A brief description of the club
<p>We are always looking for experienced female players or players that are returning to the game. The club is based in the heart of London and train weekly on Tuesday. The team is part of a competitive league within the women's FA pyramid and is currently placed within the top division. All home league matches are played on a Sunday in and around London.</p> <p>We welcome all players of mixed abilities, and we work as a solid team in training and on match days. The team is committed to the club and enjoys a social side too. If you are looking for a new team or to get back into football and enjoy a friendly and positive team, then look no further.</p> <p>Contact us to attend the next training session.</p>
