20 Application for Examination

Application to be examined as a Referee shall be made on Form R1. Requests for Form R1 may be made to the Referee Development Manager, to whom the Form shall be returned upon completion.

21 Permission to Officiate

Referees may only officiate in matches played by Clubs within the jurisdiction of The Football Association Limited, a County Football Association, a Service Football Association or the Amateur Football Alliance Limited.

22 Application for Promotion

Referees who wish to seek promotion to either Level 6 or Level 5 shall, in the first instance, apply to the Observation Co-ordinator in writing. In due course, the Observation Co-ordinator will issue Form R5a (Application for Promotion) to applicants. This Form must be completed and returned to the Association Office, marked for the attention of the Referee Development Manager, so as to arrive no later than 1st March.

Each promotion candidate is required to enclose with their application a Bond (deposit) of £50.

If a candidate remains within the Level 7-6 or Level 6-5 schemes the Bond will continue to be held but if a candidate leaves the scheme after successful promotion or voluntarily without achieving promotion at the end of the relevant promotion season, the Bond will be refunded (less any deductions, if already made). If a candidate is removed from the scheme by the Referees' Committee or elects to leave the scheme during a promotion season, then the Bond will be forfeited.

If a report is not completed due to a failure by the candidate, £15 will be forfeited from the Bond in each instance.

The applicants shall be issued by the Observation Co-ordinator with nine Forms R6, Form R25a and Form R27/01.

The promotion season shall commence on 1st March and terminate on the last day of February of the following year.

Referees who have sought promotion to a higher classification in the current season are not required to re-apply for promotion, as they will remain within the promotion scheme each season until they are either promoted to Level 5, removed from the scheme or resign from the scheme. Referees who have been removed from the scheme or who have resigned from the scheme are required to re-apply when they wish to seek promotion again, in accordance with the procedures set out previously.

Level 5-4 promotion nomination scheme

Candidates seeking nomination to The Football Association Limited for promotion to Level 4, who are already at Level 5, shall apply in writing to the Association Office, marked for the attention of the Referee Development Manager, so as to arrive no later than 1st June.

The Level 5-4 promotion nomination season shall commence on 1st July and terminate on the 20th day of March of the following year.

Each promotion candidate is required to enclose with their application a Bond (deposit) of £50.

If a candidate leaves the scheme after successful promotion or voluntarily without achieving promotion at the end of the relevant promotion season, the Bond will be refunded (less any deductions, if already made).

If a candidate is removed from the scheme by the Referees' Committee or elects to leave the scheme during a promotion season, then the Bond will be forfeited.

If a report is not completed due to a failure by the candidate, £15 will be forfeited from the Bond in each instance.

Candidates seeking nomination to The Football Association Limited for promotion to Level 4, who are already at Level 5 will remain in the scheme for one promotion season only and, if unsuccessful, will be required to re-apply in any subsequent season under the same terms.

Details of the requirements for submission of relevant matches for observation and details of the requirements will be supplied to each candidate following application. Regulations 23, 24, 25, 26 and 27 do not apply to the Level 5-4 promotion nomination scheme.

23 Applicant's List of Competitions (Form 25a)

Applicants shall return Form R25a to the Observation Co-ordinator to arrive between 1st and 31st December. The Form shall state the name, address and telephone number of the Referees' Secretary of each Competition on which the applicant is officiating as a Referee or as an Assistant Referee.

24 Applicant's List of Appointments (Form R6)

Applicants shall send one Form R6 for each month from March to May and August to February to the Observation Co-ordinator. The Form shall be sent so as to arrive no later than the third Saturday of the month preceding that to which the Form applies. A Referee shall prepare a Misconduct Report for any incident of misconduct by a player, official or spectator of a Club participating in a match in which the Referee is officiating. Such misconduct Reports shall be made in duplicate* within two days (Sunday not included) direct to The Football Association Limited or the Parent Association of the Club concerned. Assistant Referees shall prepare Reports and submit them if required by the Association concerned.

** to all Association's except Middlesex, where a single copy only is required.*

31 Misconduct Reports for Middlesex Clubs

In the case of players or officials of Clubs for whom the Middlesex County Football Association Limited is the Parent Association, with the exception of the Senior Clubs as stated in the Published Guide, reports of misconduct shall be sent to:

Middlesex County Football Association Ltd, 39 Roxborough Road, Harrow, Middlesex HA1 1NS

When a player is cautioned by a Referee, each Assistant Referee must also prepare a misconduct report form in case the Association requests that it be submitted.

In all other cases of Misconduct, both Assistant Referees, when registered with the Middlesex County Football Association Limited, must submit misconduct reports to the Association.

Where a report of misconduct involving **offensive, insulting or abusive language or verbal dissent** is made, the Referee shall include in his report the **actual** words used by the player or official.

32 Attendance by Referees at Disciplinary Meetings

A Referee or Assistant Referee who has made a Misconduct Report shall, if requested by the relevant Association, attend any personal hearing of any charge of misconduct that results from that Report. Referees who willfully refuse to attend Disciplinary Commissions will be dealt with by the Referees' Committee.

33 Misconduct Report Forms

All misconduct report forms must only be sent to the appropriate County Football Association or The Football Association Limited.

34 Availability Form

All Referees, except for those registered as non-active, shall submit to the Association Office an Availability Form each year. Levels International, 1, 2, 3, 4, 5, and 6 Referees shall be required to submit the form no later than 30th June and all other active Referees shall be required to submit the form no later than 31st July, or at the date of registration, if later. Where the date of registration is later than either of the aforementioned dates, the form must be submitted with the registration form. Failure to submit the form by the due date will result in a fine of £5.00 being imposed.

Referees shall indicate on the Availability Form those dates when they are not available to referee during the ensuing season. A Referee will not be permitted to officiate either as a Referee or Assistant Referee in any league or competition on those dates indicated not available to referee, except with the express permission and approval of the Appointments Secretariat. Failure to adhere to this requirement, which is subject to Football Association Regulation Number 8 for the Registration and Control of Referees, may result in a charge of misconduct.

35 Change of address or availability

Referees shall notify to the **Appointments Officer** any change of address, permanent or temporary, and any change of availability. Failure to notify a change of address, even where temporary, or change of availability, or to give adequate prior notice of non-availability on specific dates falling within the range of previously advised availability may result in a charge of misconduct.

36 Correspondence

Referees shall attend promptly to correspondence from this or any other recognised Football Association. Failure to reply as and when requested may be considered to be misconduct by a Referee and dealt with as such by the Referees' Committee.

37 Appeal against the decision of a Competition

Where a League or Competition imposes a penalty, punishment or disciplinary action, including removal from its list of referees at a time other than in the course of the normal annual review, the Referee may appeal against that decision or action. Such an appeal shall be made in accordance with the procedure in Regulation 4(i) of The Football Association Limited's *"Regulations for the Registration and Control of Referees"*.

- Guidance on matters affecting promotion.
- Direct access to the best range of referee kit and equipment in the country
- Personal accident insurance cover while on refereeing duties
- Membership of the Benevolent Fund
- IPRS supervised physiotherapy – for full members
- Free standard motor accident assistance; to upgrade to a full Motor Legal Expenses Insurance Policy there is an added, optional premium of £3.
