

## **Contributory League Match Official Appointments** **October 2009**

### **Referees Report Form**

Referees will notice some slight changes to the Contributory League Match Report Form for season 2009/10. **Please ensure you ONLY use copies of the new forms issued for season 2009/10 throughout the season.**

### **Social Networking Websites**

Social Networking Websites have now become a part of everyday life and are accessed by many people from all walks of life. It is an individual's right to use such sites as they wish, within the bounds of legal acceptability.

However, as a Match Official in the professional and semi professional game, there is a responsibility to conduct one's self in a professional manner, both on and off the field of play. Inappropriate use of these sites may leave a Match Official open to criticism, comment or ridicule, even if the matter is of a personal nature. Inappropriate comments regarding refereeing issues or other uses of such sites which could bring football, referees or The Football Association into disrepute may make it necessary for The Football Association to take action against the Match Official in question.

Please therefore think carefully before posting on such sites. The FA would not wish you to jeopardise your position as a Match Official by making inappropriate or ill founded social comment or use of such sites.

### **Joint Travel Provisions**

It is the responsibility of the appointed Match Referee to make arrangements for joint travel with the other Officials and for her / him to establish the most cost effective way for all three Officials to travel (Manual of Guidance - page 10 refers). All Officials are reminded that joint travel on Saturdays and Bank Holidays is non-negotiable. Any Match Officials who wish to withdraw from the arrangements on these days will be unable to make an expenses claim.

### **Changes to Personal Contact Details**

Please note that all changes of contact details should now be sent directly by email to [Contribdetails@TheFA.com](mailto:Contribdetails@TheFA.com), and **not** sent to the Appointments Officers.

### **Contributory League Bulletin**

It is possible to search the bulletin for a specific Match Official or Club by following these steps:

1. Click on *Edit* on the toolbar across the top of the page.
2. Select *Search*
3. Entering the name of the Club or Match Official you require, and clicking *Search*.
4. The instances where that name appears in the bulletin will be listed on the right hand side on the page. These can be instantly accessed by clicking on them.

### **Match Officials Communication**

**Referees** are reminded of their responsibilities with regard to pre-match contact with their colleagues **irrespective** of whether travel arrangements need discussion or not. The Referee **must ensure** that contact is made with his / her Assistants well before the scheduled date of the game - a courtesy call to ensure no mishaps on match days.
