Manager's Comment

St Nicks U15 Blacks have developed into a tightly knit squad, consistently competing in Division One of the Avon Youth League. Many of the players have been together for more than eight years, creating a strong team bond, and the addition of new signings over the summer, has only further strengthened the squad.

The boys have been thoroughly tested on their path to the final, showing grit and determination in every round. Beating Bristol Central Youth 3-2, then, Shine Saints Youth Junior 1-0 and Longwell Green Sports Youth Saints 2-1 to get into the semis.

The semi-final was a true test of character, facing previous cup winners Brockworth Albion at the home of Gloucester City FC. St Nicks took a 1-0 lead, but Brockworth equalised just before halftime. In the second half, the boys dug deep, showing great resilience to secure a 3-1 victory and book their place in the final.

The way this team comes together and the unwavering support from the sidelines each week speaks volumes about the character of these young players—not just as footballers, but as people. Family, coaches and the Club are really proud of you boys! Hoping to go one further than our appearance in the GFA Cup Final of 2025.

Manager's Comment

Currently lying in third place in their League, five points from first place with two games in hand. The side have played more Cup matches this season than League matches due to their success.

Teamwork has been the key to their achievements this season and great versatility in the squad with several players able to play in multiple positions. Six clean sheets from seventeen matches has been a major plus with only fifteen goals conceded but 56 goals scored, averaging over three goals a match, and those goals have been scored from around the pitch with twelve of the regular 17 players having scored this season.

Leading scorers are Max Blaby and Alan Paszkowski with ten goals each and the side have also reached the League Cup semi final this season.
