Home Win

Wroughton First 3 - 1 Laverstock & Ford First

Home Win

Bemerton Heath Harlequins First 5 - 2 Malmesbury Victoria First

Home Win After Extra Time (1 - 1 after 90 minutes)

## JOINT CALNE TOWN FC MANAGER, TREVOR RAWLINGS, REFLECTS ON THE COMPETITION SO FAR.

“Calne Town FC have faced two Wiltshire League sides on their way to this semi-final, Cricklade Town FC and Trowbridge Town FC.

The first round game against Cricklade was comfortable evening for the Lilywhites, with several changes to the side, the squad players had the chance to impress. The visitors had a bright start but as soon as Calne scored their first, they took control and if it wasn't for the Cricklade Keeper the scoreline would of been a lot more convincing.

Max Wyatt scored 2 goals with Jake Allan and Kerion Gleed with one each.

The next round saw Calne take on Trowbridge Town FC who had beaten Western League side, Devizes Town in the previous round.

Calne used the match as a chance to give squad players a chance of a run out, but with poor pitch conditions the team struggled to take the advantage against Trowbridge, with chance after chance being missed and again finding another keeper in top form. The game went to penalties after finishing 1-1 after 120 minutes .

The penalties showed real quality as Calne scored all their penalties, with Calne Keeper saving 2 of Trowbridge Towns.

This semi-final will be a tough game with Wroughton FC flying high and unbeaten, with a very well deserved quarter-final win against higher league opposition.

Good luck to the team.”

## THE TEAM

**Sam Thomson:** 26, Goalkeeper Tommo, signed in the summer after spending last year at Corsham and has been a breath of fresh air, keeping 15 clean sheets already this season and has won us vital points throughout the season so far.

**Garry Lock:** Garry ‘Norman’ Lock, 31, Defender, signed at the beginning of last season but never really featured last year. He has found his feet this year and is a massive part of the squad both on and off the field.

**Aaron Witchell:** Azza, 20, Defender, is a Calne lad through and through and has so much potential. Three years ago an attacking player, but now definitely playing in his best position, full back. A great guy overall, always plays with a smile on his face.

**Zak Mitchell:** 19, Defender, after signing in November, Zak has been sublime for us. Another young Calne lad who gives 100% and he even scored a last minute winner at Sherborne back in December.

**Jamie Norman:** 21, Defender/Midfielder full back, centre back, centre mid... you name the position, he's played it. A real versatile player and a key member of the squad since joining at the start of last season. The cheekier Norman by far.

**Charlie Norman:** 23, Defender, Charlie made skipper at the start of the season. He has more holidays than anyone I've ever known and loves a header apart from when it's in the opposition box, still waiting for his first Lilywhites goal of the season.

**Matt Bearne:** 28, Defender, Matt is solid, professional, ever reliable. He played every minute of every game this season. Mr Reliable has been outstanding since joining three seasons ago, but this has definitely been his best season in a white shirt to date.

**Tom Boakes:** 29, Midfielder, Mr Calne Town. Boaksey plays anywhere and will do anything to get the side three points on a Saturday. He's Calne through and through, every side needs a Tom Boakes.

# CALNE TOWN FC

**Fabian Stanislas:** 16, Midfielder, the 16 year old wonder-kid signed in November and took everyone by surprise since his debut. A fantastic player who has a bright future in the game. A great lad off the pitch also.

**Matt Hudson:** 27, Midfielder, if you typed in 110% into google, a picture of Matt Hudson in a Calne kit would come up! Always gives his absolute all. Almost irreplaceable in the midfield. A great guy who wears his heart on his sleeve.

**Dec McStravick:** 19, Midfielder, since making the step up from the reserves, Dec has been phenomenal. I don't know anyone who can run as much as Dec in a game of football. He gives his all every week.

**Joe Broadbank:** 24, Midfielder, Mr No Show for many months of the season as he was enjoying turning up for Wantage each week, but he finally saw the light and returned to the Lilywhites. He's been superb since he made that permanent switch.

**Josh McGrory:** 25, Midfielder, another player who we tried to get for ages but has finally made his switch permanent. A great player and addition to the squad.

**Max Wyatt:** 24, Midfielder/Striker/Super Sub, the most committed player in the squad, never moans, never groans... just wants the lads to win. He scores the odd goal here and there, it's a real shame this lad is a Liverpool fan as that's his only downfall.

**Jamal Chevolleau:** 25, Striker, probably our most unique player but we wouldn't swap him for anyone. Scores goals when he wants, gets the odd sin bin here and there, and plays the most atrocious music in the changing rooms week in week out.

**Stuart Windsor:** 27, Striker, a Calne Town living legend. Has won the golden boot for the last six years and will no doubt do so again this year. He hates a mini bus trip, but loves a pint or 2 for sure.

“We are massively enjoying the cup run this year, and we are not surprised to have made it as far as we have to date.

A fantastic squad means we compete ‘week in, week out’ in the league and the cups, as we have shown.

Playing opposition from higher leagues really seems to give the lads extra motivation, with wins vs. Highworth Town and Laverstock & Ford so far.

We look forward to playing Calne Town FC in the semi-finals, in what I am sure will be a great contest as we look to maintain our unbeaten start to the season.”

**Adrian Wilkinson, Manager, Wroughton FC**

## THE TEAM

### GOALKEEPERS

**Jack Gibson – 21** - New to the squad this year, Jack has made the Number 1 shirt his own. Concentration levels have had to be on point, with Wroughton on the attack for much of the games, but Jack’s shot-stopping has been reliable when called upon.

**Kurtis Sharkey – 32** - A fantastic goalkeeper with a huge amount of experience across the county. Other commitments leave Kurtis as very much a squad player, but he is always on top form when needed to step up.

### DEFENDERS

**Craig Bowden – 28** - A no-nonsense, tough talking defender, with a wealth of experience. In his 4th season at Wroughton, after plying his trade at a higher level, Craig is a massive influence within the squad.

**Chris Flanagan – 33** - Our club captain and leader, is a ball playing defender who leads by example and is a great asset in the development of the younger squad members. His time as captain has un-coincidentally delivered good returns, with Chris lifting two league titles and a number of cups

**Gareth Davies – 34** - A fantastic natural born leader, Gareth is the hub of all the activity on and off the pitch. From leading the warm-up and organising the end of season activities, the commitment Gareth shows, is a much needed bonus at any club.

**Anthony Packer – 33** - Without question, the leagues toughest tackler, Anthony never shies away from a challenge. Whether playing at the back, or in midfield, 100% commitment and a will to win is always present. He keeps the secretary and treasurer busy!

**Tyler Wilkinson – 22** - A goal scoring defender/wing-back who is highly flexible in terms of positioning. His desire and engine means he gets up and down the pitch for 90 mins and has contributed at both ends of the pitch over the past 2/3 years.

### MIDFIELDERS

**Riegan Cook – 20** - An agile and skilful footballer, who is topping off some fantastic experience gained at the Cirencester Academy, learning from the more senior players within the group. Playing on the left or right, Riegan will be seen tracking back, but will terrorise defenders when on the attack.

**Jamie McLaughlin – 33** - A real workhorse defensive midfielder, Jamie plays every game selflessly ensuring he covers every blade of grass in the middle of the park, both to break up play and being the link between defence and attack. The players ‘fine master’ ensures fantastic camaraderie with inventive ways of ensuring the lads turn up on time and in a good state.

**Tom Price – 31** - A defensive midfielder who loves to keep the game flowing, with his natural ability to find a pass in the tightest of games. Awarded “Manager’s Player of the Year” last term, in a talented squad, shows how highly Tom is thought of at the club.

**Kyle Parker – 21** - Another very agile and tricky midfielder. Kyle is fantastic going forward and will cause issues for defenders at any level. Having worked really hard on his defensive game over the last two years, Kyle is fast becoming one of the first names on the team sheet.

# WROUGHTON FC

**Aaron Maximen – 31** - The leagues finest number 10, Aaron leads from the front. A work rate to match his ability on the ball, ensures Aaron has been an ever present over the last 2 years and is a huge influence throughout the team.

**Tom Dingle – 37**

Our utility man can always be relied upon. Whether playing in the middle of the park or up-front, Tom's fitness levels and desire are matched only by his fancy footwork. A Wroughton lad through and through, Tom has spent well over 10 seasons at the club.

**Ollie While – 21**

A product of Wroughton's youth squad, Ollie gives 100% every time he can make a fixture. In his last year at University, appearances have been rare thus far, but certainly a player we look forward to getting back full time next season.

## FORWARDS

**Shane Hibbert – 31**

The league's top scorer last year, Shane is looking like a good bet to match the accomplishment in 2019/20, with 20 goals in 13 games this term. Despite this record, you will see Shane tracking back and he never fails to put a good shift in. Always happy, when amongst the goals!

**Jordan Lea – 20**

Coming up through Wroughton's youth teams, Jordan has made the step up to the first team look fairly easy. Goals in his first 3 seasons as a senior player and one to watch in the future, with his pace and ability to find the net.

**Louis O'Shea – 21**

Louis has hit form this year. Goals across both Wroughton's teams has allowed him to stake a significant claim this term, in becoming a first team regular. A real favourite amongst the lads.
