History

Bishops Cleeve FC, founded in 1905, spent much of its history battling for survival, playing in multiple counties before settling at Kayte Lane. The club first found success in the Cheltenham League, winning Division Two in 1924/25 and 1930/31, and Division One in 1934/35. Post-World War II, they won multiple Gloucestershire Northern Senior League titles before joining the Hellenic League in 1986/87. Promotion to the Southern League came in 2005/06, though relegation followed in 2018.

Paul Collicutt's return saw the club win the Hellenic League Premier Division in 2021/22, securing a Southern League return. Their highest-ever finish of ninth came in 2022/23 and 2023/24. In September 2024, Bishops Cleeve made history by defeating former Football League side Torquay United 3-0 in the FA Cup, attracting national attention.

Kayte Lane became their permanent home in 2002, with major upgrades over the years, including an artificial pitch in 2022. Having moved from a club fighting to survive to one aiming to thrive, Bishops Cleeve FC continues to make history.
