# WELCOME

## WE ARE DELIGHTED TO WELCOME YOU TO TODAY'S COUNTY CUP FINAL

A warm welcome to all the players, coaches, volunteers and supporters of both competing teams and also the match officials for this prestigious County Cup Final.

With 1,200 clubs with a combined 5,200 teams and 77,000 players playing all formats of the game within our boundary, every team that makes it to one of our 14 County Cup Finals should be rightly proud of their achievements.

The previous two years have been difficult with limited amounts of football played due to Covid but we have again received over 500 Cup entries across all of our competitions so the winners can proudly carry the mantle of County 'Champions' which also brings with it the kudos but added responsibility of playing and behaving in the manner that befits the title.

It is also a big day for our match officials who have also dedicated hours and in some cases many years in the middle and on the side-lines at all levels of the game in order to have been selected to represent our 1,200 Birmingham County FA officials at today's final.

I'd also like to take the opportunity of thanking the thousands of volunteers for all the work they do throughout the season to simply help and administer and improve their clubs and teams – more often than not unpaid. Without the range of volunteers at every level of the game and at every club and league, then the game as we know it would not exist, especially grassroots and as part of the celebrations, we will be presenting a volunteer award which each finalist has nominated as a thank you.

I'd also like to thank my colleagues at Birmingham County FA for all the work they do and the support they offer in order to promote, govern and develop the game.

Enjoy the game and celebrate your achievements before, during and after the game and whilst recognising and respecting the opposition and their efforts along with those of the match officials.

Play well and enjoy the memories and friendships that the fixture brings.

## ROGER WOOD MEMORIAL CUP

# MEET THE OFFICIALS

### REFEREE

#### DAVID HINTON

I started refereeing junior football at the age of 15 alongside playing. I enjoyed experiencing this other side to the game and at 17-18 went on to join my local adults Sunday league (Sutton & District). During three years away at University in Sheffield, I applied for promotion each year and returned to Birmingham in 2017 as a level 4 supply league referee. I then refereed on the Midland Football League up until this season when I was promoted to level 3 contributory league referee.

### ASSISTANT REFEREE

#### SCOTT GETHAN

I've been refereeing for 19 years and I'm a level 5 referee. I've always enjoyed refereeing, giving something back to the game I love. I'm really proud to be given this appointment to officiate in the Roger Wood Memorial Cup final.

### ASSISTANT REFEREE

#### DARRYL HAMBRIDGE

I am a long time grassroots referee of over 15 years and enjoy officiating both Saturdays on the MFL and WMRL and Sundays on the Kidderminster league and WMRL Ladies league. Currently on the promotion ladder to level 5 and hope to surpass that soon. Alongside football I compete in Judo and also run a darts team locally. I retired from playing football as I became 30 and really embraced the refereeing area of the game.

### FOURTH OFFICIAL

#### PHIL LINDSAY

I am a 34 year old referee and have been refereeing since the age of 17. I am currently a Level 5 referee going for promotion to Level 4. Over the past 17 years I have officiated on many leagues and currently officiate on the Midland Football League, The Coronation and Oakbourne League and the West Midlands Womens Regional League. One of my best experiences when officiating was having the opportunity to referee Birmingham City U18 Vs Manchester United U18 at St Andrews in front of about 300 fans. Today's game is the first of my 2 finals I have been given the opportunity to officiate on this season and every final I do is as special as the first final I officiated on many years ago.

# SAVE TODAY, PLAY TOMORROW

Birmingham County Football Association is committed to pioneering the way in which football minimises the impact of its activities on the environment.

More information on our commitment to creating a sustainable game is available below, along with helpful resources and documents that clubs, leagues and participants can use to help make a significant, positive contribution to the environment. Find out more by clicking [here](#).

**Environmental Policy.** We are now taking steps to measure our impact on the environment and set ambitious targets for ongoing improvement, and will comply with all relevant environmental legislation. View our policy [here](#).

**WM Net Zero Business Pledge.** We are proud to have joined over 50 organisations across the region in committing to the WM Net Zero Business Pledge. [Find out more](#).

**Green Innovation Fund.** As part of Birmingham County FA's commitment to creating a low carbon, greener game, we are giving clubs the opportunity to apply for grant funding up to the value of £750 to help support innovative, environmentally positive sustainability projects at a grassroots level. Keep an eye on the portal opening [here](#).

**British Association for Sustainable Sport (BASIS).** They are the sustainability hub for the UK sports industry with a fierce belief in sustainable sport: not-for-profit committed to delivering a positive impact for sport at every level, and harnessing the power of sport to make a difference for all. Click [here](#) for more information.

**Be A Super Supporter and Liftshare.** We have partnered with Liftshare to launch the first-ever car sharing scheme in grassroots football. Liftshare are the UK's largest car sharing organisation & this partnership provides you the opportunity to join the 750,000 likeminded people across the country to reduce their emissions footprint and save money. **Planet Mark Certified.** We're proud to announce that we've achieved the Planet Mark Year 2021 Business Certification. This is an incredible achievement involving the entire business. In this crucial #DecadeofAction, measuring our own carbon footprint has been a critical step in reducing our impact on the planet and society and through the findings and recommendations from the report we are on the right track to meet our Net Zero ambitions by 2030. View our full Planet Mark Report [here](#).

**Football Rebooted.** We are kicking off 2022 by partnering with Football Rebooted to help them achieve their ambitious target of saving one million pairs of football boots from landfill, and redistributing them across the West Midlands region through a network of boot collection points located at grassroots football clubs. You can view the collection points [here](#).

**Corporate Travel Management.** CTM is a Global Travel Management company with offices all over the globe. Our Sports Travel Management division leverages the team travel, VIP, and event management CTM expertise of the global CTM group to provide winning travel solutions to the sports industry. Find out more [here](#).

**Pledge of Sustainability.** We have partnered with the charity, Pledgeball for the 21/22 season, to encourage all clubs to sign up for the first-of-its-kind Sustainability Pledge in football. Using Pledgeball's unique digital platform, all clubs are eligible to join along with their members, supporters and family and make simple lifestyle choices that help improve the planet and move your club up the Sustainability League Table.
