SUFFOLK NLS CLUBS Funding Fact Sheet

Funding Opportunities for Suffolk Clubs within the National League System (Steps 1-7)

Football 🔅 Foundation

The Football Foundation is the largest sports charity in the UK. It is funded by the Premier League, The FA and Government (via Sport England).

Retain the Game

The Football Association and Football Foundation have launched 'Retain the Game', a new scheme aimed at supporting the retention of adult male teams. The scheme provides grants of £750 to clubs with existing male teams to support the essential costs of pitch hire, training venues, First Aid courses and playing kit/equipment. Clubs must have 2 or more teams (U17-U21, Open Age and Vets) to be eligible and have or commit to achieving their FA Charter Standard Status. The RTG funding will go live again on 17th April 2019.

A THRIVING LOCAL GAME

FACT

In 2018, over £200k of FSIF funding was accessed by Suffolk clubs to support over £600k worth of facility improvements

Football Stadia Improvement Fund

The FSIF provides money for clubs in The FA National League System who want to improve their facilities for players, officials and spectators. The eligibility of projects and grant limits available are dependent on the step of The FA National League System your club plays at. The FSIF scheme provides maximum percentage grant of 70% of the total project costs for projects across each of the FA National League System steps.

NLS Step	Max cumulative grant value*
Step 3 and 4	£150,000
Step 5 and 6	£100,00
Step 7	£20,000 (up to £50,000 for applications including changing rooms)

* This is the maximum grant available, less any previous grants awarded by the FSIF whilst at any other level over the previous five years.

We're here to help.
