<b>Preferred Position</b>		<b>Contact Number</b>	
<b>Dominant Kicking Foot</b>		<b>Is the player an English Citizen?</b>	Yes / No

We are holding open trials for female football players who wish to excel in the sport.

Regional Talent Clubs (RTC's) like ours, exist to develop potential England International players capable of winning major championships.

Teesside Sport RTC has a firm focus on player development and players reaching their highest potential such as current Teesside Sport RTC Alumni's England player Jordan Nobbs and Beth Mead.

Successful trialists at U10, U12, U14 and U16 will train and play full time with the RTC during the 2019/20 season.

U10/U12's age groups will compete in a boy's and girl's fixtures through a grassroots league.

U14/U16's age groups will compete in a weekly regional fixture program against RTC's. 2018/19 opposition teams have included Manchester United, Manchester City, Liverpool, Everton, and Sunderland.

All players will have to commit to the full 4-day week training program with the additional game day.

The age ranges for the Regional Talent Club for the 2019/20 season are detailed below:

Age Group	Born
U10	September 2009 – August 2011
U12	September 2007 – August 2009
U14	September 2005 – August 2007
U16	September 2003 – August 2005

Please note that all players who wish to be considered for selection must attend the trials. These trials will also include current Regional Talent Club players and there is no guaranteed place for any player.
