## Welcome

This season's Final should be a good game and importantly a great experience for everyone, especially the players and match officials. Our congratulations go to both teams, Watlington Town Veterans Old Boys and Marston Saints Veterans and their members, plus the match officials who have been selected on their merit. We also want to acknowledge the respective club's officers and volunteers, whose work behind the scenes has supported the teams to make it this far.

We are grateful to this evening's host, Oxford City, and especially thank Ryan and Laura for making the arrangements. We hope you enjoy the game and show your appreciation during and after the game in a positive manner

# WATLINGTON TOWN VETERANS OLD BOYS

Est. 2014

The Old Boys team were formed in 2014, as Watlington expanded its local Veterans football presence to two teams. Starting out in the Hellenic Veterans Division 1, the team, led by managers Terry Allen, Ian Lester, and now Lee Matthews, has gradually grown over the seasons to become an increasing force. Despite improved league finishes the team has never featured in a cup final in its short history and had previously not reached a Quarter or Semi-Final. Today's appearance in the County Cup final is one to savour for everyone associated with the team.

# MARSTON SAINTS VETERANS

Est. 2015

The team originally entered the league as OUP Veterans in 2015 and finished mid table in the first year. They then won promotion to the Veterans Premier Division in 2016/17 season by finishing second in the league. It was a brief stay in the Veterans Premier Division top flight as they were relegated in their very first season. In the summer of 2018, they changed their name to Marston Saints Veterans as there was no longer an OUP football club and there has been always been connections to both clubs. Some of the players actually go back all the way to Summertown Stars of the early 90's where seven or eight of the Veterans squad started playing youth football together. They progressed from Summertown's youth team to OUP in the late 90's and the majority of current squad has played either Saturday or Sunday football for OUP or has played for Marston Saints throughout the years.
