### **CLUB MARKING OF REFEREES**

Both teams are required to award the referee a mark in all matches on a scale of 1-100 based on the following guide:

#### **Guide to Marking**

The mark awarded by a club must be based on the referee's **overall** performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below, which should act as a guide for the overall mark, which should fall within the mark range for each standard of performance.

| <b>MARK RANGE</b> | <b><u>COMMENT</u></b>                                                                                                                                                                                           |
