FOOTBALL

On behalf of the Board, Council and staff of Suffolk FA I wish you a warm welcome to the Veo Suffolk Under-18 Midweek Cup Final here at Colchester United FC.

Once again, we thank all those involved with Colchester United FC for their enthusiasm and commitment to host tonight's final, one of five Suffolk County Cup Finals the club are staging this season and providing a memorable evening for all involved – it is hugely appreciated. Please enjoy the facilities with respect and gratitude.

The road to this year's final has been as exciting as ever, with both teams in impressive goalscoring form.

AFC Sudbury were 3-1 winners at Whitton United in the first round, while Needham Market received a bye.

Both teams recorded good home wins in round two, AFC Sudbury seeing off Walsham-le-Willows 6-0, while Needham Market won 8-1 against Woodbridge Town.

It was the turn of AFC Sudbury to score eight unanswered goals when they hosted Hadleigh United in the quarter-finals, with Needham Market defeating Mildenhall Town 6-1.

In what was a repeat of last season's final, AFC Sudbury eased past Ipswich Town Under-16s 5-0 in their semi-final, while Needham Market accounted for Cornard United 3-1.

The third team involved in the Final will be the team of match officials. This is an occasion as much for them to enjoy as it is the teams.

They have been selected to officiate these prestigious matches through merit, and whilst they may well make decisions which you don't agree with, they will make those decisions based on what they see/hear in a split second, without replays or slow motions.

I invite you to carefully read the Spectators' Code of Conduct included within this programme and do everything you can to ensure you and those around you abide by it.

Finally, a huge note of appreciation to our partners Veo, without whom holding this Final at this ground would not be possible.

Veo cameras are becoming more and more noticeable around grounds in Suffolk from our Step 3 clubs to Sunday morning sides.

Oli and Rosie and their team continue to be very valued and loyal supporters of Suffolk FA. I hope you enjoy the match and thank you again for passionately but respectfully encouraging your favoured team.

With best regards

## MANAGER - COLIN GROGAN

I would like to welcome all players, parents, and supporters to tonight's cup final. Tonight, we face our old adversaries in AFC Sudbury, who knocked us out of this competition in the semi-finals last year, so we will be doing our best to reverse that result tonight and release the stranglehold they have had on this competition in recent years.

With some of the best young footballing talent in Suffolk on show, it promises to be a highly competitive and entertaining game, which I hope you will all enjoy.

Come on the young Marketmen.

In November 2016, British football was rocked by a series of high-profile revelations regarding child sexual abuse. Several former professional players bravely waived their right to anonymity to speak out about their past abuse.

A number of those involved, decided to set up the Offside Trust, an organisation committed to supporting survivors and working to make sport safer for children.

Former professional footballer Steve Walters is director of the Offside Trust.

We are proud to work with and support fellow survivors. In addition to Steve, the Offside Trust family includes the amazing ambassadors listed below and several others who wish to remain anonymous:

Gary Cliffe, former youth team player at Manchester City  
Dion Raitt, former youth team player at Peterborough United  
Alan Arber, former Norwich City player  
Callum Hancock, professional boxer

Our aims are:

- To raise awareness of the importance of safeguarding across all sports at all levels
- To provide survivors with advice guidance and resources to aid the healing journey
- To campaign for legal and regulatory changes to improve safeguarding in sport

Our objectives are:

- To secure partnerships with clubs at all levels, in all sports
- To engage with survivors and signpost them to the appropriate professional support
- To engage with survivors within the Offside Trust Support Network
- To support charitable helplines with specific focus on survivors in sport
- To change the law on child sexual abuse being exempt from 'Double Jeopardy'
- To lobby for 'Mandatory Reporting' to be adopted in UK law
- To engage with political and judicial bodies to strengthen legal support for survivors

Since 2016, the Offside Trust has received the support of supporters, clubs, players and former professionals throughout the sporting world. We focus on all sports, not just football. We are grateful for the support that we are getting from everyone including the people in cricket, rugby, golf and boxing, helping to raise further awareness across sport.

The Offside Trust works alongside governing bodies, charities and organisations that deal with safeguarding.

If you are a survivor of child sexual abuse in sport, there are a number of resources available.

The FA have commissioned a dedicated NSPCC helpline for adults who were abused in childhood within the football industry from grassroots to Premier League. If you would like to speak to somebody the free NSPCC helpline for guidance and support is available 24 hours a day on **0800 023 2642**. Our friends at Survivors Manchester (<https://www.survivorsmanchester.org.uk/>) and Samaritans (<https://www.samaritans.org/>) have help and support available if you need to talk.

If you think that a child is in immediate danger please dial 999.

If you are a child who needs help, please call Childline on 0800 11 11.
