AFFILIATION

AFFILIATION AND CHARGES FOR THE 2023/24 SEASON

Affiliation is an annual validation of your club, teams and officials, ensuring everyone playing affiliated football is meeting a minimum set of requirements. At the start of the season, ALL clubs playing FA sanctioned leagues and competitions must affiliate to their local County FA.

For the 2023-24 season, the affiliation process will be changing significantly, most notably the change from club affiliation to team affiliation and moving from Whole Game System (WGS) into the FA Club Portal.

Each team will not have an 'Affiliation Status' rather than an 'Affiliation Number'. This affiliation status will be visible in the Club Portal to the club, in the Competition Portal for leagues, and the County FA will see the details in the County Portal. This gives all cohorts who need to view whether a team is affiliated an easy way to do so, in their own environments.

For teams to locate this information, they need to select the teams tab on the left hand-side on Clubs Portal and review 'Affiliation Status' row. By selecting a specific team, you can also review the status in the right-hand corner alongside Team ID and Status (if affiliated it will show in the corner as 'AFFILIATED').

TEAM/CLUB REQUIREMENTS

TEAM AND CLUB REQUIREMENTS FOR THE 2023/24 SEASON

ALL CLUBS

Public Liability Insurance – All clubs are required to have Public Liability Insurance covering the club for the upcoming year. Minimum £10million pounds.

GREATER MANCHESTER FOOTBALL

Personal Accident Insurance – All teams are required to have Personal Accident Insurance, including development teams.

Club Ground – It is a requirement for clubs to state their main home ground. You can do this ahead of affiliation through 'My Club' tab.

Key Officials – Clubs are required to state their key officials.

Safeguarding Declaration – Every club will be required to accept a Safeguarding Declaration. Where clubs have teams that play across different levels of the game, multiple declarations will need to be accepted.

CLUBS WITH ADULT TEAMS ONLY

Team Ground – It is a requirement for team to state their main home ground. You can do this ahead of affiliation through 'My Club' tab.

Named Manager or Coach – Every team must have a minimum of one Manager or Coach.

Welfare Officer (NEW) – Clubs with adult teams require a named 'Welfare Officer (Adult Teams)'. For the 2023/24 season, no qualifications are required for this role BUT will be mandatory for the 2024/25 and we recommend you complete this qualifications for this season.

CLUBS WITH YOUTH TEAMS

Team Ground – It is a requirement for team to state their main home ground. You can do this ahead of affiliation through 'My Club' tab.

Named Manager or Coach – Every youth team must name all managers and coaches assigned to each team, with a valid and in-date DBS.

Safeguarding Children Course (NEW) – All managers and coaches require an in-date, accepted DBS & have completed the SAFEGUARDING CHILDREN COURSE. In the months of May, June and July, The FA is offering clubs a 50% reduction for their coaches taking the Safeguarding Children Course bringing the cost down to £15.

Youth Welfare Officer – Clubs with youth teams require a named 'Welfare Officer'.

CLUB COMMITTEE

KNOWING YOUR COMMITTEE AND SAFEGUARDING REQUIREMENTS

ALL CLUBS MUST have a secretary (someone to arrange fixtures, deal with correspondence with both the league and Manchester FA), a Treasurer (someone who look after the club's bank account and manages the cash flow) and a Chairperson (someone to act as an over manager to the club). Clubs with at least one youth team (U18s and below), MUST have a designated and qualified Club Welfare Officer.

ROLE	MUST BE NAMED ON THE CUB PORTAL	SAFEGUARDING FOR COMMITTEE MEMBERS COURSE	FA DBS	SAFEGAURDING FOR CHILDREN COURSE	FA WELFARE OFFICER COURSE
Club Secretary	✓	✓	(Required for youth clubs)	(Required for youth clubs)	
Club Chairperson	✓	✓	(Required for youth clubs)	(Required for youth clubs)	
Club Treasurer	✓	✓	(Required for youth clubs)	(Required for youth clubs)	
Youth Club Welfare Officer	✓	✓	✓	✓	✓
Adult Club Welfare Officer*	✓	Recommended (as requirment for 24/25 season)	Recommended (as requirment for 24/25 season)		

To affiliate, it is a requirement for YOUTH CLUB officials (Secretary, Chair, Treasurer and Welfare Officer) to complete the 'safeguarding for Committee Members' course (NOTE, this is NOT the same the Safeguarding for Children Course which those coaching teams may have completed). This is a free, online training course and will take around 30 minutes to complete.

It is also advised that the Club Secretary and Club Welfare Officer are not the same person, as these are two of the largest roles at the club, so we generally find it best to split the roles between two different people, as a minium.

Youth clubs must make sure that each named official, excluding Team Secretary, have a valid and in-date FA DBS and in-date Safeguarding for Children Course before the team is compilant for affilaiting.

If the position are held by people who do not have a valid and in-datte DBS, you will not be able to affilaite until this has been completed.
