## GETTING TO KNOW WINCHMORE HILL

Winchmore Hill Football Club was formally founded in 1920 as a self managing section of Winchmore Hill Cricket Club although a Winchmore Hill village team was previously formed in 1898 under the Presidency of Mr W T Paulin (the original family owners of the ground) and some members of the cricket club played for the team. However they had their financial difficulties and lost their ground in 1903 before moving to another site and played continuously until 1913/14 season when it then ceased to exist at the outbreak of the Great War in 1914.

Returning cricket members after the war persuaded other members to form a scratch football side to play on a wandering basis and on 16 May 1920 at St Paul's Institute in London the constitution of Winchmore Hill Football Club was decided upon and an invitation accepted to play at the Paulin Ground, the home of Winchmore Hill Cricket Club, for a fee of £15 for one pitch. The Paulin Ground remains our home today and the parent club since renamed to Winchmore Hill Sports Club. The club colours of purple black and white were well entrenched in the playing kit and in 1957 a sub-committee of all playing sections designed a club badge which incorporated Deer (which links it to the Arms of the Borough of Southgate) as well as the great Cedar Tree, which overlooks the top of the front of the ground, together with the New River which also bounds the top of the ground. The motto was added 'Amicitia Per Ludos' which translates to 'Friendship Through Sport'.

We are proud of our achievements and in the last 25 years barely one season went by without least one league or cup win throughout the club. We have enjoyed much success in AFA cup competitions and our 1st XI have won the Senior cup a record 6 times - with 4 wins and 1 defeat in Senior finals since 2003.

## The Squad

**BILLY NORTON**

(CM)

As elegant as a swan  
The heart of a lion  
The speed of a cheetah  
The strength of a gorilla  
The wisdom of an owl  
And his name is Billy

**DANIEL GRANT**

(LB/RB)

Solid, hard-working full-back!  
Unfortunately, most of that hard work has been done "at work" recently so not seen much of him on the pitch! A versatile asset to the squad!

**DAVID CANSFIELD**

(CDM/RB)

Hardworking and committed, if a little unorthodox! Spends more time on the floor than stood up but always escapes with the ball. Will cover every inch of grass

**JACOB BELLOTTI**

(CB)

AKA Big Verge, what a player. Wins balls in the air and from your feet, drives out from the back and will do anything for the Winch, MY CB

**JORDAM HOLLOWAY**

(RW)

Winchmore till he dies, work rate second to none. Lucky that his finishing is better than his first touch though!

**LAURENS JACOBS**

(LB/CM)

Captain fantastic of the Winchmore 5s! The tactical mastermind behind the team, who has made the left-back role his own. Possesses a left foot that's hit worldy goals.

**JACK TERZOLI**

(ST)

Loves a night out and a cheeky nutmeg. Has never registered an assist but will score you goals upon request.

**MAZ CURRIE**

(CDM/CB)

AKA Fat Xavi. Fights for every ball, reads the game and will not be out-muscled. As the name suggests brilliant short and long-range passer and has the mentality to go far

**OWAIN BOFFEY**

(GK)

Top-quality young goalkeeper who can also bag an occasional assist. Still not sure if he supports Swansea or Arsenal but would probably get into either squad..

**MATT COLLIER**

(CB)

The big rock at the back who's calm under pressure. He's got a big mouth but an even bigger left peg.

**MATT SALT**

(RB)

Matt salt, the laughing right back. Stand him up salty - Tough in the challenges, sophisticated in the passes...

**STEFAN GILLIGAN**

(CM/LM)

A hardworking and dedicated player in the Winchmore Hill side - he puts his heart and body on the line to support his teammates

**PATRICK SIMPSON**

(RW/LW)

A technical winger with an eye for a pass, tricks up his sleeve and pace to burn - give him the ball and he'll do something magic.

**RICHARD SESAY**

(LW/RW)

An explosive winger with lots of goals in his locker, Richie will be a huge threat for WHFC Vs today. Disagree? Be ready for a scrap, because he'll fight you.

**ROBERT HEATLEY**

(GK)

When you need a keeper, you know who to call! A defenders insurance. He knows how to pick out his striker from 40 yards away. Hit him up for 1-2-1s.

**STEVEN GEORGIU**

(GK)

Scouted on the beaches of Napa - a brick between the sticks. Word is he's secretly 28, with a wife, 3 kids and a mortgage in Napa but sacrifices all for the Winch. Scouted on the beaches of Napa - a brick between the sticks. Word is he's secretly 28, with a wife, 3 kids and a mortgage in Napa but sacrifices all for the Winch.

**WILLIAM MARCHAM**

(CAM/CM)

Works his socks off and links play from defence to attack with his wand of a left foot. Gets rowdy, with fines to show for it, but integral to Winchmore.

## The Squad

### **KAY CHARLES (GK)**

For a midget the geezers got a leap and distro. Kept us in a lot of games this season with magical saves. Give him a bit of DBE and a fag, you've found Casillas.

### **JAY LANNING (RB)**

Built like a body builder, injury record of Darren Anderton. Gets up and down at an alarming rate, rarely gets beat. He'd say it's stamina we'd say it's an overdose of pre-workout.

### **BRENT SIMMONDS (RB)**

The reason we're all here, lead us to our first double in 2014 and we've been winning ever since. Solid RB, doesn't get beat, jokies and provides a decent Uber.

### **SERHAN MEHMET (CM)**

The Turkish Ozil, loves a 50/50 and will turn a man inside out. Unsung hero of the team when he's on form we win. (Then we go Kitchen)

### **KIERAN OGUNKOYE (CM)**

**BULLY!** Win's everything near him, sits anyone around down and if you go shoulder to shoulder with him have mercy on your soul. Has a knack for important goals too.

### **GIO FULLONE (AMC)**

Local Kebab man we bring along to feel involved. Hella tekky though, got a ping, can slap a freekick and pops up with vital goals - 6 goals 6 assists not too shabby for a Kebab.

### **BILLY SIMPSON (CB)**

Very good CB, turned sumo. Reads the game with the grace of Rio and can find a pass like DMF, if only he could say no to an egg McMuffin we'd never concede.

### **COREY 'BLUE' BOVELL (CB)**

- If you're playing against Blue you're going home injured. From the school of Vinny Jones he's 99 into everything, rarely gets beat and will give the team everything.

### **ASHLEY 'TREE' GORDON (CB)**

He's 6ft 7, but has the pace of a broken down coach. Classy CB who without we look lost, seems to win every challenge and header but that's no surprise when he's the length of the pitch.

### **CONNOR RUSSELL**

If Carling made SAL players. Has literally everything, if he hadn't of had injury troubles this year limiting him to 5 appearances we'd of probably won every game by 10+

### **SAM PHIBY (LW/RW)**

AFA's best mate coz he's good for at least a tenner every week with a yellow. 99 commitment, 99 pace and 99 aggression the guy to get you going and lead when your backs against the wall.

### **GEORGE EDWARDS (LW/RW)**

If he's on your flank, go home its long. Pace, skill, flair give me a word he's got it, absolute nightmare to play against. George turns up we win - simple.

### **TOM HAMMOND (LB)**

Use to be decent until he turned Vegan. Win's every header, loves a challenge and got a whip on him - solid 7/10 every week, very good LB.

### **CORY KNIGHT (LB)**

Chief moaner, 'game off' shout every time it rains but come kick off what a player. Win's every duel, never gets beat and can jookie too. If only he turned up on time.

### **PAUL LANE (CM)**

Hendo - world class, no more said.

### **RIVER HENRY (LW/RW)**

Lives up to his name, has defenders doing the river dance trying to tackle him. Real street baller, will beat you, bully you and send you home - 0 compromise.

### **DOM PHILBY (CF)**

Statman and El Capitan! 25 Goals and 14 assists in 20 games you do the math. Game winner week in week out, team sponsor and gaffer - what more can he do.

### **ROMONE MCCRAE (CF)**

May aswel call him Spiderman as everything that goes near him sticks. Feet like Messi, control like Zidane.... hangover like Gazza. Hopefully he went home last night...

# REFEREE DEVELOPMENT

A word from our Referee Development officer, Deryll David.

I would like to extend a massive congratulations to all match officials who have this year received an Amateur-FA Cup Final appointment. It is an appropriate reward for those who have excelled throughout the season. We hope that you enjoy the great experience and wish you all well for the game.

Selection was incredibly difficult as there was a huge number of referees to choose from, a great deal of commitment has been shown by these individuals throughout the season. They've displayed high performance levels to earn these appointments, which were assigned according to the type of game that they referee.

There is no better time to be a referee with the level of support, guidance and opportunities available and if you have the dedication and desire, who knows where your refereeing journey might take you.

Again, I'd like to extend my best wishes to Alex, Zak and Rob in their cup final today.
