

PUBLIC LIABILITY.

We have been providing public liability insurance since the mid-90's and presently place business with our trusted working partners, which gives us more freedom to underwrite using our experience and expertise.

It is of vital importance that all organisations protect themselves against the disastrous consequences of liability for injury or damage arising out of their actions and this includes the actions of all-executive officials, members and volunteers. Such officials and members at all levels could find themselves held personally responsible for court costs and damages awarded where an action has been brought against the club for negligence and it is essential that adequate liability cover is arranged to avoid such consequences. The main features of the policy are summarised below.
