A message from the Chairman...

“
Good evening everyone, and welcome to tonight's second Lancashire FA Amateur Shield Semi-Final tie between Coppull United and Turton FC.

On behalf of the Lancashire Football Association, I'd like to welcome all of you to tonight's match. I'd also like to extend a very warm welcome to our sponsors for this competition, Light Distribution.

Tonight's match is a big occasion, as the winners will face Thornton Cleveleys in the 2018/19 Amateur Shield Final at The County Ground on 1 May.

We expect it to be a heated and passionate evening, as both sides will clearly want to put one over each other and reach the prestigious final, with the possibility of making cup history on the line.

I'd like to wish both sides the very best of luck this evening, and if last week's semi-final is anything to go by, we should be in for a great match.

I'd like to congratulate tonight's officials on their appointments and thank Atherton LR for hosting tonight's tie.

Enjoy the match.

A Brief History of Coppull United

Coppull United were established in the 1980's by their late president James Albert Wilkinson. Bert transformed the club, along with the help of others and helped the club move from the pitch on Springfield Park, to their new home at Blainscough Park, where they now have all their own facilities, which are considered one of the best in the West Lancs league.

Coppull currently have two senior sides who compete in the West Lancs League, and an U18's development squad.

This season we have struggled in the league until late, but have done well in both this cup & the Richardson Trophy.

The club's finest moment came in 2015, when they beat CMB 3-0 in the Lancashire FA Amateur Shield Final - something that the current squad is trying to emulate this season.

A Brief History of Turton FC

The original Turton FC was formed in 1871, and in the early 1870s they were arguably the leading club in Lancashire. In 1878 they were one of the prime movers in the formation of the Lancashire Football Association, and in 1879–80 they were one of the entrants in the first Lancashire Cup competition, and entered the FA Cup for the first time.

The current home of Turton FC, Thomason Fold, in Edgworth is about a mile away from the original ground, Tower Street, in Chapeltown. This old ground is still in use, with Lancashire Amateur League team Old Boltonians having been the residents for over 50 years.

In 2009, the club nearly folded having been relegated from the West Lancashire Premier Division and losing the majority of its players in the process. Turton were also in terrible financial disarray, owing thousands of pounds and having little income.

Long standing club legend Ernie Charnock appointed former player Neil Johnson as manager who was joined by Craig Allardyce, son of the former Bolton Wanderers and Newcastle United manager Sam Allardyce.

The team regained promotion as champions of the league in the 2015-16 season, gaining promotion to the West Lancashire Premier Division.
