It is hoped that conflict will be avoided between Schools' Football and Centres Football.

It is recognised that the prime objective in the Programme for Excellence is to give more time for coaching talented young players and for those talented young players to play in coached games against other talented

players. It is, however, recognised that in the early part of the season, September and early October, and the late part of the season, late February and March, priority will be given to Schools' Football should there be a clash between Centres of Excellence coaching and Schools' matches.

Players registered in The Football Association Programme for Excellence in the Under 16 age group should be released to participate in County Under 16 representative competitions. There will be no more than six matches per season, which will be extra to The FA Centres Football and Schools Football allocation as shown above.

County Football Associations will inform, in writing, the Centre of Excellence with which the player is registered no less than 14 days prior to the match.

Representatives of the County Football Association will be advised of the dates on which no FA Centres Football Fixtures are to be arranged in each region and will be invited to a meeting of the "cluster" of Centres of Excellence with the Monitor and Regional Director.

County Football Associations will endeavour to move to a common fixture calendar to be coordinated with The FA Centres Football Fixtures as organised by The Football Association. All efforts will be made to avoid any clash of fixtures.

 - this procedure will require clubs to "clear" the player seven days in advance
- (iii) Players, including registered players and trialists, must only play one match in one day. Clubs may include no more than two players from one junior team and no more than four in total on a trial basis in each match. The normal trial period shall be regarded as four matches after which players should either become signed to the club or released.

Any matches subsequently re-arranged should be similarly notified.

- 9.6. Directors of Centres of Excellence are only allowed and encouraged to develop games in the Under 12 age range as small-sided game rules as specified by The Football Association.

It is expected that in the 13–16 age groups games will be 11v11.
