

RAF FA Veterans Organisational Structure as at 01 May 2020

Notes:-

The purpose of this organisational structure is to enable the RAFFA Vets Committee to communicate more effectively and provide efficiencies where best practical.

During the Heads of Sheds (HoS) monthly meet, the **green personnel** will be requested to cover the subjects of those **red personnel** within their pillars. If they are unable to attend the HoS monthly meet, then a deputy is to be nominated and briefed accordingly.
