The FA have now extended their **Discount Voucher Scheme** to **League level** to allow Leagues to receive their own **50% discount** on their current Respect Equipment range.

The Voucher value of **£2,500** (doubled up to **£5,000** spending value once either a **Sponsor/ League contribution is added**) would allow Leagues to benefit the clubs under their jurisdiction.

Sportzhub personalise the Respect Boards by the inclusion of the **League Logo** to distinguish them from the ones provided directly to the Clubs and to highlight the League's support for the Respect Programme. All Football Foundation income derived from the scheme is reinvested back into it and for a limited period, free delivery on all items is also available.

Sportzhub, importantly is run by **'Football People'** all of whom are involved in playing, coaching, managing or refereeing and have children who are currently playing in Grass Roots football. This includes serving on Club committees with one current club vice chairman.
