## Pre-Match Preview: Reece Clarke

**Reece Clarke's young Ifield side have enjoyed a glorious cup run which has seen two very tight games unfold on their journey to the final, although both played out completely different.**

"In our game against Eastbourne Rangers in the quarter-final from half-time it went 1-1, 2-1, 2-2, 3-2, 3-3, and then Jackson Preston scored the winner near the end of the game," said Clarke.

"It was quite uplifting for a fairly young team, getting a late winner especially when we had a few under-18s helping us as well and one of them scored in the game.

"But in the semi-final against Crawley United it was a difficult game because it wasn't on a great pitch. It was a defensive first-half and we went out for the attack in the second-half, and luckily Glen Carr managed to squeeze a winner midway through the half and we held onto the lead."

In general, all of Clarke's players have stood out to him in previous seasons.

Although he stresses that the key advantage, from his perspective, is the remarkable two talents that joined his squad at the start this season; one controls the midfield and the other protects the net and he hopes they will both prove most beneficial for the final on Thursday.

"We have had a couple new people come in; Carr came in and helped us out from the start of the season, and has made a difference to our team," said Clarke.

"And having a goalkeeper which kept us in the game from the first round of the cup making two saves in the penalty shoot-out."

Despite finishing bottom of the Gray Hooper Holt LLP Mid Sussex Football League, Clarke's side have proved to be an impressive side in the cup, and he emphasised how incredible it has been for his young squad reaching a men's final.

"It is one of our biggest achievements getting this far in the cup; we are still a young side," he added.

Considering this, what type of challenge does Clarke anticipate from Ovingdean on Thursday evening?

"I think they are going to be an experienced side with a few older players, whereas we have got quite a few youngsters, but we're all friendly with each other and know each other quite well," he said.

"We will need to be disciplined and take chances as and when we can to attack."

## Pre-Match Preview: Steve East

**Ovingdean encountered a turbulent journey to the final, requiring a penalty shootout to distinguish them from Portslade Athletic in the quarter-final.**

"They were 2-1 up at half-time and then we played a bit better in the second-half and equalised. It was a really even game; 2-2 was a fair result. You never know with penalty shootouts it can go either way," said manager, Stephen East.

"We were expecting a really tough game against Rudgwick in the semi-final and right from the kick-off we were well up for it and we were 4-0 up within 30 minutes, they were in shock the way the goals were going in.

"They did get a goal back but by then the damage was done. That was our best game of the whole cup run."

Having just won the Brighton, Worthing & District Football League for a second consecutive season by a great distance; East highlighted the key factor for his side's success is the strength in depth and talent within the team.

East emphasised how it is making it hard to pick his starting 11 in a squad of players who all deserve to start the cup final as they aim for the double.

When asked which player in his opinion could determine whether his side will seek victory and lift the cup on Thursday night. East said: "Our outstanding player has got to be our top goal scorer and captain who has got 36 goals in all competitions so far this season, Af Williams.

"Our outstanding player has got to be our top goal-scorer, and captain, who has 36 goals in all competitions so far this season, Af Williams," said East.

"Our second top goal scorer with 10 goals, Jordan Rudwick is unavailable to play so there is a lot riding on Af's shoulders."

Focusing on the final, despite never facing Ifield, East is well aware of the challenge posed and has no illusions about it from their impressive cup run.

"Getting to the final, they have done brilliantly so we are expecting a tough game," he said.

"They have had some good results on the way to the final, they have beaten two teams from our league; including Boys Brigade Old Boys First who they beat in the third round 4-0, and they are a decent team, and they beat Crawley United who are a good side."

Highlighting the achievement of reaching the final, East is more than proud of how far the club have come.

"To get to the final is brilliant, as we have been going competitively now for 22 years, and we have always competed in the County Cup," said East.

"So, to get to the final is brilliant and to win it would be amazing, a real landmark for our club, and I think for the Brighton League in general it would be a real boost."

# PLAYER PROFILES

**George Hatton • Goalkeeper**

The biggest of seven keepers to have worn the number 1 shirt this season. Broke his finger just after performing heroics in the quarter final penalty shoot out. Has returned just in time for the final.

**Tom Morley • Goalkeeper**

Club stalwart, 'Moreman' is back up keeper tonight. Has bravely fought back to fitness after rupturing his cruciate ligament last year and been faultless since coming back in January.

**Josh Finn • Defender**

Vice-captain. Incredibly consistent defender. The 'Blackburn Cannonball' is strong in the tackle, good on the ball and amazing in the air, especially considering his lack of inches.

**Daley Clark • Defender**

Classy defender, in his 10th season as an O. Formerly a cultured midfielder Daley has a great touch, is calm in his distribution but possesses a crunching tackle.

**Callum Russell • Forward**

Made his debut at centre forward in our first game this season but has been centre back or dm ever since. Cal has been a great addition to the squad both on the pitch and in the pub!

**Sammy Harmer • Defender**

Long serving, speedy full back who dreams of being a striker. Unlike some others in the squad Sam has not slowed down with age. Shame he is not so quick when it comes to paying his subs!

**Henry Golding • Midfielder**

A Rolls Royce at the heart of the midfield. Lives and plays football in the slow lane making everything look easy. Great awareness and strength on the ball. A real calming influence.

**George McMahon • Midfielder**

A great new signing this season. George is a combative, all action midfielder with real drive and an eye for goal. Will be hoping to add to his '7 goal tally tonight.

**Dean Smith • Midfielder**

Unfortunately work has limited his appearances in this, his 2nd season. Fiercely competitive, when he plays 'Dodge' always brings terrific drive and energy allied to great ability. A real winner!

**Billy Geard • Midfielder**

Talented, creative midfielder. Bill rarely seems to be enjoying the game but his mood has improved since making the number 10 shirt his own. Our main goal provider with 20 assists so far.

**Rob Salaita • Striker**

Rob is a talented, unselfish front man who has contributed 8 goals and 8 assists in his 9 appearances, in this, his debut season when he has often had to juggle work and family with football.

**Af Williams • Striker**

Prolific striker, Af is capable of scoring breath taking goals and missing absolute sitters. Since taking over the captaincy this season from club legend, Russell Shippam, has been an inspiration.

**Mateaus Sieniewski • Defender**

Mat is a tough tackling full back who loves to get forward and possesses a trick or two. Has also deputised in goal when needed. A real team player.

**Jack Joyce • Forward**

Skilful left winger who can also operate successfully as a number 10 or, slightly more reluctantly, at left back. Missed 3 months with a broken arm but is back in full effect now.

**Will Blair • Forward**

Talented, confident, cheeky young winger with natural ability both with the ball and at winding up opposition defenders and team mates alike. Scored the late winner in the 3rd round.

**Sonny Williamson • Forward**

Hard working, intelligent winger (and whinger!) who can whip in a great ball with either foot. Sonny is unlucky not to be starting tonight as he has been virtually ever present this season.

# DONATE UNWANTED FOOTBALL KIT

Do you have any old or unwanted  
football kit and/or equipment?

With the football season drawing to a close, many clubs may take the opportunity in the off-season to purchase a new kit. Players may also buy new boots, shin pads or goalkeeper gloves.

But spare a thought for that old football kit or pair of boots, what happens to those items now?

The Sussex County FA, together with charity partners Sussex to Africa, is encouraging all clubs and players to donate any of their unwanted football kit or equipment, so that it can be put to good use and bring joy to communities in Africa.

## What football kit and equipment can be donated:

- Shirts
- Shorts
- Socks
- Tracksuits
- Boots
- Goalkeeper Gloves
- Shin Pads
- Footballs
- Trainers
- Training Equipment

All donations should be clean and kept together in a plastic bag, bin bag or box. Donations of both adult and children's kit and equipment is welcome.

## How to donate:

- Drop into the Sussex County FA Headquarters in Lancing
- Contact the Sussex County FA who can arrange local collection
