<b>A brief description of the club</b>
AFC Witan have three teams (intermediate south, south 2 and south 3) all playing to a good standard. Our third team won the league and cup double last season. We're on the hunt for new players to join us in the hunt for more silverware, with a particular keenness for strikers and goalkeepers.  We're a very friendly bunch with a desire to win, but equally know how to enjoy ourselves off the pitch with regular socials and pre-season tours.
