

The FA Equality Workshop

Course Description

The FA Equality Workshop is aimed at raising awareness and educating people in football that the game is for everyone. The course covers an array of topics including looking at developing a greater understanding of the needs of people from different backgrounds e.g. women and girls; disabled people; ethnic minorities and how you can build better links with different communities.

Course Aims and Objectives

- Define key equality terminology in the context of current legislation
- Recognise the demographics of football and the benefits and barriers to equality
- State diversity-sensitive language and behaviour
- Identify unfair, inappropriate and illegal behaviour and state how to challenge and report it
- Recognise the importance of consultation
- List actions to make football more open and accessible
- Contribute with greater confidence and knowledge to how your club or organisation should and can embrace Football For All.

Course Content (Theory & Practical Assessment)

- Knowledge of legislation and key terminology e.g. equality, diversity, sports equity and equal opportunities
- An understanding of the demographics of England and football and the benefits and barriers to equality
- Knowledge of the most up to date diversity sensitive language and behaviour
- An appreciation of the experience of belonging to a minority group
- Understanding of the organisation's grievance/complaints procedure
- Recognition of unfair, inappropriate and illegal behaviour and state how to challenge and report it
- Contacts and networking with external organisations that give guidance and support on equality issues
- Awareness of importance of consultation and the importance of making your organisation more open and accessible
