

WHAT'S NEW FOR THIS SEASON

14-15 Year Old Referees

What: 14 and 15 year old referees who are going through the referee registration process will need to ensure their parents have given them permission in the system.

When: 1st June 2021

Parents need to be linked to their child / youth referee in My Account. Within My Account, a new section will allow parents or carers to consent to referee (on behalf of the child)

Additional levels for disability can be set at A by selecting 'add existing disability football level' at B

Likewise, additional levels for referee devloper roles can be set at C using 'add existing levels' again

Data Issues

What: A number of data issues occured last season relating to new referees not showing in the system, the incorrect waiver field being set or missing parent CFAs

When: From 1st June 2021

We have worked hard ahead of the season to mitigate a number of these issues. Whilst it might not be perfect, we have actively fixed a number of the issues from last season
