# NEWS / MATCH REPORT

## Chairman's Greeting

Welcome on behalf of Brinkworth Cats FC, to our football friends visiting us today. I look forward to a competitive and entertaining match, and hope that our players win with modesty, and lose with dignity. Win or lose, why not have an after match drink, be it alcoholic or not, in the Clubhouse.

Mark Evans  
Head of Section.

## Brinkworth Cats FC 2 Wootton Bassett 0

The game started better than we could have hoped for when after only 40 seconds Felix scored our opening goal, calmly putting the ball round the keeper. Felix's second and our last goal was a cracker, with a trademark Cats break coming at the Bassett goal, their goalkeeper rushed out and attempted to clear the ball upfield. Unfortunately for Bassett, the ball cannoned off the back of one of the Bassett players and flew straight past the keeper, back to Felix who very calmly and without any drama put the ball into the back of the net.

A disallowed goal from Matt was ruled offside with Felix on the goal line frantically leaping to allow the ball through his legs. This was the point at which Charlie took his bow and Zak joined the game with a straightforward substitution. To finally add to the tension, on 26 minutes Bassett gained a penalty although there should have been a free kick to Cats in the approach to the award of the penalty with Ed being slammed to the ground by the Bassett player who waltzed through the defence and cut across to the goal before getting a shot in on goal that was expertly palmed away by Alex. Cats managed to establish enough of a hold on the fixture to secure the points and extend our league unbeaten run to 13 games.
