PREFACE

COMPETITION ETHOS

The Hertfordshire Development League seeks to provide our children, coaches and referees with the best possible start in football. We want our children to play with freedom in a safe and calm environment that allows them to make, and learn, from their own mistakes.

The Competition adopts best practice where possible and rules which benefit long term player and referee development. It aims to support best practice Clubs committed to putting the welfare, enjoyment and development of our children first. Such Clubs promote high standards of behaviour and, in joining the Hertfordshire Development League, accept responsibility for promoting and adhering to the Competition ethos including:

Playing To Learn, Not Just to Win

This is children's football where games are intended to help them learn, to develop their skills, their confidence and their self-esteem. Results of development fixtures are not published as the focus is long term player development, and enjoyment, not short term wins. That does not mean it is not competitive, it's just that it is the children competing not the adults!

Fewer Instructions

Children learn by making mistakes. The more mistakes they make, the more they learn. Standing on the touchline shouting instructions detracts from the learning experience. By giving children an answer they do not learn to find their own solutions. Coaches should keep advice on tactics to a minimum while they are playing, with coaching points best made before and after the game and during scheduled breaks.

More Silent Sidelines

Children learn best in a calm supportive environment. Young children can find touchline noise distracting, confusing or even intimidating and the groans of adult disappointment simply put children off trying new skills for fear of failure. That is why we promote Silent Sidelines. Spectators are asked to support all the children by applauding good play from both teams, and not shouting out. Relax, stand back and enjoy the game. The loudest sound should be the children playing!

Equal Playing Time

Children develop by playing, not by watching from the sidelines. The more pitch time they get, the faster they develop. That is why we encourage Equal Playing Time.

The Match Delegate must wear a "Match Delegate" bib supplied by the Competition in the conduct of their responsibilities.

Responsibilities of the Match Delegate

- 1) Upon arrival at the venue, the Match Delegate from the home Team will ask their opponents, who their Match Delegate is and make introductions to one another.
- 2) Together, they will then report to the match official at least 15 minutes before the start of the game and introduce themselves to him or her.
- 3) The primary responsibility of the home Team Match Delegate is to look after the referee(s) before, during and after the game until he or she leaves the ground. It would be appropriate if the home and away Team delegates did the job together.
- 4) This would include, showing the referee(s) where the changing rooms and toilets are, directing them to the correct pitch, and possibly offering them a drink at half time and after the game and ensuring that their fees are paid.
- 5) During the game, each delegate will be responsible for the behaviour of all their Club Members and spectators. If the referee needs to he/she will, during a stoppage in play, approach the Match Delegates to assist him/her in dealing with any problems that may occur. (The Match Delegate is not exempt from being reported for misconduct.)
- 6) It is the responsibility of the Match Delegate to encourage spectators from their Club to respect the Designated Spectator Area. No one, including Team officials and the Match Delegate themselves, is allowed to stand behind the goal.
- 7) The FA Respect Programme must be considered by the Match Delegate at all times, and a report form is provided for any issues to be reported to the County FA.
- 8) The Hertfordshire Development League is totally committed to equality and the County FA Equality Policy must be emphasised and observed at all times.

2. Qualification of Players

Players will not be allowed to move between Teams during a cup competition, where a Team squad list will need to be submitted and adhered to. Once a Player has participated in a cup competition for one Team, then that Player is prohibited from playing in the same competition for another Team and/or Age Group. Any Team found to have played an ineligible player may be disqualified from the relevant cup competition and otherwise be dealt with as the Management Committee sees fit.

APPENDIX 5 – REFEREE MARKING GUIDE

The mark awarded by a Club must be based on the referee's overall performance, it is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Mark Range Comment

91 - 100	The Referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game.
81 - 90	The Referee was very accurate in decision making and successfully controlled the game using management and communication skills to create an environment of fair play.
71 - 80	The Referee was accurate in decision making and controlled the game well, communicating with the players, making a positive contribution towards fair play.
61 - 70	The Referee was reasonably accurate in decision making, controlled the game quite well and communicated with players, establishing a reasonable degree of fair play.
51 - 60	The Referee had some shortcomings in the level of accuracy of decision making and control, with only limited success in communicating with the players resulting in variable fair play.
50 & less	The Referee had significant shortcomings in the level of accuracy of decision making and control with poor communication with the players which resulted in low levels of fair play.

Notes:

- A mark of 71 or 80 represents the standard of refereeing expected.
- A Club must submit a report within 7 days of the fixture to the Discipline Secretary if a mark of 60 or less has been awarded to the referee or within 7 days of request if a report is solicited by the Management Committee.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

CONTROL AND DECISION MAKING

- How well did the Referee control the game?
- Were the players' actions recognised correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the Referee communicate with the players during the game?
- Did the Referee's level of involvement/profile suit this particular game?
- Did the Referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.
