Such a review will take into consideration the Referee's administration, fitness, conduct and performance on the field of play as defined in these Regulations, as modified by any written instructions to a Competition from the Association from time to time. 1. REGISTRATION

- (a) No person shall be appointed as a Match Official in any Match or Competition under the jurisdiction of The Association either directly or indirectly unless registered in accordance with these Regulations.

A Competition may include in its regulations a provision by which a person who is not a registered Match Official may carry out the duties of a Match Official in a specific Match but only in circumstances where a registered Match Official cannot be appointed to or officiate in that Match. In these circumstances the appointed unregistered and/or unqualified Match Official will carry the same powers and duties of an appointed registered Match Official for the purpose of that match.

- (b) A Referee must be registered with The Association through the Affiliated Association within the area in which the Referee resides, which will be deemed that referee's Parent Association (or County). The Parent Association for serving members of The Armed Forces

is the Affiliated Association of the service in which they serve; such referees may also register as an Associate Referee with the Affiliated Association in whose area they reside. A Referee will be required to pay the standard national registration fee to be determined annually by The Association. Registration will run from the date of registration until the following 31 May. A Referee may become an Associate Referee with another Affiliated Association but will not be required to pay a further fee.

The Memorandum attached to these regulations details the responsibilities of Affiliated Associations in respect of Referees administered by them.

- (c) In cases where the boundaries of Affiliated Associations overlap, the Affiliated Associations concerned must mutually agree responsibility of the training and examination of Trainee Referees. Once the Referee Course has been completed, the registration of the Referee must then be transferred to the Affiliated Association of the area in which the Referee resides. A Referee who changes residence from one administrative area to another will be required to be released by the original Association before being registered with their new Association for administrative purposes but will not be required to pay a further registration fee for that season.
- (d) Referees shall not be registered with The Association until they are able to satisfy the Affiliated Association of their date of birth. A Trainee Referee must be 14 years of age or older at the time of registration.
- (e) A Referee who has failed to register as a Referee with The Association for between two and five seasons shall not be re-registered until they have successfully undertaken and completed the Referee Course written examination. The Affiliated Association may then register the Referee at their former Level (up to Senior County Referee) once they are satisfied with his/her competence. A Referee who has not been registered for more than five seasons must attend and successfully complete the Referee Course at which point they will be registered as a Junior County Referee.
- (f) A Referee's registration may be cancelled or suspended by the Affiliated Association in consultation with The Association where the Referee has not acted in the best interests of the game. The Association may take any action it deems appropriate. Applications for the re-instatement of a Referee who has previously been disqualified under this Regulation must be referred to The Association.
