# WELCOME

A special welcome to **Beaconsfield Town FC**, today's venue for our Berks & Bucks FA **Women's Senior Cup** Final. It is such a joy to have our County Cup Finals return after a couple of years absence due to the pandemic.

I would like to start by congratulating both **Reading FC** & **Chesham United** on reaching today's Final, an excellent achievement which both teams can be proud of.

On behalf of Berks & Bucks FA I would like to extend a warm welcome to all Match Officials, Players, Club and County Officials and not least the supporters of our two finalists.

In today's busy schedule of programming league and cup fixtures around Covid restrictions and the weather it is very much appreciated that the co-operation between Clubs and Leagues enable us to play today.

I sincerely hope that you all enjoy your visit to **Holloways Park** and that your time with us today will be an enjoyable one. On behalf of Berks & Bucks FA I would like to thank **Beaconsfield Town FC** for placing their ground and facilities at our disposal for today's Final.

In addition, I would like to personally thank our Cup Secretary, Mr Chris Penny, for his hard work in organising all of our County Cup Competitions this season.

If you would like to share your memories of today's Final with us on social media, please tag us **@berksandbucksfa** or use the hashtag **#BBFACountyCups**.

Best wishes to everyone taking part and enjoy the game.

# READING FC WOMEN

In the club's first season, they won the Southern Region Women's Football League as well as the cup and earned promotion to the South West Combination Women's Football League. The season after, they were unbeaten across the entire campaign and won promotion to the FA Women's Premier League Northern division - the second tier in England at the time. Their first season in the WPL National Division (now the second tier in England, following the formation of the new Women's Super League in the same season) saw Reading finish third in the table.

In 12/13 following relegation back down to the Southern Division, Reading FC Women comfortably won the league and in turn promotion, with a margin of eight points and a goal difference of 41. Fran Kirby, the Royals' top scorer in that year, won Player of the Season and was called up by Great Britain to play for them in the World University Games in Kazan, Russia. Across the season, she netted over thirty times and was rewarded with a place in an England U23s camp. With the reformation of the Women's Football pyramid in England to have the new Women's Super League and WSL 2, Reading were granted a license to play in the second division from the 2014 campaign. They finished third in the division that year with Kirby scoring 24 in 16 games and she became the first women's player to receive a professional contract from the club soon after. In 2015 they won the division by a goal difference four higher than that of Doncaster Rovers Belles and were promoted to the FAWSL.

The Royals finished eighth, sixth and fourth in their next three campaigns. In 2018-19, after being granted a license to play in the all-professional FA Women's Super League, the Royals finished fifth and reached the semi-finals of the FA Cup before being narrowly knocked out in a penalty shoot-out by West Ham United at home.

# CHESHAM UNITED

Chesham Ladies were formed in 1996 and steadily moved through the divisions to become established at Combination level they then successfully gained promotion to the Women's Premier League and are now in the FA Women's National League Division One South West.

At the time the Women's Super League (WSL) having expanded this attracted many of our senior players, as a result Chesham reluctantly chose to step back to Regional football with a very young team. However within two seasons they were back in the Regional Premier League with WSL experience under their belt.

This season we introduced two new coaches Mani Asare and Gary Forde to work alongside Manager, Lisa Welling, GK Coach Mark Overall, and Coaches Adam Colley and Matt McHugh. It's been a difficult season, losing some great players over the summer and picking up a few injuries stalled our start to the season but with a run of clean sheets the team have finally turned a corner.

Chesham Utd will be hoping to go one step further in the Berks & Bucks FA Women's Senior Cup Final this season, having faced MK Dons in the Final in 2018/19 and finishing as runners-up.
