FACILITY & INVESTMENT OFFICER

Are you passionate about Grassroots Football?

Can you inspire change and make a difference?

If so, The Staffordshire FA are looking to appoint a Facility & Investment Officer to support our work across our Club, League and Partner networks to protect and enhance football facilities across the County.

ABOUT STAFFORDSHIRE FA

Founded In 1877, The Staffordshire Football Association Is The Guardian Of Our National Game In The County.

Responsible for efficiently governing and developing the local game, the Staffordshire FA strives to positively influence participation for all in football regardless of age, ability, sex, sexual orientation, race, religion and socioeconomic status.

Our aim is to make a positive difference within football, giving everyone the opportunity to access quality football opportunities and experience to fulfill their potential. We are keen to develop partnerships in order to promote the benefits of football and improve the facilities where football is played.

With over 1,700 teams, 30,000 players and 800 referees, Staffordshire FA is responsible for providing a support structure that enables players, volunteers, coaches and referees to develop individually or as part of a Club or League and most importantly, participate in a safe and enjoyable environment. We are a progressive County FA who celebrate our history and traditions but we do not dwell on them. We are a dynamic, fast moving and evolving organisation which is passionate about our sport and its long term success.

HOW TO APPLY

**ENGLAND
FOOTBALL**

Position: Facility & Investment Officer
Term: 3 Year Fixed Term Contract
Hours: 36.5 per week
Salary: £24,381
Employer: Staffordshire Football Association

Our role is to support all participants from across the County to take part in football their way. Our aim is to provide a safe and inclusive environment where everyone can achieve their football aspirations. We are passionate about developing grassroots football and we are now actively recruiting a dynamic, inspirational individual to support our work and help us achieve our ambitions set out in the Staffordshire FA Business Strategy 'Uniting the Knot'.

This exciting role will support our Club, League and Partner networks to protect and enhance their football facilities. Grass Pitch improvement is a priority for us, with this role leading our work to ensure all affiliated football is played on a good quality pitch. Utilising Football Foundation grants and securing funding from a variety of sources will be key. Maintaining and influencing a strong partner network to enhance facilities across the County, along with supporting clubs to develop successful funding bids to help achieve capital funding for small, medium and large scale projects will determine success. Protecting and developing local authority assets along with monitoring and evaluating projects to ensure investment is managed appropriately will be essential.

The role will also have a specific focus in Stoke on Trent, working in partnership with Stoke on Trent City Council to deliver their facility development ambitions for clubs and leagues across the City along with their own assets. The City Council are embarking on the delivery of their new Playing Pitch Strategy across the City and this role will help deliver the ambitions of this Strategy.

A committed, conscientious, and ambitious person who is passionate about grassroots football and facility development and who is looking for an exciting challenge will thrive in this role. We pride ourselves on exceptional customer service with communication skills being key to help influence and provide innovative solutions to enhance Staffordshire's Football Facilities.
