# WELCOME FROM MANCHESTER FA

Manchester Football Association would like to welcome everyone to tonight's Women's Challenge Cup Final.

Tonight we welcome Cheadle Town Stingers & Mancunian Unity to battle it out in an attempt to win our most senior women's title, and with some high scoring games behind them we should be in for a treat!

Cheadle Town Stingers currently play their games in the North West Regional Women's League whilst Mancunian Unity ply their trade in the Greater Manchester Women's League.

A fiercely competed competition at times, the Women's Challenge Cup has provided us with some of our more entertaining fixtures and there is no doubt that tonight's affair will be up there with some of the greats!

## CHRIS BERREVOETS, Football Services Officer:

“They're back! On behalf of Manchester FA, I offer a very warm welcome to spectators, teams and match officials to this evening's Women's Challenge Cup Final.

Tonight is the sixth of our action-packed County Cup programme we welcome two of Manchester's top performing clubs and with that, we hope to see an exciting spectacle.

A massive thank you to everyone involved in making this final happen, including Hyde United for hosting this prestigious competition at Ewen Fields. Good luck to all and may the best team win! ”

The Women's Cup is Manchester's Senior Female knock-out competition for teams to compete throughout the season.

As each season passes it is steadily increasing in the number of teams, due to the increased awareness in the area and the prestige that comes with winning a County Cup.

The 2018/19 competition was won by FC United of Manchester who beat Salford City 4-0 at the Recreation Ground, Brookburn Road.

Tonight's final is Women's EURO 2022 themed as the time gets closer to the competition coming to Manchester & Trafford this summer.

# MANAGER'S COMMENTS

## DYLAN WIMBURY, Cheadle Town Stingers Manager:

“Wow, what a brilliant season for so many different reasons.

Finally, we get to complete a full season at what is my third attempt with this amazing group. It will be our first completed season as Cheadle Town Stingers.

It's fair to say it's been an entertaining one covid, illness, injuries but lots and lots of goals. Plenty of changes has happened this season, not only have welcomed 2 new staff members who have been fantastic. We also had 12 new players which have all been a welcomed with open arms and strengthened what was already a brilliant squad.

One of the biggest success story's this season has been our younger ever player in the club's history Beth Sullivan, was signed by Manchester City at 16 years old. ”

## PHILLIP BURKE, Mancunian Unity Manager:

“This season has been one to remember regardless of whatever happens over the next few weeks. Winning our first League title as a club and reaching 3 finals in as many competitions has been a special journey so far with many special memories created along the way.

However, our mentality, the work that goes in both on and off the field from the team of coaches, club staff and the players remains that our pre-season goals set have not yet been achieved.

The desire, work ethic, motivation and determination has seen this group of players get to this point and the dedication of training for 4 hours a week we hope will reap the rewards come the end of May.

I'm incredibly honoured to be the founder of this great club, but more importantly to be working with such amazing people. We have put absolutely everything into each day and each week to give ourselves the best possible chance to achieve many more successes for the rest of this season and beyond.

To be in the County Cup final from the level we play is an honour and one our players and Mancunian Unity Football Club will enjoy against a tough opposition from three leagues above us currently. We're most definitely the underdogs but we'll give it as good as we've got and we will leave everything out on the pitch to do ourselves and our supporters proud! ”

# CHEADLE TOWN STINGERS

The 2020/21 season marks a significant moment for Cheadle Town, as we take on a Women's team for the first time in the club's history. The Cheadle Town Stinglers have flown into Park Road leaving behind the black a yellow stripes of Manchester Stinglers and swapping them for red and white.

The team was formed in 1999 and as a member of the Northwest Women's Regional Football League they remain in the Premier Division for the 2020/21 season.

# MANCUNIAN UNITY WOMEN

Founded in 2019 by manager and club owner Phil Burke. Not managed to complete a season as of yet due to the Coronavirus pandemic. Currently play home games at Vestacare Stadium, Avro Football Club and have been here since the start of this campaign.

Before season curtailed in 2019/20, we were 3rd in the league table. 2020/21 season was stopped after just 2 league games but finished 2nd out of 6 in a mini league setup by the Greater Manchester Women's Football League.

Biggest achievement to date however was winning the divisional cup during 2020/21 season, beating Droylsden in the Quarter Final 9-2, Boothstown in the Semi-Final 3-1 and beating AFC Stockport Lionesses in the Final 4-1 with goals from Mya Wyatt, Olivia Storto and two goals from Jess Bamber.

## KEEP FOCUS ON FUNDRAISING THIS YEAR:

If you're honest with yourself, how much has your club focused on fundraising in the last couple of years? Ever-changing priorities and rules mean fundraising probably hasn't been at the top of your to-do list, especially at a time when it's needed more than ever.

A new year brings new opportunities and a regained sense of focus, and one way to keep a focus on fundraising this year and beyond is by registering your club with easyfundraising.

Who is easyfundraising?

easyfundraising is the UK's largest fundraising cashback platform. Unlike other platforms where individuals can earn cashback for themselves on their online purchases, individuals can earn cashback for their favourite good cause or charity instead. Meaning your club can earn some much-needed funds from its supporters and players shopping online.

So, what shops can we earn free funding from?

At present, there are over 6,000 online retailers your club can earn free funding from, but this number is increasing daily. easyfundraising works with everyday favourites like Amazon, Sainsbury's, Boots, and Holland and Barrett. Big department stores like John Lewis, M&S, Debenhams, and House of Fraser. Home improvement retailers, B&Q, Dunelm, Wickes, Argos, and fashion brands like ASOS, North Face, H&M, Boden, Clarks, and Pretty Green. Your supporters can even earn free funding from the likes of TUI, Thomas Cook, lastminute.com, Compare the Market, NOW, SKY, Virgin Media, and many, many more.

How much have other good causes and charities earned?

Since its establishment in 2007, easyfundraising has helped good causes, and charities raise nearly £40M. Last year alone, they raised nearly £4M, which good causes and clubs like yours have put towards exciting projects, saved for a rainy day, updated their facilities, or used to improve the support for its users.

How can easyfundraising keep your club's fundraising focused this year?

- It's free and easy to use: Not just for your club, but also for your supporters.
- Fundraise from everyday habits: Now, more than ever, your club's community is shopping online, and all they need to do to earn your club free funding is to go through the easyfundraising website or app before they shop online as usual.
- A continuous stream of income: No matter what is going on with the world, your club can fundraise all through the year.
- Complements existing activities: Your club can continue your existing fundraising activities, while easyfundraising helps you earn extra money in the background.
- Your club is never alone: easyfundraising has a wealth of content and materials to educate, engage and motivate your club's community. From social media posts, WhatsApp messages, posters, flyers, toolkits, and images, your club will have

it all at their fingertips.

Download easyfundraising's latest guide to New Year fundraising and share with the rest of your team to give them an overview of how easyfundraising works.
