

Player Registration – Squad List v2

Adding A Team Officials Photo

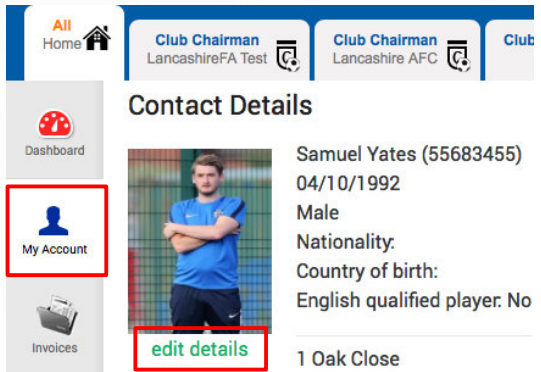

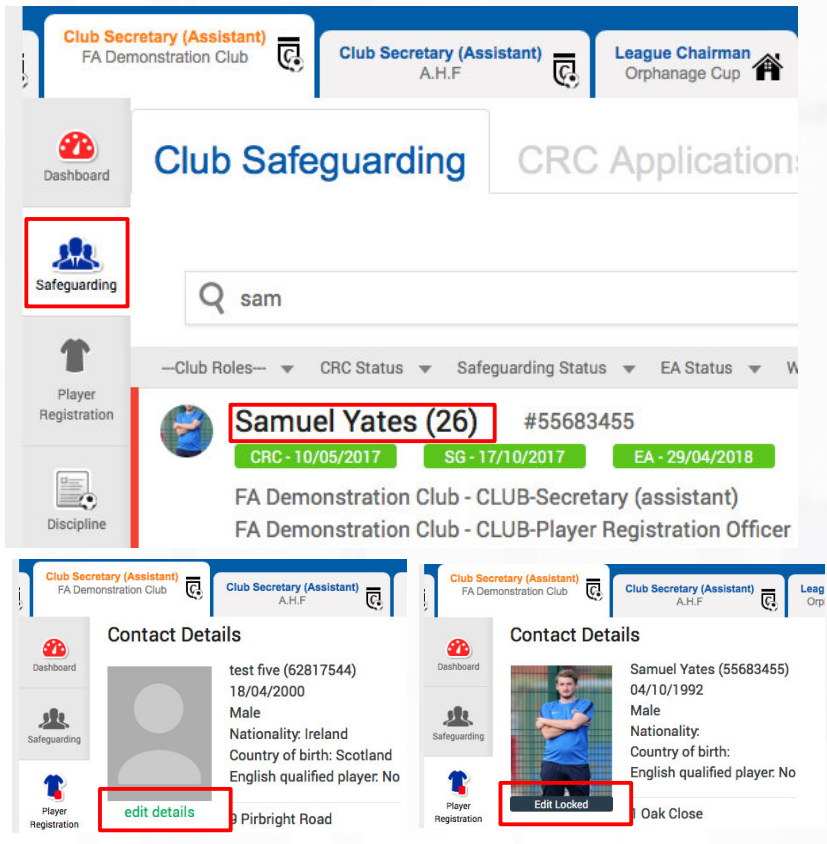

Club Officials

If you are a Club Secretary or Welfare Officer you can upload a photo on behalf of a team official if they do not already have access to their account.

To add a photo of a team official go to the 'Safeguarding' tab and click on the team officials name. Under the photo space you will see the text "Edit Details"

Once uploaded, click the 'Save' button at the bottom of the page

If the text under photo is "Edit Locked", this means the individual already has access to their account so they will need to update through their own log in.

Team Officials

If you are a Team Manager, Team Coach, Team Assistant Manager or Team Assistant Coach, on your 'Home' tab, go to the 'My Account' tab.

Under your photo space you will see the text link "Edit Details"

You will then see the option to drag and drop a photo on to the page or the button to select a photo from your device.

Once uploaded, click the 'Save' button at the bottom of the page.

Photographs of players may be stored and used for registration purposes. Registration photographs will be stored securely with only the relevant Club and League officials having access. Photographs uploaded within the Whole Game System Portal will not be placed in the public domain. Please note that once a registration has been approved by a league, the photo cannot be updated.
