## GETTING TO KNOW WINCHMORE HILL

Winchmore Hill Football Club was formally founded in 1920 as a self managing section of Winchmore Hill Cricket Club although a Winchmore Hill village team was previously formed in 1898 under the Presidency of Mr W T Paulin (the original family owners of the ground) and some members of the cricket club played for the team. However they had their financial difficulties and lost their ground in 1903 before moving to another site and played continuously until 1913/14 season when it then ceased to exist at the outbreak of the Great War in 1914.

Returning cricket members after the war persuaded other members to form a scratch football side to play on a wandering basis and on 16 May 1920 at St Paul's Institute in London the constitution of Winchmore Hill Football Club was decided upon and an invitation accepted to play at the Paulin Ground, the home of Winchmore Hill Cricket Club, for a fee of £15 for one pitch. The Paulin Ground remains our home today and the parent club since renamed to Winchmore Hill Sports Club. The club colours of purple black and white were well entrenched in the playing kit and in 1957 a sub-committee of all playing sections designed a club badge which incorporated Deer (which links it to the Arms of the Borough of Southgate) as well as the great Cedar Tree, which overlooks the top of the front of the ground, together with the New River which also bounds the top of the ground. The motto was added 'Amicitia Per Ludos' which translates to 'Friendship Through Sport'.

We are proud of our achievements and in the last 25 years barely one season went by without least one league or cup win throughout the club. We have enjoyed much success in AFA cup competitions and our 1st XI have won the Senior cup a record 6 times - with 4 wins and 1 defeat in Senior finals since 2003.

## GETTING TO KNOW OLD LYONIANS

The Old Lyonian Football Club (now Old Lyonians FC) was founded in 1902 and was initially set up by former pupils of The Lower School of John Lyon. The club is currently run by ex-players and ex-pupils with age ranges from 30-50 and is a Charter Standard Club. The club joined the Southern Amateur Football League in 1924-25, of which it remains a member. It is also affiliated to the Amateur Football Alliance. Old Lyonians FC is an 'open' club, with Old Lyonians, friends and family members playing for the teams. The club fields five 11-a-side squads plus a VETS team in league and cup competitions throughout the winter season (September to April), with matches played on Saturday afternoons. The club house is The Lyonian Pavilion at South Vale, Harrow, HA1 3PN. The home matches are played on the Senior Pitches of the John Lyon School and are of a very high quality. Recently our small club have stepped up to several cup finals and promotions. Long may this continue!

# INTRODUCING THE OFFICIALS

REFEREE:  
DARYL ANN

Level: 6  
Officiating for 15 Years  
I'm a down to earth person with a passion for helping and developing officials throughout the grassroots game. I'm the Referee Secretary for the SAL and also a Referee Observer.

ASSISTANT 1:  
WILL PRIOR

Referee level: 7  
Officiating for 2 and half years.  
I currently study maths, English and history. I very much enjoy the pressure that comes with refereeing but ultimately the big rewards when you have a good game and feel you've done a good job. When I'm not on the pitch, I'm usually at Vicarage Road to support the mighty Watford!

ASSISTANT 2:  
RONNIE ROBINSON

Ronnie took up officiating 8 years ago having previously played the in the Southern Amateur League for 20 years. He enjoys refereeing as it maintains his link with AFA football and keeps him fit, or at least fitter than he would be! Ronnie is chartered surveyor and has worked throughout Europe and the USA. He is originally from Glasgow and supports Rangers.

# REFEREE DEVELOPMENT

A word from our Referee Development officer, Deryll David.

I would like to extend a massive congratulations to all match officials who have this year received an Amateur-FA Cup Final appointment. It is an appropriate reward for those who have excelled throughout the season. We hope that you enjoy the great experience and wish you all well for the game.

Selection was incredibly difficult as there was a huge number of referees to choose from, a great deal of commitment has been shown by these individuals throughout the season. They've displayed high performance levels to earn these appointments, which were assigned according to the type of game that they referee.

There is no better time to be a referee with the level of support, guidance and opportunities available and if you have the dedication and desire, who knows where your refereeing journey might take you.

Again, I'd like to extend my best wishes to Daryl, Will and Ronnie in their cup final today.
