Manager's Comment

Made Forever Football Club was formed in 2021 and started in Division 5 of the Bristol & District League as MFE reserves at the start of the 2021-2022 season.

After a learning curve within the 1st season finishing mid table, we then stepped into being the first team the season following in District 3, where we finished 2nd and got to the semi-finals of the intermediate cup. Now this season we're pushing again for promotion to District One and looking forward to potentially gaining silverware tonight.

The club is run by Richard Neill and co-founded by Ellis Stinchcombe bringing the club together and helped by a wonderful back-staff team of secretaries and joined with Bristol Rovers Juniors Supporters Club. We play at Southey Park and play in Blue and Black.

The road to this year's final consisted of beating Patchway Town A 3-0, given a bye against AFC Mangotsfield reserves, beating Evergreen 1st 2-0 and then winning 6-5 on penalties against Retainers 1st in the semi-finals.

Manager's Comment

Woodlands FC have enjoyed a competitive league title race with fellow contenders Life Church. We currently sit 2nd, but with games to play, and the championship still being in our hands. Woodlands FC look forward to a league decider underneath the lights in late April where we hope to secure the title in front of a jubilant crowd (a begrudging girlfriend might have to give one of us a lift).

The League Cup has unfortunately eluded us this year which has crushed our dreams of the prophesied quadruple. The open top bus tour and the inevitable council fines incurred from such an act will have to wait. However, fans of knockout competitions will be pleased to hear Woodlands Football Club have reached the Cotswold Cup Final (we haven't heard of it either) with our friends from Woodlands Spartak. So if you're a fan of average football, burgundy kits and wasted Tuesdays, come back to Oaklands Park on the 21st of May at 7.30pm.

Woodlands FC have targeted the GFA competition this season. The Intermediate South Cup has very much been the World Cup to our Messi, and we believe a win here will silence the naysayers. Our journey to this mild North Bristol night has been treacherous and full of metaphorical, and real, banana skins.

Like myself at any sixth-form party, we're just happy to be here. We are so close to the object we desire, but as we grow closer, perhaps I realise it is more about the journey than the destination and the friends we made along the way. Only joking, we'll do anything to win.
