A brief description of the club
Wanderers were formed in 1859, were founder members of the Football Association in 1863, won the first FA Cup in 1872, but folded in 1887. The club were reborn in 2009 and our goal is to get back into the FA Cup. We currently have 3 men’s teams – the 1 st XI has been promoted to Step 9, the 2 nd XI feed into the 1s, and the new 3 rd XI are a mix of under-21s and over-35s, helping younger players to develop. We are seeking ambitious and talented players for all three teams.
