Our Organisation

The Amateur FA was formed in 1907 and is unique among County FAs in not being based around a particular geographical area, although most of our clubs are in London. We provide and support football wholly outside the football pyramid for those who play for the joy of playing, to build lasting friendships and play in clubs who are inclusive of all ability levels.

We are currently undertaking a strategy planned to 2024, within which, the growth and development of women's football is embedded. We want to provide equal access and opportunities for women to participate in football, and greater engagement amongst our member clubs to ensure football is played in a safe, enjoyable, and inclusive environment. The Equal Game Ambassador will be responsible for the delivery of these objectives.

The role is a fantastic opportunity for an individual passionate about enhancing the development of women's football. The ideal candidate will have knowledge and experience of women's football and be able to work independently, as well as part of a team. Having the ability to manage and prioritise your workload, plan and achieve objectives by deadlines, as well as strong communication and customer service skills are also valued attributes.

You can find out more about Amateur FA and the work we do on our website at www.amateur-fa.com.

The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and the information provided.
