Manager's Comment

We proudly compete in the Gloucestershire County Women's Football League Division 2, currently sitting in 2nd place. With two games left, we're pushing to finish on 34 points, level with Gloucester City Women Reserves—an incredible achievement given our journey.

This season was a milestone as we expanded to two teams, testing our depth and resilience. Despite the challenges, our squad has shown heart, commitment, and character in a highly competitive league.

Our cup run has been extraordinary. A dominant 8–0 win over Mangotsfield United Reserves set the tone, followed by a composed 3–0 quarter-final win against Cinderford Town Ladies. A thrilling 5–3 semi-final victory over City of Gloucester Women showcased our attacking power and resilience.

Goals have come from everywhere, and players have battled through injuries for the team. Tonight, we step onto the pitch united, knowing we've already made history together.

Manager's Comment

This is our first season as an independent club. We find ourselves mid table in division 2 and will be pushing next season for promotion. It's a great achievement to get to the GFA Women's Challenge Cup final, the furthest we have ever got as a team in the last 5 years. I am very proud of the team and believe we have what it takes to lift the trophy. We have overcome 3 well established clubs to get to this stage, and recent performances have set us up with great confidence to take into this final.
