*You can Create a FAN, using the guidance document*

*Forgotten Passwords can be reset using your email address, (providing it is linked to the FAN)*

The screenshot displays the 'PLAYER REGISTRATION' section of the FA website, specifically the 'CREATING A FAN NUMBER' page. A small inset shows a login form with fields for email and password.

**PLAYER REGISTRATION**  
**CREATING A FAN NUMBER**

**DID YOU KNOW...**  
Players and parents/guardians can create their own FA's numbers to set club officials when registering players on the Matchday System.

**STEP 01**  
To access the form, head over to [www.fafan.com/yourname](http://www.fafan.com/yourname)

**STEP 02**  
On completion of the form, the individual will have a unique FA's number and a unique number generated. This can be shared with club officials when adding players to their club.

**STEP 03**  
To add the parent's email to the club record, the club secretary will require the FA's Number and date of birth of the parent.

**If the person already has a FAN number, an error message will appear and give the option to retrieve their existing FAN.**

**BE MATCHDAY READY!**
