### Defibrillators accessible to all football across Greater Manchester

Our Purpose/Mission – To ensure everyone with Football In Greater Manchester has access to an AED if the need ever arises.

#### Our 5 point plan,

We will:

- Complete an audit of all our Clubs and Leagues (Central Venue) to assess who has access to defibrillators.
- Ensure our Clubs / Teams know exactly where the nearest defibrillator is located when using hired facilities.
- Work with Clubs who do not have access to a defibrillator at a facility to develop a funding plan to purchase a defibrillator, which will include financial support from Manchester FA and access to the FA scheme (Heart Safe Clubs) which offers defibrillators at a reduced price.
- Ask that organisers of any summer festivals or tournaments held by Clubs and Leagues have access to a defibrillator and where possible ensure they have a trained paramedic (e.g. St John's Ambulance) on site.
- Ensure all coaches and volunteers have access to <u>Sudden Cardiac Arrest Training</u> and device training so that clubs know how to operate the defibrillator.
