## My Roles

Here is where all Roles that have been assigned to you will be displayed and linked (as long as they have an online element).

You may therefore see Roles other than Referee displayed here, however please **only select the Referee Administration** in order to access the Reporting process.

The screenshot shows the 'WHOLE GAME SYSTEM' dashboard. At the top left is the The FA logo. The main title 'WHOLE GAME SYSTEM' is in large blue letters. To the right of the title are links for 'LOGOUT | HELP | CHARLOTTE KITELEY'. Below the title is a navigation bar with three buttons: 'All Home' (with a house icon), 'Club Secretary Mepal Sports' (with a person icon), and 'Referee Administration' (with a whistle icon and highlighted in orange). Below the navigation bar is a 'Dashboard' section with a red and white icon. The main content area is titled 'My Roles' and contains a table with the following entries:

Organisation & Role
Mepal Sports Secretary
Birmingham FA County Match Official
Kent Ref Parent CFA Registration

End

## Referee Dashboard

The Referee Dashboard will confirm your current Registration Level, the County FA that your current Registration is associated with, and a link to Register for the following season.

The screenshot displays the 'Referee Dashboard' for Stuart Axford. At the top, the 'The FA' logo and 'WHOLE GAME SYSTEM' are visible, along with 'LOGOUT | HELP | STUART AXFORD'. Navigation tabs include 'All Home' and 'Referee Administration'. The main content area is titled 'Referee - Stuart Axford' and contains three registration status items: 'You are registered as a - Level 7 - Junior Referee', 'You are registered with - Kent FA', and 'Start Referee Re-registration for 2014 - 2015'. To the right, three circular arrows point to 'Registered', 'County Registration', and 'Referee Re-registration'. Below these are two sections: 'Match Appointments' with a link to 'Click here to add a new match/appointment' and 'Outstanding Discipline Reports' showing 'You have no match reports to complete.' A left-hand navigation menu includes 'Registration' and 'Match' icons.

Underneath the Referee detail, you will see **Match Appointments** with a link to create a new record. You can either select this link, or the Match icon on the left navigation menu.

You may also note the inclusion to Start Referee Re-registration for 2014-2015. This is because the Referee Dashboard is the control console for all items relating to your role as a Referee. As more features are made available as part of the Whole Game System, any items relevant to refereeing will be hosted here.

## Removing a Match/Appointment

It is possible to remove a match appointment previously entered, providing you have not added any reports to this item.

A 'trash can' icon will be visible in the top right hand corner of the match details. Selecting this icon will remove the item.

## Creating a Match

When adding Match Details, season will automatically default and will not be editable. You can use the following field to enter **your role** (dropdown), **Match Date** (date selector) and competition type.

The screenshot shows the 'Add Match Details' form in the 'WHOLE GAME SYSTEM' interface. The form includes the following fields and options:

- Season:** A text field containing '2013 - 2014' with a lock icon on the right.
- Select your role:** A dropdown menu with a downward arrow icon on the right.
- Select The Match Date:** A text field containing 'Enter the Match Date' with a calendar icon on the right.
- Competition Type:** Three radio button options: 'My previous competitions', 'County cups', and 'League and league cups' (which is selected).
- Select From League And League Cup Competitions:** A text input field with the placeholder text 'Start typing to find a competition'.
- Save Details:** A button located at the bottom right of the form.

The interface also features a sidebar with 'Dashboard', 'Registration', and 'Match' options, and a top navigation bar with 'All Home' and 'Referee Administration' links. The user's name 'STUART AXFORD' is visible in the top right corner.

When choosing the League, please enter a minimum of 3 characters, at which point the system will populate all matching records and allow you to select accordingly.

This close-up shows the search results for the 'Select From League And League Cup Competitions' field. The search input contains 'haa' and the system has populated the following result:

- haart of Kent County League - Kent FA

A 'Save Details' button is visible at the bottom right of the search results area.

If you are experiencing difficulty locating a League, please note that some may have chosen to incorporate a sponsor name into the League name.

For example, if the Kent Suburban Football League were sponsored by Nike, they may have registered with Kent FA as the Nike Kent Suburban Football League (example only).

Once you have selected a League, you will then be asked to **Select the division** (dropdown). All divisions will be listed here along with the option to select **All teams in the league**.

## Creating a Friendly Match

To create a Friendly fixture, you will need to select **Other competitions** when you select the match type.

The screenshot shows the 'Add Match' interface. On the left is an 'Add Match' button with a calendar icon. The main form has a 'Select your role' dropdown menu. Below it is the 'Select The Match Date' section with an 'Enter the Match Date' input field and a calendar icon. There are three radio button options: 'County cups', 'League and league cups', and 'Other competitions'. The 'Other competitions' option is selected and highlighted with an orange border. To the right of the form is a blue silhouette of a person with arms raised.

You will then be asked to **Select From Other Competitions**. Simply begin to type the word **Friendly** in this field and the option for **Friendly – The FA** will become available for you to choose. This will be the only option in the dropdown.

The screenshot shows the 'Select From Other Competitions' dropdown menu. At the top, there is a checked radio button for 'Other competitions'. Below it is the title 'Select From Other Competitions'. The search input field contains the text 'Fri'. The dropdown list shows one option: 'Friendly - The FA'. A 'Save Details' button is visible at the bottom right of the form.

Once you have chosen this, the system will highlight that there are **No teams found for this competition**. Therefore, you will need to type the name of the Club. The system will filter further as you continue to type.

The screenshot shows the 'Select From Other Competitions' dropdown menu. The search input field contains the text 'Friendly - The FA'. Below it is a red warning message: 'No teams found for this competition. Proceed with the manual search below!'. The search input field now contains the text 'Canterbury Celtic'. The dropdown list shows one option: 'Canterbury Celtic'. A 'Save Details' button is visible at the bottom right of the form.

You may then select the Club from the list and will be provided with the list of teams for that Club.

Complete the **Home** Club/Team and **Away** Club/Team and select to **Save Details**.
