A message from the Chairman...

“
*Good evening everyone, and welcome to
tonight's first Lancashire FA Sunday
Trophy Semi-Final tie between Acregate
Lane and Crown Paints.*

On behalf of the Lancashire Football Association, I'd like to welcome all of you to tonight's match and to Victory Park Stadium - the home of Chorley FC. I'd like to thank Chorley for hosting us this evening as well as thank and welcome our partners for this historic competition, Poppy Signs.

Tonight's match is the first of the Sunday Trophy semi finals, with the other being played at Bamber Bridge FC next week - Ribbleson FC v Eleven Sports Media.

This is another chance for one of our grassroots clubs to get to a prestigious final and potentially write their name in the history books. It's night's like tonight that players live for, and if tonight's match is anything like last season's semi final was here at Victory Park, then we are in for a real treat.

The very best of luck to both sides this evening and to our brilliant officials.

Enjoy the game and we hope to see you at Lancashire FA soon for some of our 20 County Cup finals!

”

A Brief History of Crown Paints

Crown Paint JFC were formed in 1997 when over 200 children were looking to play football locally in Darwen.

They started the club off with 4 teams from Under 12's down. Each year they grew having some five teams in each age group. The club went from strength to strength winning most of the leagues and cups over numerous years in various age groups.

They've had various players playing professionally for teams from the premiership down to the lower leagues.

The adult's team now consists of players who played through the ranks of Crown Paints Juniors over various age groups.

The adult's team have made it to last year's semi-final and the final the year before unluckily missing out on picking the trophy up.
