Illness and Injury

There are requirements within certain Coaching Courses for the candidate to demonstrate the development of practical football skills that may limit access for some candidates.

- In situations where candidates are unable to attend scheduled assessments, through illness, injury or acceptable and justified reasons, an alternative date for the assessment may be arranged for the candidate.

Candidate Appeals Procedure

Candidates wishing to appeal must do so within 14 days of receiving the disputed assessment decision and are advised to keep copies of all documents relating to the appeal.

It is ultimately the responsibility of the Amateur Football Alliance to ensure that this procedure is published and accessible to all personnel, candidates and any relevant third parties. However, the quality coordinators (QC) specific to each qualification are responsible for ensuring this information is fully understood by their qualification team and by the candidates who commence courses/programmes in their area.

Stage 1

The appeal should be made, in the first instance, to the assessor who made the original assessment decision. At this stage, a verbal appeal is acceptable, although the candidate is recommended to put the appeal in writing using the Amateur Football Alliance. The assessor should explain his/her rationale for the decision that is being disputed. The assessor is required to record an overview of the appeal and the outcome of the discussion and forward this to the Amateur Football Alliance QC and the Appeals Officer to retain with the centre's assessment and appeals records.

Stage 2

If candidates remain dissatisfied with the assessment decision and wish to challenge the outcome of Stage 1, then they are required to appeal in writing to the Amateur Football Alliance Appeals Officer within 14 working days of the Stage 1 process.

The Appeals Officer will write to the candidate to acknowledge receipt of the appeal within 10 working days and outline the course of action to be taken. The Appeals Officer will carry out an investigation, ensuring that another appropriately qualified assessor and/or internal verifier is involved in the review, in addition to the relevant QC specific to the qualification, and will write to the candidate within 20 working days with the findings and a decision as to whether the appeal was justified.

Candidates are required to provide as much information as possible regarding the disputed assessment decision and should include:

- the date and type of the assessment (i.e. observation of practical work, assessment of a set task/assignment, result of an internally assessed question paper)
- the name of the assessor involved
- a brief outline of the reason for the appeal
- any associated documents (i.e. candidate evidence, record of feedback from the assessor involved).

All Stage 2 complaints should be sent to:

The Complaints Officer
Samantha Brown
Unit 3, 7 Wenlock Road,
London N1 7SL

Upon receipt of the appeal the Appeals Officer will contact the relevant person required to conduct an appropriate review of the evidence and an independent assessor or internal verifier and/or relevant QC

may review/reassess the candidate's work against the assessment criteria for the qualification, where required. One of the following decisions will be communicated to the candidate by the Appeals Officer in writing within 10 working days of the decision having been made. This will be to either:

- uphold the original assessment decision
- offer the candidate an opportunity for a resit/reassessment free of charge
- overturn the original decision.

The decision will also be communicated to the original assessor and also the assessor/internal verifier and QC who assisted in Stage 2 of the appeal.

Copies of records of appeals are retained with the assessment and appeals records. The Amateur Football Alliance will retain records of appeals for a minimum period of five years.

Stage 3

If candidates have followed Stage 1 and 2 of the appeals procedure and remain dissatisfied with the outcome, they have the right to take their appeal to the awarding body (1st4sport Qualifications) within 20 working days of the decision being communicated to them by recognised centre.

The 1st4sport appeals procedure can be accessed online via www.1st4sportqualifications.com. On the home page, candidates should click on 'information for candidates' and 'customer service'.

Anti-Harassment and Bullying Policy and Procedure

The AFA seeks to maintain a safe and friendly environment for all staff and learners and is committed to preventing harassment.

What are harassment and bullying?

Harassment is any unwanted physical, verbal or non-verbal conduct which has the purpose or effect of, affecting your dignity, or creating an intimidating, hostile, degrading, humiliating or offensive environment. Such conduct is commonly (but not always) related to sex, sexual orientation, gender reassignment, marital status, race, religion and belief, colour, nationality, ethnic or national origin, disability or age. Harassment generally arises where a worker has made it clear that they find certain behaviour unwelcome and that behaviour has continued unchanged although a single incident may amount to harassment if sufficiently serious. It is important to remember that even though the conduct may only be unwanted or offensive to one individual it can still amount to harassment.

Examples of harassment might include, but are not limited to: unwanted physical contact whether or not of a sexual nature; unwelcome sexual advances; propositions or pressure for sexual activity; continued suggestions for social activity within or outside the workplace after it has been made clear that such suggestions are unwelcome; offensive or intimidating comments; suggestions that sexual favours may further an employee's career or that refusal of sexual favours may hinder it, isolation or ostracism, unfair allocation of work or responsibilities, humiliating, demeaning, threatening or persistently criticising an individual; the display or circulation of pictures, objects or written materials that may be sexually suggestive pornographic or offensive to particular ethnic or religious groups and insensitive jokes or pranks or transmitting any such messages or images via electronic mail.

Bullying includes offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power intended to undermine, humiliate, denigrate or injure a colleague or peer

What do I do if it happens to me?

You should notify the following:

- The Course Tutor and / or
- The AFA Course Administrator.

They will follow The AFA Harassment and Bullying Policy. If you wish to see a copy of the policy, please contact Samantha Brown.

The AFA recognises that it has a responsibility to protect children and vulnerable adults who wish to participate in football. As such the AFA has adopted The FA's Safeguarding Children and Vulnerable Adult's Policy. Any person taking part on a course run by The AFA will be expected to adhere to these policies.

Safeguarding Children Policy

Every child or young person, defined as any person under the age of 18, who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from abuse. That is the responsibility of every adult in football.

The AFA recognises its responsibility to safeguard the welfare of all children and young people by protecting them from physical, emotional or sexual harm and from neglect or bullying. The AFA is therefore committed to working to provide a safe environment for all children and young people to participate in football.

Vulnerable Adult Protection Policy

The AFA will follow The FA's Vulnerable Adults Policy. To view a copy of this policy please visit <http://www.amateur-fa.com/more/equality>

In order to provide safety, protection and security to children/vulnerable adults throughout our operations, we will adhere to our child/vulnerable adult protection policy/statement and aim to: protect all children and vulnerable adults from abuse:

- whether by reason of age; gender reassignment; marital status or civil partnership; pregnancy and maternity; disability; ethnicity; religion or belief; sex; sexual orientation
- raise awareness of child and vulnerable adult protection issues and promote good practice
- conduct risk assessments to minimise potential hazards to children's and vulnerable adults' welfare
- provide support to candidates who have been abused and act proactively by preventing any similar incidents through risk assessment
- ensure all personnel fully understand their responsibilities and are provided with the appropriate training/regular updates of the legislation.

In achieving our policy aims and being proactive, we have developed procedures related to the recruitment of personnel and how allegations of child/vulnerable adult abuse should be dealt with. In light of this, we implement safe recruitment practices, in checking the suitability of personnel to work with children and vulnerable adults.

Reporting Concerns

You should follow the flow diagrams on how to deal with possible poor practice or abuse inside and outside of a football setting. These diagrams can be found inside your Safeguarding Children Workshop pack or the Safeguarding Children Policies and Procedures.

You should also contact The AFA's County Welfare Officer, Jackie Newing via Jackie.newing@amateur-fa.com or 0208 733 2613 option 5.
