association.

2.2. FA Small Sided Football Accreditation

Small Sided Football providers that have attained The FA Small Sided Football Accreditation have demonstrated through the accreditation process that they have sufficient systems in place for recording and managing team information, and that as part of the accreditation they will provide The Association/County FAs with team details within 48 hours when requested in order for disciplinary cases to be managed. As a consequence, accredited Small Sided Football providers will not be required to provide team information upon affiliation.

3 Issuing of Cautions and 'Timed Suspensions'
In Small Sided Football yellow cards and associated cautions are not employed.

Referees should instead issue a blue card for a cautionable offence. The issuing of a blue card indicates that the recipient will serve an immediate 'timed suspension' ('sin bin').

The options for disciplining offenders are therefore as follows:

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

2018-2019

The period of timed suspension in Small Sided Football shall be two minutes. The release of Players from a temporary suspension should be at the direction of the Referee.

3.1. Recording of Blue Cards

In Small Sided Football cautionable offences that result in a blue card and a timed suspension from the match shall not be recorded and reported by the match official or Small Sided Football provider.

Blue card offences should not be reported back to the County FA, and no disciplinary fine shall be incurred by the player.

- 4 Disciplinary Procedures for Red Card Offences
 - 4.1 . 'Serious' Red Card Offences

Offences not classified in Table 1 below will be the responsibility of the local County FA. Once the County FA has reviewed the case the Small Sided Football provider along with the player will be informed of the outcome and any disciplinary action.

For these offences match official are required to complete the Disciplinary Report in Appendix A and submit a copy to the Small Sided Football provider and the relevant County FA.

4.2. 'Less Serious' Red Card Offences (as outlined in Table 1)

Offences classified within Table 1 should be dealt with by the Small Sided Football provider under the delegated-authority of the County FA covered in paragraph 1 above.

The match official should complete a 'Disciplinary Report' (Appendix A) and ensure that it is sent to the Small Sided Football provider.

The Small Sided Football provider should employ the following disciplinary tariff of suspensions in such cases as outlined in Table 1. The provider shall not fine the player.

Match Suspension Tariff:

Table 1	
OFFENCE	PENALTY (TO BE ADMINISTERED BY SMALL SIDED
Receiving a second 'blue card' in the same match	1 Match suspension
Denying a goal or an obvious goal scoring	1 Match suspension
Use of offensive, insulting or abusive gestures	2 Match suspension
Attempting to kick or strike another player Violent conduct Serious foul play	3 Match suspension

5 Remit of Disciplinary Action

Any suspensions for offences dealt with by the County FA that are not covered in Table 1 apply to all levels of football (i.e. 11 a side and Small Sided Football).

Red cards administered in Small Sided Football for offences within Table 1 are the responsibility of the organiser to deal with according to The Association's recommended tariff of suspensions and are from Small Sided Football only.

Personal Liability for 'Serious' Disciplinary Offences
Initial responsibility for a disciplinary issue will be with the individual that committed the offence. If this individual leaves the team but can be accurately identified, this individual shall retain responsibility for the payment of a fine and should be suspended from all forms of football until the fine is paid in accordance with the Football Debt Recovery Regulations.

If the individual responsible for the offence cannot be accurately identified, the responsibility for the payment of this fine will be with (in order of responsibility):

- 1. The small sided team that the individual played for when committing the offence.
- 2. The team captain of the team that the individual played for.

2018-2019

7 Implementation of Disciplinary Procedures

A robust disciplinary process can only operate if a record is kept of the identity of participating teams and Players.

All Small Sided Football providers should maintain details of participating teams and team contacts prior to the beginning of a competition. Providers should ensure that these details remain updated.

In addition Small Sided Football providers should identify a system whereby the identity of participating Players is recorded prior to a game commencing. These records should be retained by the Organisers and referred to in the event of a serious incident or on suspicion that a Player is playing whilst under suspension.

The existence of these systems (in line with paragraph 2 above) shall be a requirement before The Association or County FA will provide sanction to a competition taking place.

In order for an effective discipline, affiliation and Referees appointment procedure to exist a good working relationship should exist between the Small Sided Football provider and the County FA. County FA's and Small Sided Football providers should establish a 'Heads of Agreement' document which identifies the responsibilities of each party in relation to maintenance of discipline and affiliation processes.

REGULATIONS FOR THE REGISTRATION AND CONTROL OF REFEREES

Pursuant to The Football Association Rule J1(d), the Council is authorised to make regulations with reference to Match Officials as they deem expedient. These 'Regulations for the Registration and Control of Referees' (the "Regulations") are the regulations made under that Rule.

Affiliated Associations are responsible for the administration of Referees registered with The Association who reside in their area as determined by The Association. Service Associations have administrative responsibility for Referees who are serving members of the Armed Forces.

Affiliated Associations shall appoint a Referees' Committee to carry out its' functions under these Regulations.

Such a review will take into consideration the Referee's administration, fitness, conduct and performance on the field of play as defined in these Regulations, as modified by any written instructions to a Competition from the Association from time to time. 1. REGISTRATION

- (a) No person shall be appointed as a Match Official in any Match or Competition under the jurisdiction of The Association either directly or indirectly unless registered in accordance with these Regulations.
- A Competition may include in its regulations a provision by which a person who is not a registered Match Official may carry out the duties of a Match Official in a specific Match but only in circumstances where a registered Match Official cannot be appointed to or officiate in that Match. In these circumstances the appointed unregistered and/or unqualified Match Official will carry the same powers and duties of an appointed registered Match Official for the purpose of that match.
- (b) A Referee must be registered with The Association through the Affiliated Association within the area in which the Referee resides, which will be deemed that referee's Parent Association (or County). The Parent Association for serving members of The Armed Forces is the
 - Affiliated Association of the service in which they serve; such referees may also register as an Associate Referee with the Affiliated Association in whose area they reside. A Referee will be required to pay the standard national registration fee to be determined annually by The Association. Registration will run from the date of registration until the following 31 May. A Referee may become an Associate Referee with another Affiliated Association but will not be required to pay a further fee.
- The Memorandum attached to these regulations details the responsibilities of Affiliated Associations in respect of Referees administered by them.
- (c) In cases where the boundaries of Affiliated Associations overlap, the Affiliated Associations concerned must mutually agree responsibility of the training and examination of Trainee Referees. A Referee who changes residence from one administrative area to another will be required to be released by the original Association before being

2018-2019

registered with their new Association for administrative purposes but will not be required to pay a further registration fee for that season.

- (d) Referees shall not be registered with The Association until they are able to satisfy the Affiliated Association of their date of birth. A Trainee Referee must be 14 years of age or older at the time of registration.
- (e) A Referee who has failed to register as a Referee with The Association for between two and five seasons shall not be re-registered until they have successfully undertaken and completed the FA Basic Referee Course written examination. The Affiliated Association may then register the Referee at their former Level (up to Senior County Referee) once they are satisfied with his/her competence. A Referee who has not been registered for more than five seasons must attend and successfully complete the FA Basic Referee Course at which point they will be registered as a Junior County Referee.
- (f) A Referee's registration may be cancelled or suspended by the Affiliated Association in consultation with The Association where the Referee has not acted in the best interests of the game. The Association may take any action it deems appropriate. Applications for the re-instatement of a Referee who has previously been disqualified under this Regulation must be referred to The Association.

- (c) Should any match official be approached to supply any details, they should immediately report the matter to the Association or Affiliated Association.

GUIDE TO MARKING

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range	Comment
100-86	The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
85-76	The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.
75-61	The Referee demonstrated reasonably accurate decision- making and despite some shortcomings generally controlled the game well.
60 and below	The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.

2018-2019

 When club officials are marking a Referee, they should always look at the game as a

whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.

• When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

CONTROL AND DECISION MAKING

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the Referee communicate with the players during the game?
- Did the Referee's Level of involvement/profile suit this particular game?

2018-2019

• Did the Referee understand the players' problems on the day – e.g. difficult ground/

weather conditions?

- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.
