Be part of our journey...

Southampton Football Club is a Premier League club competing at the highest level of professional football with a culture which promotes respect, unity, accountability, creativity and aspiration – this is the Southampton Way.

We look for people with integrity, compassion and support for those around them; people who take pride in what they do with an honest approach, who embrace a challenge while also being accountable for their decisions; people who have the energy and passion to bring an innovative approach to their role and strive to be different from the rest; people with the aspiration to lead the way and become an example to others.

Within the walls of St. Mary's Stadium, Staplewood Campus, the Bath Academy and our other sites and development centres across the South of England, you'll be given the platform to work in a vibrant, intelligent and challenging environment with the potential to develop and become the best at what you do.

We don't stand still, we are constantly moving forward. Be part of it...

What is the role?

Our world-renowned Category A Academy within our Football Development & Support Centre (FDSC) are looking for work placement students to support our Academy Coaching Staff in delivering a first-class coaching provision to Foundation and Youth Development Phase players. The work placement student will support with direct delivery of coaching sessions, involvement in player audits, undertake administrative tasks and work at all times to our coaching philosophy.

The Candidate

This exciting opportunity will enable students to work within an elite sporting environment as part of a multidisciplinary team, promoting the high standards of Southampton Football Club and developing talented athletes who aspire to play in the Premier League.

What are we looking for?

We are looking for candidates who can be part of a multi-disciplinary team of people, be proactive and innovative in their approach and act as a role model for our Company Values and Academy Commandments.

This placement must form part of a qualification in order for you to be considered.
